The 2018 Series H Bonds, the 2018 Series I Bonds and the 2019 Series A-1 Bonds, which will finance socially beneficial projects, are also referred to as "Sustainable Neighborhood Bonds." See "PLAN OF FINANCING—General—Sustainable Neighborhood Bonds."

The 2018/2019 Bonds are to be issued in accordance with the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law, constituting Chapter 44 b of the Consolidated Laws of the State of New York, as amended (the "Act"), and pursuant to a resolution entitled "Multi-Family Housing Revenue Bonds Bond Resolution" adopted by the Members of the Corporation on July 27, 1993, as amended from time to time (the "General Resolution"), a supplemental resolution for the 2018 Series H Bonds entitled "Two Hundred Seventieth Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds, 2018 Series H" (the "2018 Series H Supplemental Resolution") adopted by the Members of the Corporation on [_____] , 2018, a supplemental resolution for the 2018 Series I Bonds entitled "Two Hundred Seventy-First Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds, 2018 Series I" (the "2018 Series I Supplemental Resolution") adopted by the Members of the Corporation on [_____] , 2018, a supplemental resolution for the 2018 Series J Bonds entitled "Two Hundred Seventy-Second Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds, 2018 Series J" (the "2018 Series J Supplemental Resolution") adopted by the Members of the Corporation on [_____] , 2018, and a supplemental resolution for the 2019 Series A-1 Bonds entitled "Two Hundred Seventy-Third Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds, 2019 Series A-1" (the "2019 Series A-1 Supplemental Resolution"; the 2019 Series A-1 Supplemental Resolution together with the 2018 Series H Supplemental Resolution, the 2018 Series I Supplemental Resolution and the 2018 Series J Supplemental Resolution, the "2018/2019 Supplemental

Resolutions”) adopted by the Members of the Corporation on [____], 2018. The General Resolution and the 2018/2019 Supplemental Resolutions are referred to herein, collectively, as the “Resolutions.” Part II of this Official Statement sets forth additional information concerning the Corporation, the Act, the Program (as such term is defined below) and the Bonds Outstanding.

Pursuant to the General Resolution (except as otherwise expressly provided therein or in a Supplemental Resolution authorizing a series of bonds), all bonds issued thereunder are equally and ratably secured by the Revenues and assets pledged thereunder. All bonds issued or to be issued under the General Resolution, including the 2018/2019 Bonds, are herein referred to as the “Bonds.” Under the General Resolution, the Corporation may issue Bonds to finance any corporate purpose for which Bonds may be issued under the Act or any other applicable law hereafter enacted. The activities of the Corporation undertaken pursuant to the General Resolution are hereinafter referred to as the “Program.” Under the Program, to date, the Corporation has issued Bonds to finance Mortgage Loans for privately owned multi-family rental housing for low and moderate income tenants. Multi-family housing developments financed by the Corporation under the Program are referred to herein individually as a “Development” or a “Project” and, collectively, as the “Developments” or the “Projects.”

INTRODUCTION

The Corporation is a corporate governmental agency, constituting a public benefit corporation, organized and existing under the laws of the State of New York (the “State”). The Corporation was created by the Act for the purpose of providing and encouraging the investment of private capital in safe and sanitary dwelling accommodations in the City of New York (the “City”) within the financial reach of families and persons of low income, which include families and persons whose need for housing accommodations cannot be provided by the ordinary operations of private enterprise, through the provision of low interest mortgage loans.

The proceeds of the 2018 Series H Bonds are expected to be used by the Corporation to finance, and/or reimburse the Corporation for its previous financing with its own corporate funds of, [sixteen]* ([16]*) subordinate mortgage loans (the “2018 Series H Mortgage Loans”). See “PLAN OF FINANCING—General—2018 Series H Bonds.”

A portion of the proceeds of the 2018 Series I Bonds is expected to be used by the Corporation to finance [five]* ([5]*) mortgage loans (the “2018 Series I Mortgage Loans”). The remaining proceeds of the 2018 Series I Bonds are expected to be deposited in the Bond Proceeds Account to be applied in the future at the direction of the Corporation for any purpose permitted under the Act, the General Resolution and the 2018 Series I Supplemental Resolution. See “PLAN OF FINANCING—General—2018 Series I Bonds.”

The proceeds of the 2019 Series A-1 Bonds are expected to be used by the Corporation to redeem the Corporation’s Outstanding Multi-Family Housing Revenue Bonds, 2009 Series C-1, 2009 Series F, 2009 Series J, 2009 Series K and 2009 Series M (collectively, the “Refunded 2009 Bonds”), which were previously issued to finance Mortgage Loans. See “PLAN OF FINANCING—General—2019 Series A-1 Bonds.”

The proceeds of the 2018 Series J Bonds will be deposited in the 2018 Series J Bond Proceeds Account established for the 2018 Series J Bonds pursuant to the 2018 Series J Supplemental Resolution (the “2018 Series J Bond Proceeds Account”). The Corporation may not withdraw money from the 2018 Series J Bond Proceeds Account unless certain conditions are satisfied, including that the amount

remaining in the 2018 Series J Bond Proceeds Account and the 2018 Series J Redemption Account established for the 2018 Series J Bonds pursuant to the 2018 Series J Supplemental Resolution (the "2018 Series J Redemption Account") after a withdrawal is at least equal to the principal amount of the 2018 Series J Bonds that have not been converted to a different interest rate mode or redeemed during the 2018 Series J Term Rate Term. The 2018 Series J Bonds will be subject to redemption and mandatory tender for purchase as described herein. See "PLAN OF FINANCING—General—2018 Series J Bonds" and "ADDITIONAL SECURITY FOR THE 2018 SERIES J BONDS." The Corporation will be obligated to pay the Purchase Price of those 2018 Series J Bonds subject to mandatory tender for purchase and not remarketed only from monies available therefor and held under the Resolutions, including the amounts held in the 2018 Series J Bond Proceeds Account. No liquidity facility has been obtained to fund such obligation. This Official Statement in general describes the 2018 Series J Bonds only during the 2018 Series J Term Rate Term.

The 2018/2019 Bonds are special revenue obligations of the Corporation, and payment of the principal or Redemption Price or Purchase Price, as applicable, of and interest on the 2018/2019 Bonds will be secured by the Revenues and assets pledged to such payment including, without limitation, certain payments to be made under or with respect to the Mortgage Loans, and monies and/or Cash Equivalents held under the Debt Service Reserve Account. The 2018/2019 Bonds are being issued on a parity with, and shall be entitled to the same benefit and security of the General Resolution as, all other Bonds Outstanding (other than Subordinate Bonds) issued and to be issued thereunder. As of July 31, 2018, the aggregate principal balance of Bonds Outstanding was \$6,905,210,000. The Corporation has authorized and contracted to sell \$114,470,000 aggregate principal amount of additional Bonds expected to be issued between 2018 and 2022 (including \$9,495,000 principal amount of Multi-Family Housing Revenue Bonds, 2018 Series E-2 (the "2018 Series E-2 Bonds"), which are expected to be issued on or about October [], 2018 to refund outstanding obligations of the Corporation issued to finance the senior mortgage loan for the Stanley Commons development, which mortgage loan will be pledged to the General Resolution in connection with the issuance of the 2018 Series E-2 Bonds). None of the Bonds Outstanding are Subordinate Bonds. See "SECURITY FOR THE BONDS" and "BONDS OUTSTANDING UNDER THE PROGRAM" in Part II of this Official Statement. The 2018 Series J Bonds are also secured by certain accounts created under the 2018 Series J Supplemental Resolution securing only the 2018 Series J Bonds. See "ADDITIONAL SECURITY FOR THE 2018 SERIES J BONDS." In addition, as of April 30, 2018, the Corporation has pledged amounts on deposit from time to time in the Revenue Account held under the General Resolution to secure the payment of regularly scheduled debt service on (i) \$251,320,000 principal amount of the Corporation's Multi-Family Housing Revenue Bonds (Federal New Issue Bond Program), 2009 Series 1 (the "NIBP Series 1 Bonds") secured under the Corporation's One Hundred Twenty-Fifth Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds (Federal New Issue Bond Program), NIBP Series 1, adopted by the Members of the Corporation on December 3, 2009, as amended (the "NIBP Series 1 Resolution") and any additional bonds issued under the NIBP Series 1 Resolution and (ii) \$32,500,000 principal amount of the Corporation's Multi-Family Housing Revenue Bonds (Federal New Issue Bond Program), 2009 Series 2 (the "NIBP Series 2 Bonds") secured under the Corporation's One Hundred Twenty-Sixth Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds (Federal New Issue Bond Program), NIBP Series 2, adopted by the Members of the Corporation on December 3, 2009, as amended (the "NIBP Series 2 Resolution"; the NIBP Series 1 Resolution and the NIBP Series 2 Resolution are collectively referred to as the "NIBP Resolutions" and each is referred to individually as a "NIBP Resolution") and any additional bonds issued under the NIBP Series 2 Resolution. The NIBP Series 1 Bonds, any additional bonds issued under the NIBP Series 1 Resolution, the NIBP Series 2 Bonds and any additional bonds issued under the NIBP Series 2 Resolution are referred to collectively, as the "NIBP Bonds." Funds held under the NIBP Series 1 Resolution and the NIBP Series 2 Resolution are not security for the Bonds or the 2017 Pass-Through Bonds (as defined below). See "SECURITY FOR THE BONDS—Additional Obligations Secured by the General Resolution—NIBP Bonds" in Part II of

this Official Statement. In addition, as of April 30, 2018, the Corporation has pledged amounts on deposit from time to time in the Revenue Account held under the General Resolution to secure the payment of regularly scheduled interest on, and the mandatory redemption from loan principal repayments of, \$59,354,748 principal amount of the Corporation's Multi-Family Housing Revenue Bonds (Insured Mortgage Loan Pass-Through), 2017 Series A (the "2017 Pass-Through Bonds") secured under the Corporation's Two Hundred Fifty-Fourth Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds (Insured Mortgage Loan Pass-Through), 2017 Series A, adopted by the Members of the Corporation on September 19, 2017 (the "2017 Pass-Through Resolution"). Funds held under the 2017 Pass-Through Resolution are not security for the Bonds or the NIBP Bonds. See "SECURITY FOR THE BONDS—Additional Obligations Secured by the General Resolution—2017 Pass-Through Bonds" in Part II of this Official Statement.

The Mortgage Loans may, but are not required to, be secured by supplemental security ("Supplemental Security"), including (a) mortgage insurance provided by (i) the Federal Housing Administration ("FHA"), including insurance through the FHA Risk-Sharing Insurance Program, (ii) the New York City Residential Mortgage Insurance Corporation, a subsidiary corporation of the Corporation ("REMIC") and (iii) the State of New York Mortgage Agency ("SONYMA"), (b) mortgage-backed securities guaranteed by the Government National Mortgage Association ("GNMA"), (c) a credit enhancement instrument provided by the Federal National Mortgage Association ("Fannie Mae") or the Federal Home Loan Mortgage Corporation ("Freddie Mac") and (d) bank letters of credit ("Long-term LOCs" or "Construction LOCs") or other forms of supplemental security. In addition, the Developments related to the Mortgage Loans may, but are not required to, be assisted through Federal, State or local subsidy programs ("Subsidy Programs") such as (a) the program (the "Mitchell-Lama Program" or "Mitchell-Lama") authorized by Article 2 of the New York Private Housing Finance Law and the rules and regulations promulgated thereunder (the "Mitchell-Lama Law"), and the related Corporation Mitchell-Lama Restructuring Program (the "ML Restructuring Program"), (b) the interest reduction subsidies ("HUD Payments") authorized by Section 236 of the National Housing Act of 1934, as amended ("Section 236"), pursuant to periodic interest reduction payment contracts ("Section 236 Contracts"), (c) the housing assistance payment program authorized by Section 8 of the United States Housing Act of 1937, as amended ("Section 8"), (d) various subordinate loan or other programs of the Corporation such as the Affordable Housing Permanent Loan Program ("AHPLP"), the Low-Income Affordable Marketplace Program ("LAMP"), the Extremely Low & Low-Income Affordability Program ("ELLA"), the Preservation Program ("Preservation"), the Mitchell-Lama Repair Loan Program ("ML Repair Loan Program"), the Mixed Income Program ("Mixed Income"), the Mixed-Middle (M2) Program ("Mixed-Middle (M2)"), the Mix and Match Program ("Mix and Match") and the New Housing Opportunities Program ("New HOP"), (e) various Federal, State and other subordinate loan or grant programs such as the Participation Loan Program ("PLP"), the Article 8-A Loan Program ("Article 8-A"), the §421-a Negotiable Certificate Program (the "Certificate Program"), the Low Income Rental Program ("LIRP"), General Municipal Law Article 16 ("GML Article 16") programs, Housing Development Grant ("HoDAG") programs, certain programs of the New York State Housing Trust Fund Corporation ("HTF"), the HPD Mix & Match Program ("HPD Mix and Match"), the Third Party Transfer Program ("TPT"), the HUD Multifamily Program ("HUD Multifamily") and the Cornerstone Program ("Cornerstone"), and (f) subsidies through the Housing Assistance Corporation ("HAC"). The programs described in clauses (d), (e) and (f) in the immediately preceding sentence are referred to herein, collectively, as the "Subordinate Loan/Grant Programs." See "Appendix E-1—Developments and Mortgage Loans Outstanding under the Program" and "Appendix G—Description of Supplemental Security and Subsidy Programs" in Part II of this Official Statement. A Mortgage Loan also may represent the Corporation's participation interest in a mortgage loan or pool of mortgage loans or the cash flow therefrom. A Mortgage Loan, or the mortgage loan underlying a participation interest, is required to be evidenced by a note and secured by a mortgage (but such mortgage need not create a first mortgage lien on the related Development).

The 2019 Series A-1 Bonds will not be delivered until on or about February __, 2019. The delay in the issuance and delivery of the 2019 Series A-1 Bonds may have significant consequences to the purchasers of beneficial ownership interests therein. The market value of the 2019 Series A-1 Bonds on the date of issuance and delivery thereof is unlikely to be the same as, and probably will be greater or less than, the respective initial offering prices thereof, and the difference may be substantial. Several factors may adversely affect the market price of the 2019 Series A-1 Bonds, including, but not limited to, a general increase in interest rates for all obligations and other indebtedness, any threatened or adopted change in federal tax laws affecting the relative benefits of owning tax-exempt securities instead of other types of investments, such as fully taxable obligations, or any adverse development with respect to the Corporation or with respect to the value of the security pledged to secure the Bonds. See "DELAYED DELIVERY OF THE 2019 SERIES A-1 BONDS" herein.

The ability of the Corporation to pay the principal or Redemption Price or Purchase Price, as applicable, of and interest on the Bonds, including the 2018/2019 Bonds, is dependent on the Revenues derived from the assets pledged to secure the Bonds, which consist of all the Mortgage Loans (including the 2018 Series H Mortgage Loans and the 2018 Series I Mortgage Loans). In instances in which Supplemental Security backs a Mortgage Loan, timely receipt of the proceeds of the Supplemental Security may be material to the Corporation's ability to pay the principal or Redemption Price or Purchase Price, as applicable, of and interest on the Bonds. In cases in which Developments are beneficiaries of Subsidy Programs, full and timely receipt of subsidy payments, or loan or grant proceeds, may be necessary for full payment under the Mortgage Loans made with respect to such Developments. In the case of Mortgage Loans which are not secured by Supplemental Security or whose related Developments are not assisted under a Subsidy Program, the Revenues derived from such Mortgage Loans are entirely dependent on each Mortgagor's ability to make payments under its Mortgage Loan. Each Mortgagor's ability to make payments required under its Mortgage Loan is and will be affected by a variety of factors including the maintenance of a sufficient level of occupancy, the level of operating expenses, sound management of a Development, the ability to achieve and maintain rents or collect maintenance to cover payments under the Mortgage Loan, operating expenses, taxes, utility rates and maintenance costs, and changes in applicable laws and governmental regulations. In addition, the continued feasibility of a Development may depend in part upon general economic conditions and other factors in the surrounding area of a Development. See "THE PROGRAM—Certain Factors Affecting the Mortgage Loans" in Part II of this Official Statement and under the subheadings "Supplemental Security" and "Subsidy Programs" in Appendix G in Part II of this Official Statement.

Under the General Resolution, the Corporation is authorized to issue Bonds (which may be secured on a parity with, or be subordinate in right of payment to, the Bonds which are not Subordinate Bonds) to finance any of its corporate purposes for which bonds may be issued under the Act, or any other applicable law now or hereafter enacted, including but not limited to financing mortgage loans and/or participation interests therein. No such additional Bonds may be issued under the General Resolution unless certain conditions set forth therein are met, including confirmation of the then existing ratings on the Bonds Outstanding (other than Subordinate Bonds) by each of the Rating Agencies then rating such Bonds.

If Mortgage Loans (including participation interests in mortgage loans) are to be financed by any such additional Bonds and pledged to secure the Bonds, such Mortgage Loans or the mortgage loans underlying a participation interest need not create a first mortgage lien on such Projects and such Mortgage Loans or the Projects financed thereby may, but are not required to, be subject to Supplemental Security insuring or securing against Mortgage Loan default losses. Such Supplemental Security, if any, may be in the form of, among other things, a mortgage insurance policy, a guaranteed mortgage-backed security, a letter of credit, a surety bond or an

escrow deposit, any or all of which may be obtained pursuant to one or more programs of the Federal, State or local government.

The General Resolution does not require that the Corporation pledge its interests in the assets financed with the proceeds of additional Bonds, or the revenues derived therefrom, to secure the Bonds. Moreover, the Corporation may withdraw Mortgage Loans and surplus revenues from the pledge and lien of the General Resolution upon the filing with the Trustee of a Cash Flow Statement, except with respect to certain Mortgage Loans which, pursuant to the applicable Supplemental Resolutions, may be released without the filing of a Cash Flow Statement, as more fully described under the subheading "SECURITY FOR THE BONDS—Cash Flow Statements and Cash Flow Certificates" in Part II of this Official Statement.

The Bonds are not a debt of the State or the City, and neither the State nor the City shall be liable thereon, nor shall the Bonds be payable out of any funds other than those of the Corporation pledged therefor. The Corporation has no taxing power.

Descriptions of the Corporation, the 2018 Series H Mortgage Loans, the 2018 Series I Mortgage Loans, the 2018/2019 Bonds, sources of payment therefor, the Program and the Resolutions are included in Part I and Part II of this Official Statement. All summaries or descriptions herein of documents and agreements are qualified in their entirety by reference to such documents and agreements, and all summaries herein of the 2018/2019 Bonds are qualified in their entirety by reference to the Resolutions and the provisions with respect thereto included in the aforesaid documents and agreements. The Corporation has covenanted in the General Resolution to provide a copy of each annual report of the Corporation (and certain special reports, if any) and any Accountant's Certificate relating thereto to the Trustee and to each Bond owner who shall have filed such owner's name and address with the Corporation for such purposes. The Corporation also has committed to provide certain information on an ongoing basis to the Municipal Securities Rulemaking Board. For a description of the Corporation's undertaking with respect to ongoing disclosure, see "CONTINUING DISCLOSURE." Summaries of the Supplemental Security and Subsidy Programs are qualified in their entirety by reference to any statutes, regulations or agreements mentioned in such summaries. See Appendix G in Part II of this Official Statement.

PLAN OF FINANCING

General

Sustainable Neighborhood Bonds

The 2018 Series H Bonds, the 2018 Series I Bonds and the 2019 Series A-1 Bonds, which allow investors to invest directly in bonds that finance socially beneficial projects, are designated as "Sustainable Neighborhood Bonds." The Developments expected to be financed with the proceeds of the 2018 Series H Bonds and the 2018 Series I Bonds and the socially beneficial attributes of each Development are set forth below under "2018 Series H Bonds—2018 Series H Developments" and "2018 Series I Bonds—2018 Series I Developments." The Developments financed with the proceeds of the Refunded 2009 Bonds to be redeemed with the 2019 Series A-1 Bonds and the subsidy programs for such Developments are set forth in Table 1 of "Appendix E-1—Developments and Mortgage Loans Outstanding Under the Program" in Part II of this Official Statement.

The Corporation's mission is to provide financing for the purpose of increasing the City's supply of multi-family housing, stimulating economic growth and revitalizing neighborhoods through the creation and preservation of affordable housing for low-, moderate- and middle income City residents. In

furtherance of such purpose, the Corporation seeks to foster thriving, diverse and sustainable neighborhoods; finance new construction for residents of a mix of incomes; preserve affordability within existing housing stock; and protect the City's most vulnerable residents through supportive housing developments. The Corporation promotes these goals by providing subsidized financing for multi-family housing developments through a variety of subsidy programs. Subsidy programs sponsored by the Corporation include its ELLA, Preservation, ML Restructuring, Mixed Income, Mixed-Middle (M2) and Mix and Match Programs, each of which is described in Appendix G. In addition, the Corporation participates in various Federal, State and other subordinate loan or grant programs such as PLP, Article 8-A, the Certificate Program, LIRP, HPD Mix and Match, TPT, HUD Multifamily and Cornerstone, each of which is described in Appendix G. In addition to receiving support pursuant to a subsidy program of the Corporation, certain of the Developments financed with Sustainable Neighborhood Bonds also receive allocations of federal low income housing tax credits ("LIHTC"), which may generate additional sources of financing for the construction or rehabilitation of those Developments. In order to qualify for a subsidy program or for LIHTC (if applicable), a Development must include residential units that are set aside for individuals whose income does not exceed the limitations for such subsidy program or for LIHTC (if applicable).

In addition to the socially beneficial attributes of Developments receiving subsidized financing from the Corporation, certain of the Developments expected to be financed with Sustainable Neighborhood Bonds also feature environmental benefits. Certain of the Developments expected to be financed with Sustainable Neighborhood Bonds have applied for and are expected to receive Enterprise Green Communities ("EGC") certification, which involves the evaluation of certain criteria for creating healthy and energy efficient affordable housing. Such certification is administered by Enterprise Community Partners, Inc., a non-profit corporation. Certain of the Developments expected to be financed with Sustainable Neighborhood Bonds have applied for and are expected to receive Leadership in Energy and Environmental Design ("LEED") certification from the U.S. Green Building Council, which reviews LEED applications and assigns points to each project based on its level of achievement in improved environmental performance. There are four levels of certification starting at the Certified level and increasing to Silver, Gold and Platinum, each of which is determined by the number of points earned. There is no assurance that the EGC or LEED certification will be obtained nor is the Corporation responsible for determining if a Development has met or continues to meet the criteria for either such certification. The Corporation is not affiliated with EGC or the U.S. Green Building Council.

[The subsidy program or expected subsidy program, LIHTC allocation and/or participation in the EGC or LEED certification process is indicated for each of the 2018 Series H Developments below under "2018 Series H Mortgage Loans—2018 Series H Developments." The expected subsidy program is indicated for each of the 2018 Series I Developments below under "2018 Series I Mortgage Loans—2018 Series I Developments." The subsidy program for each of the Developments financed with the proceeds of the Refunded 2009 Bonds to be redeemed with the 2019 Series A-1 Bonds is indicated in Table 1 of "Appendix E-1—Developments and Mortgage Loans Outstanding Under the Program" in Part II of this Official Statement.]

The proceeds of the 2018 Series H Bonds and the 2018 Series I Bonds will be deposited in the Bond Proceeds Account and invested in Investment Securities (as defined in "Appendix A—Definitions of Certain Terms") until disbursed to make the 2018 Series H Mortgage Loans and the 2018 Series I Mortgage Loans, respectively, as discussed below under "2018 Series H Bonds" and "2018 Series I Bonds." Such disbursements will be tracked by the Corporation. The Corporation will provide annual updates regarding the disbursement of the proceeds of the 2018 Series H Bonds and the 2018 Series I Bonds for the 2018 Series H Developments and the 2018 Series I Developments financed with the 2018 Series H Mortgage Loans and the 2018 Series I Mortgage Loans. The Corporation will cease to update such information with respect to a 2018 Series H Development or 2018 Series I Development when the

applicable 2018 Series H Mortgage Loan or 2018 Series I Mortgage Loan has been fully funded. This reporting is separate from the Corporation's obligations described under "CONTINUING DISCLOSURE" and will be provided on the Corporation's website (www.nychdc.com). Failure by the Corporation to provide such updates shall not be a default or an event of default under the General Resolution or the Disclosure Agreement. The proceeds of the 2019 Series A-1 Bonds will be deposited in the Bond Proceeds Account and invested in Investment Securities until applied to redeem the Refunded 2009 Bonds as discussed below under "2019 Series A-1 Bonds." In limited instances, small portions of the proceeds of a Series of Bonds designated as Sustainable Neighborhood Bonds will be used at the discretion of the Corporation for other purposes permitted under the Act.

The term "Sustainable Neighborhood Bonds" is neither defined in nor related to provisions in the Resolutions. The use of such term herein is for identification purposes only and is not intended to provide or imply that an owner of Sustainable Neighborhood Bonds is entitled to any additional security beyond that provided therefor in the Resolutions. Holders of Sustainable Neighborhood Bonds do not assume any specific risk with respect to any of the funded Developments by reason of a Series of Bonds being designated as Sustainable Neighborhood Bonds and such Bonds are secured on a parity with all other Bonds issued and to be issued under the General Resolution (other than Subordinate Bonds).

2018 Series H Bonds

The proceeds of the 2018 Series H Bonds initially will be deposited in the Bond Proceeds Account and are expected to be used, or invested in Investment Securities and later used, by the Corporation to indirectly (through the refunding of certain outstanding bonds of the Corporation) finance, and/or reimburse the Corporation for its previous financing with its own corporate funds of, all or portions of [sixteen]* ([16]*) subordinate mortgage loans (the "2018 Series H Mortgage Loans") for [sixteen]* ([16]*) developments (the "2018 Series H Developments"). See "2018 Series H Mortgage Loans" below.

2018 Series I Bonds

The proceeds of the 2018 Series I Bonds initially will be deposited in the Bond Proceeds Account. A portion of the proceeds of the 2018 Series I Bonds is expected to be used, or invested in Investment Securities and later used, by the Corporation to finance, and/or reimburse the Corporation for its previous financing with its own corporate funds of, [five]* ([5]*) mortgage loans (the "2018 Series I Mortgage Loans") for the rehabilitation of [four]* ([4]*) developments (the "2018 Series I Developments"). See "2018 Series I Mortgage Loans" below. The remaining proceeds of the 2018 Series I Bonds are expected to be applied in the future at the direction of the Corporation for any purpose permitted under the Act, the General Resolution and the 2018 Series I Supplemental Resolution, including, but not limited to, the redemption of Bonds and the financing of Mortgage Loans.

2018 Series J Bonds

Upon the issuance of the 2018 Series J Bonds, all of the proceeds of the 2018 Series J Bonds initially will be deposited in the 2018 Series J Bond Proceeds Account and invested and reinvested in short-term United States Treasury obligations and obligations of Federal agencies (whether or not guaranteed by the full faith and credit of the United States of America) with maturities no later than [_____]*, and will remain invested in such obligations while on deposit in the 2018 Series J Bond Proceeds Account. The proceeds of the 2018 Series J Bonds are expected to be exchanged by the Corporation for an equal amount of repayments of existing mortgage loans made by the Corporation and

* Preliminary, subject to change.

then used to redeem, within ninety (90) days of the date of issuance of the 2018 Series J Bonds, an equal amount of certain of the Corporation's outstanding bonds. Said repayments will be deposited in the 2018 Series J Bond Proceeds Account.

The amounts on deposit in the 2018 Series J Bond Proceeds Account may be used by the Corporation to finance construction and permanent mortgage loans (the "2018 Series J Mortgage Loans"). The Corporation may, but is not required to, convert an allocable portion of the 2018 Series J Bonds to bear interest at a fixed rate to maturity or in a different interest rate mode coincident with the making of a 2018 Series J Mortgage Loan. The Corporation is required to deliver a Cash Flow Statement or a Cash Flow Certificate in connection with making a 2018 Series J Mortgage Loan. The Corporation is not required to deliver a Cash Flow Statement or a Cash Flow Certificate in connection with making a loan to a developer (which is not secured by a mortgage and will not constitute a 2018 Series J Mortgage Loan). In addition, the Corporation may not withdraw amounts from the 2018 Series J Bond Proceeds Account to finance a 2018 Series J Mortgage Loan, make a loan to a developer, or for any other purposes unless the amount remaining in the 2018 Series J Bond Proceeds Account and the 2018 Series J Redemption Account after a withdrawal is at least equal to the principal amount of the 2018 Series J Bonds that have not been converted to a different interest rate mode or redeemed during the 2018 Series J Term Rate Term. The earliest date on which any 2018 Series J Bond may be converted to bear interest at a fixed rate to maturity, in a new Term Rate Term or in a different interest rate mode or may be redeemed is [_____]*. See "SECURITY FOR THE BONDS—Cash Flow Statements and Cash Flow Certificates" in Part II of this Official Statement."

2019 Series A-1 Bonds

Upon the issuance of the 2019 Series A-1 Bonds, the proceeds of the 2019 Series A-1 Bonds are expected to be deposited in the Bond Proceeds Account and invested in Investment Securities. The proceeds of the 2019 Series A-1 Bonds are expected to be used by the Corporation to redeem, on May 1, 2019, the Refunded 2009 Bonds, which were previously issued to finance Mortgage Loans. The Mortgage Loans financed with the proceeds of the Refunded 2009 Bonds are described in "Appendix E-1—Developments and Mortgage Loans Outstanding under the Program" in Part II of this Official Statement. Upon the redemption of the Refunded 2009 Bonds, the Mortgage Loans financed with the proceeds of the Refunded 2009 Bonds will remain pledged under the General Resolution and will be designated as "2019 Series Mortgage Loans."

DELAYED DELIVERY OF THE 2019 SERIES A-1 BONDS

The 2019 Series A-1 Bonds will not be delivered until on or about February __, 2019 (the "Delayed Delivery Closing Date"). The Underwriter has agreed to purchase the 2019 Series A-1 Bonds pursuant to a Forward Delivery Bond Purchase Agreement (the "Forward Delivery Agreement") entered into on September __, 2018, between the Corporation, as issuer, and Jefferies LLC, as representative of the underwriters named therein (the "Underwriters"). The following is a description of certain provisions of the Forward Delivery Agreement. This description is not to be considered a full statement of the terms of the Forward Delivery Agreement and accordingly is qualified by reference thereto and is subject to the full text thereof.

Purchase and Sale

Pursuant to the Forward Delivery Agreement, subject to certain conditions, the Underwriters agree to purchase the 2019 Series A-1 Bonds on the Delayed Delivery Closing Date and the Corporation agrees to deliver the 2019 Series A-1 Bonds for purchase by the Underwriters on the Delayed Delivery Closing Date. The Forward Delivery Agreement provides that the Corporation will sell and deliver to the Underwriters, and the Underwriters will purchase from the Corporation, all (but not less than all) of the 2019 Series A-1 Bonds for the purchase price set forth therein. The Forward Delivery Agreement also provides that the Corporation is to deliver certain documents to the Underwriters on or about October __, 2018 (the "Initial Closing Date"). Unless waived by the Underwriters, if the Corporation fails to deliver the documents to be delivered by it on the Initial Closing Date or the Delayed Delivery Closing Date or the other conditions to be satisfied by the Initial Closing Date or the Delayed Delivery Closing Date are not met, the Underwriters will not be obligated to purchase the 2019 Series A-1 Bonds on the Delayed Delivery Closing Date. If the conditions to be satisfied by the Initial Closing Date and the Delayed Delivery Closing Date are met or the Underwriters waive the failure to meet such conditions, the Underwriters will be obligated to purchase the 2019 Series A-1 Bonds on the Delayed Delivery Closing Date. In such case, pursuant to the Investor Delayed Delivery Contract attached hereto as Appendix 2, the purchaser will be obligated to purchase the 2019 Series A-1 Bonds from the Underwriters on the Delayed Delivery Closing Date unless the conditions to such Investor Delayed Delivery Contract have not been met or waived.

Delayed Delivery Closing Date

At the Delayed Delivery Closing Date, subject to the satisfaction or waiver by the Underwriters of the conditions in the Forward Delivery Agreement (several of which are described below), the Underwriters will be required to purchase the 2019 Series A-1 Bonds for the purchase price and the Corporation will execute such Bonds and deliver them to the Trustee for authentication and delivery to or upon the order of the Underwriters.

The Underwriters' obligation to purchase the 2019 Series A-1 Bonds on the Delayed Delivery Closing Date is subject to certain conditions, including (without limitation) receipt or waiver of receipt by the Underwriters of the following:

- (i) the Resolutions, certified by an authorized officer of the Corporation that such Resolutions are in full force and effect;

(ii) the unqualified approving opinion of Bond Counsel, dated as of the Delayed Delivery Closing Date, in substantially the form attached as Appendix 1-2 to this Official Statement;

(iii) evidence of (A) an “___” rating for the 2019 Series A-1 Bonds and a confirmation of such rating for the other Bonds from S&P Global Ratings and (B) an “___” rating for the 2019 Series A-1 Bonds and a confirmation of existing ratings for the other Bonds from Moody’s Investors Service, Inc.;

(iv) a certificate of an Authorized Officer of the Corporation stating that representations and warranties made in the Forward Delivery Agreement are true and correct as of the date of the Delayed Delivery Closing Date; and

(v) other additional legal opinions, certificates, instruments and documents.

The Forward Delivery Agreement does not permit the Underwriters to refuse to accept delivery of and pay for the 2019 Series A-1 Bonds solely because of any subsequent adverse change in the business or affairs of the Corporation.

Failure to complete the requirements for the Delayed Delivery Closing Date, including failure of any party to deliver any of the documents in the form and substance provided for in the Forward Delivery Agreement (unless such failure is waived by the Underwriters), will mean that the 2019 Series A-1 Bonds will not be issued and delivered. The Underwriters have the right, but are under no obligation, to waive any such failure.

Termination of Forward Delivery Agreement

The Corporation will have no obligation to issue, sell and deliver the 2019 Series A-1 Bonds, and the Underwriters will have no obligation to purchase such Bonds, if such issuance, sale and delivery would be illegal as to the Corporation. In such event, the Corporation will have no liability whatsoever for its failure to issue, sell and deliver such Bonds, and the Underwriters will have no liability for their failure to purchase such Bonds.

The Forward Delivery Agreement provides that the Underwriters may (but is not required to) terminate the Forward Delivery Agreement by notification to the Corporation if at any time subsequent to the Initial Closing Date and at or prior to the Delayed Delivery Closing Date:

(i) A committee of the House of Representatives or the Senate of the Congress of the United States shall have pending before it legislation (other than such legislation known as of the date of the Forward Delivery Agreement to be pending or to have been introduced), which legislation, if enacted in its form as introduced or as amended, would have the purpose or effect of imposing federal income taxation upon interest received on the 2019 Series A-1 Bonds, which, in the Underwriters’ reasonable opinion, materially adversely affects the market price of the 2019 Series A-1 Bonds;

(ii) A tentative decision with respect to legislation (other than such legislation known as of the date of the Forward Delivery Agreement to be pending or to have been introduced) shall be reached by a committee of the House of Representatives or the Senate of the Congress of the United States, or legislation shall be favorably reported by such a committee or be introduced, by amendment or otherwise, in, or be passed by the House of Representatives or the Senate, or recommended to the Congress of the United States for passage by the President of the United States, the Treasury Department of the United States or the Internal Revenue Service, or be enacted by the Congress of the United States, or a decision by a court established under Article III of the Constitution of the United States, or the Tax Court of the United States, shall be rendered, or a ruling, regulation or order of the Treasury Department of the United

States or the Internal Revenue Service shall be made or proposed having the purpose or effect of imposing federal income taxation, or any other event shall have occurred which would result in the imposition of federal income taxation, upon interest received on the 2019 Series A-1 Bonds, which, in the Underwriters' reasonable opinion, materially adversely affects the market price of the 2019 Series A-1 Bonds;

(iii) A stop order, ruling, regulation or official statement by, or on behalf of, the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the sale, offering or issuance of the 2019 Series A-1 Bonds, including all underlying obligations, as contemplated by the Forward Delivery Agreement or by the Official Statement or the Updated Official Statement, is in violation or would be in violation of any provision of the federal securities laws, the Securities Act of 1933, as amended and as then in effect, or the qualification provisions of the Trust Indenture Act of 1939, as amended and as then in effect;

(iv) Legislation shall be enacted by the Congress of the United States of America, or a decision by a court of the United States of America shall be rendered, to the effect that obligations of the general character of the 2019 Series A-1 Bonds, including all the underlying obligations, are not exempt from registration under or other requirements of the Securities Act of 1933, as amended and as then in effect, or the Securities Exchange Act of 1934, as amended and as then in effect, or that the Resolutions are not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended and as then in effect;

(v) Any event shall have occurred, or information become known, which, in the Underwriters' reasonable opinion, makes untrue in any material respect any statement or information contained in this Official Statement or the Updated Official Statement (as defined below) as originally circulated, or has the effect that the Official Statement or the Updated Official Statement as originally circulated contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading;

(vi) A general suspension of trading in securities, or any material disruption in securities or clearance services, shall have occurred which, in the Underwriter's reasonable opinion, materially adversely affects the ability of the Underwriter to enforce confirmations of or contracts for the sale of the 2019 Series A-1 Bonds;

(vii) A general banking moratorium shall have been established by federal or New York authorities or any material disruption in commercial banking operations shall have occurred which, in the Underwriters' reasonable opinion, materially adversely affects the ability of the Underwriters to enforce confirmations of or contracts for the sale of the 2019 Series A-1 Bonds;

(viii) A war involving the United States shall have been declared, or any conflict involving the armed forces of the United States shall have escalated or any outbreak of hostilities, acts of terrorism, or other local, national or international calamity or crisis, shall have occurred that is not currently in existence or shall have escalated, or any other national emergency relating to the effective operation of government or the financial community shall have occurred or shall have escalated, which, in the Underwriters' reasonable opinion, materially adversely affects the ability of the Underwriters to enforce confirmations of or contracts for the sale of the 2019 Series A-1 Bonds;

(ix) for any reason, Bond Counsel will not be able to render its approving opinion;

(x) any rating of the 2019 Series A-1 Bonds, or the rating of any class of securities of the Corporation shall have been downgraded or withdrawn by a national rating service, which, in the Underwriters' reasonable opinion, materially adversely affects the market price of the 2019 Series A-1 Bonds; or

(xi) as a result of a Change in Law, the Underwriters are or would be prohibited from lawfully purchasing the 2019 Series A-1 Bonds as provided in the Forward Delivery Agreement or lawfully selling such Bonds or beneficial ownership interests therein to the public. For purposes of the preceding sentence, "Change in Law" means (i) any change in or addition to applicable federal or state law, whether statutory or as interpreted by the courts, including any changes in or new rules, regulations or other pronouncements or interpretations by federal or state agencies, (ii) any legislation enacted by the Congress of the United States or introduced therein or recommended for passage by the President of the United States (but only if such enacted, introduced or recommended legislation, by its terms, would apply to purchases or sales of the 2019 Series A-1 Bonds as provided in the Forward Delivery Agreement), (iii) any law, rule or regulation proposed or enacted by any governmental body, department or agency (but only if such proposed or enacted law, rule or regulation, by its terms, would apply to purchases or sales of the 2019 Series A-1 Bonds as provided in the Forward Delivery Agreement) or (iv) any judgment, ruling or order issued by any court or administrative body, which in any such case would, as to the Underwriters, prohibit (or have the retroactive effect of prohibiting, if enacted, adopted, passed or finalized) the Underwriters from purchasing the 2019 Series A-1 Bonds as provided in the Forward Delivery Agreement or selling the 2019 Series A-1 Bonds or beneficial ownership interests therein to the public; provided, however, that such change in or addition to law, legislation, law, rule or regulation or judgment, ruling or order shall have become effective, been enacted, introduced or recommended, been proposed or enacted or been issued, as the case may be, subsequent to the date of the Forward Delivery Agreement.

Corporation's Obligation to Update Certain Information in this Official Statement

In the Forward Delivery Agreement, the Corporation agrees that if between the date of this Official Statement and the Initial Closing Date, any event occurs which would cause the Official Statement to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading, and if in the opinion of the Corporation or the Underwriters such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Corporation will cause the Official Statement to be amended or supplemented in a form approved by the Underwriters and satisfactory to the Corporation.

Notwithstanding any prior amendments or supplements to this Official Statement made pursuant to the Forward Delivery Agreement, the Corporation has agreed in the Forward Delivery Agreement that it will prepare an updated Official Statement relating to the 2019 Series A-1 Bonds (the "Updated Official Statement") dated a date [not more than two weeks][not more than twenty-five days and not less than ten days] prior to the Delayed Delivery Closing Date relating to the 2019 Series A-1 Bonds in a form approved by the Underwriters and satisfactory to the Corporation. The Updated Official Statement, as of such date, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

Certain Considerations

Issuance and delivery of the 2019 Series A-1 Bonds will be dependent upon the receipt by the Corporation of the opinion of Bond Counsel in substantially the form set forth in Appendix 1-2 hereto and of certain other documents required by the Forward Delivery Agreement, and payment of the purchase

price by the Underwriters in accordance with the Forward Delivery Agreement.

Bond Counsel could be prevented from rendering its opinion on the Delayed Delivery Closing Date with respect to the 2019 Series A-1 Bonds as a result of (i) changes or proposed changes, prior to the Delayed Delivery Closing Date, in federal or New York state laws, court decisions, regulations or proposed regulations, or rulings of administrative agencies or (ii) the failure of the Corporation to provide closing documents, satisfactory to Bond Counsel, of the type customarily required in connection with the issuance of tax exempt bonds, such as certificates to the effect that the resolutions of the Corporation with respect to the issuance of the 2019 Series A-1 Bonds have not been amended or repealed in a manner detrimental to holders of the 2019 Series A-1 Bonds, by executive, legislative or administrative action.

Rating Risk. It is anticipated that the expected ratings on the 2019 Series A-1 Bonds will be confirmed by certain rating agencies at the Initial Closing Date. No assurance can be given that at the Delayed Delivery Closing Date of the 2019 Series A-1 Bonds such ratings will continue to be in effect. As described above, the Underwriters may terminate the Forward Delivery Agreement if prior to the Delayed Delivery Closing Date any rating of the 2019 Series A-1 Bonds, or the rating of any class of securities of the Corporation shall have been downgraded or withdrawn by a national rating service, which, in the Underwriters' reasonable opinion, materially adversely affects the market price of the 2019 Series A-1 Bonds. See "RATINGS" herein.

Secondary Market Risk. The Underwriters are not obligated to make a secondary market in the 2019 Series A-1 Bonds and no assurance can be given that a secondary market will exist for the 2019 Series A-1 Bonds, including prior to the Delayed Delivery Closing Date. Prospective purchasers of the 2019 Series A-1 Bonds should assume that there will be no secondary market prior to the Delayed Delivery Closing Date.

Market Value Risk. The market value of the 2019 Series A-1 Bonds as of the Delayed Delivery Closing Date may be affected by a variety of factors including, without limitation, general market conditions, the ratings on the 2019 Series A-1 Bonds, the financial condition and business operations of the Corporation, an adverse change in the value of the security pledged to secure the Bonds and federal and state income tax and other laws. Thus, the market value of the 2019 Series A-1 Bonds on the Delayed Delivery Closing Date could be greater or less than the agreed purchase price. Neither the Corporation nor the Underwriters makes any representation as to the market value of the 2019 Series A-1 Bonds as of the Delayed Delivery Closing Date.

ADDITIONAL SECURITY FOR THE 2018 SERIES J BONDS

General

Payment of the principal or Redemption Price or Purchase Price, as applicable, of and interest on the 2018 Series J Bonds will be secured by the Revenues and assets pledged to such payment, including, without limitation, certain payments to be made under or with respect to the Mortgage Loans, and monies and/or Cash Equivalents held under the Debt Service Reserve Account. The 2018 Series J Bonds are being issued on a parity with and shall be entitled to the same benefit and security as other Bonds issued and to be issued under the General Resolution (other than Subordinate Bonds). See "SECURITY FOR THE BONDS" in Part II of this Official Statement. In addition to being secured by a pledge of the General Resolution, payment of the principal or Redemption Price or Purchase Price, as applicable, of and interest on the 2018 Series J Bonds will also be secured by certain accounts created under the 2018 Series J Supplemental Resolution securing only the 2018 Series J Bonds.

2018 Series J Bond Proceeds Account

Upon the issuance of the 2018 Series J Bonds, all of the proceeds of the sale of the 2018 Series J Bonds will be deposited in the 2018 Series J Bond Proceeds Account. The 2018 Series J Bond Proceeds Account is pledged solely to secure the 2018 Series J Bonds and no other Series of Bonds.

Amounts in the 2018 Series J Bond Proceeds Account may be expended from time to time only (i) to finance the 2018 Series J Mortgage Loans, (ii) to finance a loan to a developer (which is not secured by a mortgage and will not constitute a 2018 Series J Mortgage Loan), (iii) to purchase or redeem 2018 Series J Bonds as described in the 2018 Series J Supplemental Resolution and (iv) to pay principal of and interest on the 2018 Series J Bonds when due, to the extent amounts in the 2018 Series J Revenue Account established for the 2018 Series J Bonds pursuant to the 2018 Series J Supplemental Resolution (the "2018 Series J Revenue Account"), the Revenue Account and the 2018 Series J Redemption Account are insufficient for such purpose. The Corporation may not withdraw money from the 2018 Series J Bond Proceeds Account in connection with the making of a 2018 Series J Mortgage Loan unless: (i) the Corporation delivers to the Trustee a Cash Flow Statement or a Cash Flow Certificate and (ii) the amount remaining in the 2018 Series J Bond Proceeds Account and the 2018 Series J Redemption Account after a withdrawal is at least equal to the principal amount of the 2018 Series J Bonds that have not been converted to another interest rate mode or redeemed during the 2018 Series J Term Rate Term. It is expected that the Corporation will apply amounts in the 2018 Series J Bond Proceeds Account to make the 2018 Series J Mortgage Loans on or before [_____] *.

The amounts accumulated for each Sinking Fund Payment may be applied by the Trustee, at the direction of the Corporation, prior to the forty-fifth (45th) day preceding the due date of such Sinking Fund Payment, to the purchase of the 2018 Series H Bonds to be redeemed from such Sinking Fund Payments, at prices (including any brokerage and other charges) not exceeding the applicable Redemption Price, plus accrued interest to the date of purchase; provided, however, that the purchase of such 2018 Series H Bonds may, to the extent permitted by law, be at prices exceeding the applicable Redemption Price if the Corporation files a Cash Flow Statement with the Trustee as provided in the General Resolution.

Upon the purchase or redemption of any 2018 Series H Bonds for which Sinking Fund Payments shall have been established, other than by application of Sinking Fund Payments, an amount equal to the principal amount of the 2018 Series H Bonds so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due with respect to the 2018 Series H Bonds of such maturity and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer at the time of such purchase or redemption.

Provisions with Respect to Redemption of 2018 Series H Bonds

Selection of 2018 Series H Bonds to be Redeemed

Subject to the redemption requirements set forth in the applicable 2018/2019 Supplemental Resolution, in the event of a redemption of 2018 Series H Bonds in connection with Recoveries of Principal, the maturity or maturities, CUSIP Numbers and the amount thereof to be so redeemed shall be selected as directed by the Corporation in written instructions filed with the Trustee accompanied by a Cash Flow Statement. In the absence of such direction, (i) 2018 Series H Bonds subject to redemption shall be redeemed in connection with Recoveries of Principal derived from or with respect to the Mortgage Loans financed from or allocated to such 2018 Series H Bonds and (ii) 2018 Series H Bonds of each maturity subject to redemption shall be redeemed in the proportion that the amount Outstanding of each such maturity bears to the total amount of all Outstanding 2018 Series H Bonds. The maturities of 2018 Series H Bonds to be redeemed at the option of the Corporation shall be selected as directed by the Corporation. In the event of a redemption of less than all of the 2018 Series H Bonds of the same maturity and CUSIP Number, the Trustee shall select the 2018 Series H Bonds to be redeemed by lot, using such method of selection as it shall deem proper in its sole discretion. Notwithstanding anything to the contrary contained in the General Resolution or the applicable 2018/2019 Supplemental Resolution, no 2018 Series H Bond shall be selected for redemption if the portion of such 2018 Series H Bond remaining after such redemption would not be in a denomination authorized by the General Resolution or the applicable 2018/2019 Supplemental Resolution.

Corporation's Right to Purchase 2018 Series H Bonds

The Corporation retains the right to purchase any 2018 Series H Bonds, at such times, in such amounts and at such prices as the Corporation shall determine, subject to the provisions of the General Resolution, and, thereby, reduce its obligations, including Sinking Fund Payments, if any, for such 2018 Series H Bonds. See "SECURITY FOR THE BONDS—Cash Flow Statements and Cash Flow Certificates" in Part II of this Official Statement.

Notice of Redemption

When the Trustee receives notice from the Corporation of its election or direction to redeem 2018 Series H Bonds, or is otherwise required to redeem 2018 Series H Bonds, the Trustee will give notice, in the name of the Corporation, of the redemption of such 2018 Series H Bonds or portions thereof. Such notice will specify the maturities of the 2018 Series H Bonds to be redeemed, the Redemption Date, any conditions precedent to such redemption and the place or places where amounts due upon such redemption will be payable. Not less than twenty (20) days before the Redemption Date for the 2018 Series H Bonds (other than a Redemption Date that is also a mandatory tender date), the Trustee is to mail a copy of such notice to the registered owners of any 2018 Series H Bonds or portions thereof which are to be redeemed, at their last addresses appearing upon the registry books. Interest will not be payable on any 2018 Series H Bonds or portions thereof after the Redemption Date if notice has been given and if sufficient monies have been deposited with the Trustee to pay the principal or applicable Redemption Price of and interest on such 2018 Series H Bonds on such date and all conditions precedent, if any, to such redemption shall have been satisfied.

Provisions with Respect to Tender of 2018 Series H Bonds

No liquidity facility has been obtained to pay the Purchase Price of any 2018 Series H Bonds that are tendered and not remarketed or redeemed, and the Corporation will be obligated to pay the Purchase Price of those 2018 Series H Bonds only from monies available from and held under the General Resolution. Failure to pay the Purchase Price of the 2018 Series H Bonds constitutes a 2018 Series H Event of Default under the 2018 Series H Supplemental Resolution but does not, in and of itself, constitute an Event of Default under the General Resolution. The 2018 Series H Supplemental Resolution provides that upon such 2018 Series H Event of Default the Trustee shall proceed to bring suit on behalf of the owners of the 2018 Series H Bonds for such Purchase Price, with recovery limited to moneys available under the General Resolution. Failure to pay the unpaid principal amount and accrued interest on the 2018 Series H Bonds upon their maturity constitutes an Event of Default under the General Resolution.

The Trustee is required to deliver, or mail by first class mail, postage prepaid, to the owner of each 2018 Series H Bond subject to mandatory tender for purchase, at its address shown on the registration books of the Corporation held by the Trustee, a notice not later than twenty (20) days prior to the mandatory tender date. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, that such owners shall be deemed to have tendered their affected 2018 Series H Bonds for purchase on such mandatory tender date, and the Purchase Price for such 2018 Series H Bonds.

Owners of affected 2018 Series H Bonds shall be required to tender their affected 2018 Series H Bonds to the Tender Agent for purchase at the applicable Purchase Price on the mandatory tender date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any 2018 Series H Bonds not so delivered to the Tender Agent on or prior to the purchase date (the "Undelivered 2018 Series H Bonds") for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the applicable Purchase Price of such Undelivered 2018 Series H Bonds shall be deemed to have been purchased at the applicable Purchase Price on the mandatory tender date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2018 SERIES H BONDS TO DELIVER ITS AFFECTED 2018 SERIES H BONDS ON OR PRIOR TO THE MANDATORY TENDER DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE MANDATORY TENDER DATE) OTHER THAN THE APPLICABLE PURCHASE PRICE FOR SUCH UNDELIVERED 2018 SERIES H BONDS, AND ANY UNDELIVERED 2018 SERIES H

BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTIONS, EXCEPT FOR THE PAYMENT OF THE APPLICABLE PURCHASE PRICE THEREFOR.

If, following the provision of notice of mandatory tender for purchase of the 2018 Series H Bonds, the Trustee receives notice from the Corporation that such purchase cannot be effected or is canceled, the mandatory tender shall be canceled. The Trustee shall promptly deliver or mail by first class mail, postage prepaid, a notice to the owners of the 2018 Series H Bonds stating that such mandatory tender shall not occur (and the reasons therefor) and shall be canceled.

The maturities of 2018 Series H Bonds to be subject to mandatory tender at the option of the Corporation shall be selected as directed by the Corporation. If only a portion of the 2018 Series H Bonds of the same maturity and CUSIP Number are to be subject to mandatory tender for purchase, such 2018 Series H Bonds to be tendered (which shall be in authorized denominations) shall be selected by the Trustee by lot, using such method as it shall determine in its sole discretion except that the Trustee shall not select any 2018 Series H Bond for tender which would result in any remaining 2018 Series H Bond not being in an authorized denomination as provided in the Resolutions.

The amounts accumulated for each Sinking Fund Payment may be applied by the Trustee, at the direction of the Corporation, prior to the forty-fifth (45th) day preceding the due date of such Sinking Fund Payment, to the purchase of the 2019 Series A-1 Bonds to be redeemed from such Sinking Fund Payments, at prices (including any brokerage and other charges) not exceeding the applicable Redemption Price, plus accrued interest to the date of purchase; provided, however, that the purchase of such 2019 Series A-1 Bonds may, to the extent permitted by law, be at prices exceeding the applicable Redemption Price if the Corporation files a Cash Flow Statement with the Trustee as provided in the General Resolution.

Upon the purchase or redemption of any 2019 Series A-1 Bonds for which Sinking Fund Payments shall have been established, other than by application of Sinking Fund Payments, an amount equal to the principal amount of the 2019 Series A-1 Bonds so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due with respect to the 2019 Series A-1 Bonds of such maturity and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer at the time of such purchase or redemption.

Provisions with Respect to Redemption of 2019 Series A-1 Bonds

Selection of 2019 Series A-1 Bonds to be Redeemed

Subject to the redemption requirements set forth in the applicable 2018/2019 Supplemental Resolution, in the event of a redemption of 2019 Series A-1 Bonds in connection with Recoveries of Principal, the maturity or maturities, CUSIP Numbers and the amount thereof to be so redeemed shall be selected as directed by the Corporation in written instructions filed with the Trustee accompanied by a Cash Flow Statement. In the absence of such direction, (i) 2019 Series A-1 Bonds subject to redemption shall be redeemed in connection with Recoveries of Principal derived from or with respect to the Mortgage Loans financed from or allocated to such 2019 Series A-1 Bonds and (ii) 2019 Series A-1 Bonds of each maturity subject to redemption shall be redeemed in the proportion that the amount Outstanding of each such maturity bears to the total amount of all Outstanding 2019 Series A-1 Bonds. The maturities of 2019 Series A-1 Bonds to be redeemed at the option of the Corporation shall be selected as directed by the Corporation. In the event of a redemption of less than all of the 2019 Series A-1 Bonds of the same maturity and CUSIP Number, the Trustee shall select the 2019 Series A-1 Bonds to be redeemed by lot, using such method of selection as it shall deem proper in its sole discretion. Notwithstanding anything to the contrary contained in the General Resolution or the applicable 2018/2019 Supplemental Resolution, no 2019 Series A-1 Bond shall be selected for redemption if the portion of such 2019 Series A-1 Bond remaining after such redemption would not be in a denomination authorized by the General Resolution or the applicable 2018/2019 Supplemental Resolution.

Corporation's Right to Purchase 2019 Series A-1 Bonds

The Corporation retains the right to purchase any 2019 Series A-1 Bonds, at such times, in such amounts and at such prices as the Corporation shall determine, subject to the provisions of the General Resolution, and, thereby, reduce its obligations, including Sinking Fund Payments, if any, for such 2019 Series A-1 Bonds. See "SECURITY FOR THE BONDS—Cash Flow Statements and Cash Flow Certificates" in Part II of this Official Statement.

Notice of Redemption

When the Trustee receives notice from the Corporation of its election or direction to redeem 2019 Series A-1 Bonds, or is otherwise required to redeem 2019 Series A-1 Bonds, the Trustee will give notice, in the name of the Corporation, of the redemption of such 2019 Series A-1 Bonds or portions thereof. Such notice will specify the maturities of the 2019 Series A-1 Bonds to be redeemed, the Redemption Date, any conditions precedent to such redemption and the place or places where amounts due upon such redemption will be payable. Not less than twenty (20) days before the Redemption Date for the 2019 Series A-1 Bonds (other than a Redemption Date that is also a mandatory tender date), the Trustee is to mail a copy of such notice to the registered owners of any 2019 Series A-1 Bonds or portions thereof which are to be redeemed, at their last addresses appearing upon the registry books. Interest will not be payable on any 2019 Series A-1 Bonds or portions thereof after the Redemption Date if notice has been given and if sufficient monies have been deposited with the Trustee to pay the principal or applicable Redemption Price of and interest on such 2019 Series A-1 Bonds on such date and all conditions precedent, if any, to such redemption shall have been satisfied.

Provisions with Respect to Tender of 2019 Series A-1 Bonds

No liquidity facility has been obtained to pay the Purchase Price of any 2019 Series A-1 Bonds that are tendered and not remarketed or redeemed, and the Corporation will be obligated to pay the Purchase Price of those 2019 Series A-1 Bonds only from monies available from and held under the

General Resolution. Failure to pay the Purchase Price of the 2019 Series A-1 Bonds constitutes a 2019 Series A-1 Event of Default under the 2019 Series A-1 Supplemental Resolution but does not, in and of itself, constitute an Event of Default under the General Resolution. The 2019 Series A-1 Supplemental Resolution provides that upon such 2019 Series A-1 Event of Default the Trustee shall proceed to bring suit on behalf of the owners of the 2019 Series A-1 Bonds for such Purchase Price, with recovery limited to moneys available under the General Resolution. Failure to pay the unpaid principal amount and accrued interest on the 2019 Series A-1 Bonds upon their maturity constitutes an Event of Default under the General Resolution.

The Trustee is required to deliver, or mail by first class mail, postage prepaid, to the owner of each 2019 Series A-1 Bond subject to mandatory tender for purchase, at its address shown on the registration books of the Corporation held by the Trustee, a notice not later than twenty (20) days prior to the mandatory tender date. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, that such owners shall be deemed to have tendered their affected 2019 Series A-1 Bonds for purchase on such mandatory tender date, and the Purchase Price for such 2019 Series A-1 Bonds.

Owners of affected 2019 Series A-1 Bonds shall be required to tender their affected 2019 Series A-1 Bonds to the Tender Agent for purchase at the applicable Purchase Price on the mandatory tender date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any 2019 Series A-1 Bonds not so delivered to the Tender Agent on or prior to the purchase date (the "Undelivered 2019 Series A-1 Bonds") for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the applicable Purchase Price of such Undelivered 2019 Series A-1 Bonds shall be deemed to have been purchased at the applicable Purchase Price on the mandatory tender date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2019 SERIES A-1 BONDS TO DELIVER ITS AFFECTED 2019 SERIES A-1 BONDS ON OR PRIOR TO THE MANDATORY TENDER DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE MANDATORY TENDER DATE) OTHER THAN THE APPLICABLE PURCHASE PRICE FOR SUCH UNDELIVERED 2019 SERIES A-1 BONDS, AND ANY UNDELIVERED 2019 SERIES A-1 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTIONS, EXCEPT FOR THE PAYMENT OF THE APPLICABLE PURCHASE PRICE THEREFOR.

If, following the provision of notice of mandatory tender for purchase of the 2019 Series A-1 Bonds, the Trustee receives notice from the Corporation that such purchase cannot be effected or is canceled, the mandatory tender shall be canceled. The Trustee shall promptly deliver or mail by first class mail, postage prepaid, a notice to the owners of the 2019 Series A-1 Bonds stating that such mandatory tender shall not occur (and the reasons therefor) and shall be canceled.

The maturities of 2019 Series A-1 Bonds to be subject to mandatory tender at the option of the Corporation shall be selected as directed by the Corporation. If only a portion of the 2019 Series A-1 Bonds of the same maturity and CUSIP Number are to be subject to mandatory tender for purchase, such 2019 Series A-1 Bonds to be tendered (which shall be in authorized denominations) shall be selected by the Trustee by lot, using such method as it shall determine in its sole discretion except that the Trustee shall not select any 2019 Series A-1 Bond for tender which would result in any remaining 2019 Series A-1 Bond not being in an authorized denomination as provided in the Resolutions.

DESCRIPTION OF THE 2018 SERIES J BONDS

General

The 2018 Series J Bonds will mature on the date and in the amount set forth on the inside cover pages of this Official Statement. The Bank of New York Mellon is the Trustee for the Bonds, including the 2018 Series J Bonds, and is the Tender Agent for the 2018 Series J Bonds.

The 2018 Series J Bonds will be dated the date of delivery thereof and will be issued as fully registered bonds in denominations of \$5,000 or in denominations of any whole multiple thereof. The 2018 Series J Bonds will bear interest from their dated date to but excluding [_____] (the "2018 Series J Term Rate Term") at the fixed rate set forth on the inside cover pages of this Official Statement (the "Term Rate"). During the 2018 Series J Term Rate Term, interest on the 2018 Series J Bonds will accrue from their dated date and be payable on [_____] and on any earlier mandatory tender or redemption date. See "Tender of 2018 Series J Bonds" and "Redemption Provisions for the 2018 Series J Bonds" below. Interest on the 2018 Series J Bonds will be computed on the basis of a 360-day year consisting of twelve 30-day months.

This Official Statement in general describes the 2018 Series J Bonds only while the 2018 Series J Bonds are in the 2018 Series J Term Rate Term.

Tender of 2018 Series J Bonds

The Corporation may direct that all or a portion of the 2018 Series J Bonds in the 2018 Series J Term Rate Term be subject to mandatory tender for purchase and converted to another interest rate mode (including to a fixed rate to maturity or a new Term Rate Term) on any Business Day at any time from and after [_____] to and including [_____] and, if not so converted, the 2018 Series J Bonds shall be subject to mandatory tender on [_____] at a purchase price equal to one hundred percent (100%) of the principal amount thereof (the "Purchase Price"). If only a portion of the 2018 Series J Bonds are to be subject to mandatory tender for purchase, the 2018 Series J Bonds to be tendered (which shall be in authorized denominations) shall be selected by the Trustee by lot, using such method as it shall determine in its sole discretion except that the Trustee shall not select any 2018 Series J Bond for tender which would result in any remaining 2018 Series J Bond not being in an authorized denomination as provided in the Resolutions. No liquidity facility has been obtained to pay the Purchase Price of any 2018 Series J Bonds that are tendered and not remarketed or redeemed, and the Corporation will be obligated to pay the Purchase Price of those 2018 Series J Bonds only from monies available from and held under the General Resolution and the 2018 Series J Supplemental Resolution. The Corporation expects that, so long as no Event of Default has occurred and is continuing, it will use the unexpended proceeds of the 2018 Series J Bonds to pay the Purchase Price of any 2018 Series J Bonds that are subject to mandatory tender for purchase and are not remarketed. See "PLAN OF FINANCING—General—2018 Series J Bonds." Failure to pay such Purchase Price of the 2018 Series J Bonds constitutes an event specified in the 2018 Series J Supplemental Resolution as a 2018 Series J Event of Default (a "2018 Series J Event of Default"). The 2018 Series J Supplemental Resolution provides that upon such 2018 Series J Event of Default the Trustee shall proceed to bring suit on behalf of the owners of the 2018 Series J Bonds for such Purchase Price, with recovery limited to moneys available under the Resolutions. In connection with the making of a 2018 Series J Mortgage Loan, the Corporation will be required to deliver to the Trustee a Cash Flow Statement or a Cash Flow Certificate. See "SECURITY FOR THE BONDS—Cash Flow Statements and Cash Flow Certificates" in Part II of this Official Statement. Such Cash Flow Statement or Cash Flow Certificate with respect to the 2018 Series J Bonds will also be required to demonstrate that

* Preliminary, subject to change.

the amount of cash or Cash Equivalents on deposit in the 2018 Series J Bond Proceeds Account and the 2018 Series J Redemption Account following the making of such 2018 Series J Mortgage Loan is at least equal to the principal amount of the 2018 Series J Bonds remaining in the 2018 Series J Term Rate Term.

The Trustee is required to deliver, or mail by first class mail, postage prepaid, to the owner of each 2018 Series J Bond subject to mandatory tender for purchase, at its address shown on the registration books of the Corporation held by the Trustee, a notice not later than fifteen (15) days prior to the mandatory tender date. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, that such owners shall be deemed to have tendered their affected 2018 Series J Bonds for purchase on such mandatory tender date, and the Purchase Price for such 2018 Series J Bonds.

Owners of affected 2018 Series J Bonds shall be required to tender their affected 2018 Series J Bonds to the Tender Agent for purchase at the Purchase Price on the mandatory tender date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power of attorney endorsed in blank. Any 2018 Series J Bonds not so delivered to the Tender Agent on or prior to the purchase date (the "Undelivered 2018 Series J Bonds") for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2018 Series J Bonds shall be deemed to have been purchased at the Purchase Price on the mandatory tender date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2018 SERIES J BONDS TO DELIVER ITS AFFECTED 2018 SERIES J BONDS ON OR PRIOR TO THE MANDATORY TENDER DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE MANDATORY TENDER DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2018 SERIES J BONDS, AND ANY UNDELIVERED 2018 SERIES J BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE RESOLUTIONS, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

Redemption Provisions for the 2018 Series J Bonds

The 2018 Series J Bonds are subject to optional redemption prior to maturity, as described below.

Optional Redemption

The 2018 Series J Bonds are subject to redemption, at the option of the Corporation, from any source of funds, in whole or in part, on and after [_____]*, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2018 Series J Bonds or portions thereof to be redeemed, plus accrued interest to the Redemption Date.

Selection of 2018 Series J Bonds to be Redeemed

The 2018 Series J Bonds to be redeemed in accordance with the optional redemption provisions described above shall be selected as directed by the Corporation. In the event of redemption of less than all of the 2018 Series J Bonds, the Trustee shall select the 2018 Series J Bonds to be redeemed by lot, using such method of selection as it shall deem proper in its sole discretion. Notwithstanding anything to the contrary contained in the General Resolution or the 2018 Series J Supplemental Resolution, no 2018 Series J Bond shall be selected for redemption if the portion of such 2018 Series J Bond remaining after such redemption would not be in a denomination authorized by the General Resolution or the 2018 Series J Supplemental Resolution.

* Preliminary, subject to change.

Corporation's Right to Purchase 2018 Series J Bonds

The Corporation retains the right to purchase any 2018 Series J Bonds, at such times, in such amounts and at such prices as the Corporation shall determine, subject to the provisions of the General Resolution, and, thereby, reduce its obligations for such 2018 Series J Bonds. See "SECURITY FOR THE BONDS—Cash Flow Statements and Cash Flow Certificates" in Part II of this Official Statement.

Notice of Redemption

When the Trustee receives notice from the Corporation of its election or direction to redeem 2018 Series J Bonds, or is otherwise required to redeem 2018 Series J Bonds, the Trustee will give notice, in the name of the Corporation, of the redemption of such 2018 Series J Bonds or portions thereof. Such notice will specify the 2018 Series J Bonds to be redeemed, the Redemption Date, any conditions precedent to such redemption and the place or places where amounts due upon such redemption will be payable. Not less than fifteen (15) days before the Redemption Date for such 2018 Series J Bonds (other than a Redemption Date that is also a mandatory tender date), the Trustee is to mail a copy of such notice to the registered owners of any 2018 Series J Bonds or portion thereof which are to be redeemed, at their last addresses appearing upon the registry books. Interest will not be payable on any 2018 Series J Bonds or portions thereof after the Redemption Date if notice has been given and if sufficient monies have been deposited with the Trustee to pay the principal or applicable Redemption Price of and interest on such 2018 Series J Bonds on such date and all conditions precedent, if any, to such redemption shall have been satisfied.

BOOK-ENTRY ONLY SYSTEM

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the 2018/2019 Bonds. The 2018/2019 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2018/2019 Bond certificate will be issued for each Series and maturity of the 2018/2019 Bonds, totaling in the aggregate the principal amount of the 2018/2019 Bonds of each Series, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million U.S. and non-U.S. equity issues, corporate and municipal debt issues and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions, in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants," and together with Direct Participants, "Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of the 2018/2019 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2018/2019 Bonds on DTC's records. The ownership interest of each actual purchaser of each 2018/2019 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase; Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2018/2019 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the 2018/2019 Bonds, except in the event that use of the book-entry system for the 2018/2019 Bonds is discontinued.

To facilitate subsequent transfers, all 2018/2019 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the 2018/2019 Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2018/2019 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2018/2019 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of a Series, maturity and CUSIP number of the 2018/2019 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series, maturity and CUSIP number of the 2018/2019 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2018/2019 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Corporation as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the 2018/2019 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the 2018/2019 Bonds will be made to Cede & Co. or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Corporation or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Underwriters, the Trustee, or the Corporation, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Corporation or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

The requirement for physical delivery of the 2018 Series H Bonds, the 2018 Series J Bonds and the 2019 Series A-1 Bonds in connection with a mandatory purchase will be deemed satisfied when the ownership rights in the 2018 Series H Bonds, the 2018 Series J Bonds or the 2019 Series A-1 Bonds, as applicable, are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered 2018 Series H Bonds, 2018 Series J Bonds or 2019 Series A-1 Bonds to the Tender Agent's DTC account.

DTC may discontinue providing its services as securities depository with respect to a Series of the 2018/2019 Bonds at any time by giving reasonable notice to the Corporation or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, 2018/2019 Bond certificates of such Series are required to be printed and delivered. The Corporation may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, the applicable 2018/2019 Bond certificates will be printed and delivered to DTC.

The information herein concerning DTC and DTC's book-entry system has been obtained from sources that the Corporation and the Underwriters believe to be reliable, but neither the Corporation nor the Underwriters take any responsibility for the accuracy thereof.

Each person for whom a Participant acquires an interest in the 2018/2019 Bonds of a Series, as nominee, may desire to make arrangements with such Participant to receive a credit balance in the records of such Participant, and may desire to make arrangements with such Participant to have all notices of redemption or other communications to DTC, which may affect such persons, to be forwarded in writing by such Participant and to have notification made of all interest payments. NEITHER THE CORPORATION, THE UNDERWRITERS NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO SUCH PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE 2018/2019 BONDS OF SUCH SERIES.

So long as Cede & Co. is the registered owner of the 2018/2019 Bonds of a Series, as nominee for DTC, references herein to Bondholders or registered owners of the 2018/2019 Bonds of such Series (other than under the heading "TAX MATTERS" herein) shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of the 2018/2019 Bonds of such Series.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the Trustee to DTC only.

For every transfer and exchange of 2018/2019 Bonds of a Series, the Beneficial Owner may be charged a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto.

The Corporation, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the 2018/2019 Bonds of a Series if the Corporation determines that (i) DTC is unable to discharge its responsibilities with respect to the 2018/2019 Bonds of such Series, or (ii) a continuation of the requirement that all of the Bonds Outstanding be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interests of the Beneficial Owners. In the event that no substitute securities depository is found by the Corporation or restricted registration is no longer in effect, the applicable 2018/2019 Bond certificates will be delivered as described in the Resolutions.

NONE OF THE CORPORATION, THE UNDERWRITERS NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, TO INDIRECT PARTICIPANTS, OR TO ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (II) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2018/2019 BONDS UNDER THE RESOLUTIONS; (III) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2018/2019 BONDS; (IV) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2018/2019 BONDS; (V) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF THE 2018/2019 BONDS; OR (VI) ANY OTHER MATTER.

TAX MATTERS

Opinion of Bond Counsel to the Corporation

In the opinion of Bond Counsel to the Corporation, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the 2018 Series H Bonds, the 2018 Series J Bonds and the 2019 Series A-1 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), except that no opinion is expressed as to such exclusion of interest on any 2018 Series H Bond, 2018 Series J Bond or 2019 Series A-1 Bond for any period during which such 2018 Series H Bond, 2018 Series J Bond or 2019 Series A-1 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a “substantial user” of the facilities financed with the proceeds of the

2018 Series H Bonds, the 2018 Series J Bonds or the 2019 Series A-1 Bonds, respectively, or a “related person” and (ii) interest on the 2018 Series H Bonds, the 2018 Series J Bonds and the 2019 Series A-1 Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code and is not included in the adjusted current earnings of corporations for purposes of calculating the alternative minimum tax. In rendering such opinion, Bond Counsel to the Corporation has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagors (as defined in the General Resolution) of the 2018 Series H Mortgage Loans, the 2019 Series A Mortgage Loans and others in connection with the issuance of the 2018 Series H Bonds, the 2018 Series J Bonds and the 2019 Series A-1 Bonds, and Bond Counsel to the Corporation has assumed compliance by the Corporation, such Mortgagors and the Mortgagors of the 2018 Series J Mortgage Loans with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2018 Series H Bonds, the 2018 Series J Bonds and the 2019 Series A-1 Bonds from gross income under Section 103 of the Code. In the opinion of Bond Counsel to the Corporation, interest on the 2018 Series I Bonds is included in gross income for Federal income tax purposes pursuant to the Code.

In addition, in the opinion of Bond Counsel to the Corporation, under existing statutes, interest on the 2018/2019 Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York).

Bond Counsel to the Corporation expresses no opinion regarding any other Federal or state tax consequences with respect to the 2018/2019 Bonds. Bond Counsel to the Corporation renders its opinion under existing statutes and court decisions as of the issue date and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. Bond Counsel to the Corporation expresses no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2018 Series H Bonds, the 2018 Series J Bonds and the 2019 Series A-1 Bonds or the exemption from personal income taxes of interest on the 2018/2019 Bonds under state and local tax law.

Summary of Certain Federal Tax Requirements

Under applicable provisions of the Code, the exclusion from gross income of interest on the 2018 Series H Bonds, the 2018 Series J Bonds and the 2019 Series A-1 Bonds (collectively, the “Tax-Exempt Bonds”) for purposes of Federal income taxation requires that either (i) at least 20% of the units in a Project financed by the Tax-Exempt Bonds be occupied during the “Qualified Project Period” (defined below) by individuals whose incomes, determined in a manner consistent with Section 8 of the United States Housing Act of 1937, as amended, do not exceed 50% of the median income for the area, as adjusted for family size, or (ii) at least 25% of the units in a Project financed by the Tax-Exempt Bonds be occupied during the “Qualified Project Period” by individuals whose incomes, determined in a manner consistent with Section 8 of the United States Housing Act of 1937, as amended, do not exceed 60% of the median income for the area, as adjusted for family size, and (iii) all of the units of each Project be rented or available for rental on a continuous basis during the Qualified Project Period. “Qualified Project Period” for each such Project means a period commencing upon the later of (a) occupancy of 10% of the units in each such Project or (b) the date of issue of the Tax-Exempt Bonds, and running until the later of (i) the date which is 15 years after occupancy of 50% of the units in each such Project, (ii) the first date on which no tax-exempt private activity bonds issued with respect to each such Project are outstanding or (iii) the date on which any assistance provided with respect to such Project under Section 8 of the 1937 Housing Act terminates. Such Project will meet the continuing low income requirement as long as the income of the individuals occupying a low income unit does not increase to more than 140% of the applicable limit. Upon an increase over 140% of the applicable limit, the next available unit of

comparable or smaller size in the Project must be rented to an individual having an income that does not exceed the applicable income limitation. An election may be made to treat a Project as a deep rent skewed project which requires that (i) at least 15% of the low income units in the Project be occupied during the Qualified Project Period by individuals whose income is 40% or less of the median income for the area, (ii) the gross rent of each low income unit in the Project not exceed 30% of the applicable income limit which applies to the individuals occupying the unit and (iii) the gross rent with respect to each low income unit in the Project not exceed one-half of the average gross rent with respect to units of comparable size which are not occupied by individuals who meet the applicable income limit. Under the deep rent skewing election, the Project will meet the continuing low income requirement as long as the income of the individuals occupying the unit does not increase to more than 170% of the applicable limit. Upon an increase over 170% of the applicable limit, the next available low income unit must be rented to an individual having an income of 40% or less of the area median income.

In the event of noncompliance with the requirements described in the preceding paragraph arising from events occurring after the issuance of the Tax-Exempt Bonds, the Treasury Regulations provide that the exclusion of interest on the Tax-Exempt Bonds from gross income for Federal income tax purposes will not be impaired if the Corporation takes appropriate corrective action within a reasonable period of time after such noncompliance is first discovered or should have been discovered by the Corporation.

Compliance and Additional Requirements

The Code establishes certain additional requirements which must be met subsequent to the issuance and delivery of the Tax-Exempt Bonds in order for interest on the Tax-Exempt Bonds to be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to the use and expenditure of the proceeds of the Tax-Exempt Bonds, yield and other limits regarding investments of the proceeds of the Tax-Exempt Bonds and other funds, and rebate of certain investment earnings on such amounts on a periodic basis to the United States.

The Corporation has covenanted in the Resolutions that it shall at all times do and perform all acts and things necessary or desirable in order to assure that interest paid on the Tax-Exempt Bonds shall be excluded from gross income for Federal income tax purposes. The Corporation has included provisions in its Tax Regulatory Certificate and has established procedures in order to assure compliance with the requirements which must be met subsequent to the issuance of the Tax-Exempt Bonds. In connection with the issuance of the Tax-Exempt Bonds, the Corporation has entered or will enter into Regulatory Agreements with the Mortgagors of the 2018 Series H Mortgage Loans, the 2018 Series J Mortgage Loans and the 2019 Series A Mortgage Loans to assure compliance with the Code. However, no assurance can be given that in the event of a breach of any such covenants, or noncompliance with the provisions, procedures or certifications set forth therein, the remedies available to the Corporation and/or the owners of the Tax-Exempt Bonds can be judicially enforced in such manner as to assure compliance with the above-described requirements and therefore to prevent the loss of the exclusion of interest from gross income for Federal income tax purposes. Any loss of such exclusion of interest from gross income may be retroactive to the date from which interest on the Tax-Exempt Bonds is payable.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral Federal income tax matters with respect to the Tax-Exempt Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a Tax-Exempt Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the Tax-Exempt Bonds.

Prospective owners of the Tax-Exempt Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security or railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and to taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the Tax-Exempt Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Information Reporting and Backup Withholding

Information reporting requirements will apply to interest paid on tax-exempt obligations, including the Tax-Exempt Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9 "Request for Taxpayer Identification Number and Certification," or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to "backup withholding," which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a "payor" generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Tax-Exempt Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Tax-Exempt Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner's Federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Tax-Exempt Bonds under Federal or state law or otherwise prevent beneficial owners of the Tax-Exempt Bonds from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) and such decisions could affect the market price or marketability of the Tax-Exempt Bonds.

Prospective purchasers of the Tax-Exempt Bonds should consult their own tax advisors regarding the foregoing matters.

Taxable Bonds

The following discussion is a brief summary of certain United States Federal income tax consequences of the acquisition, ownership and disposition of the 2018 Series I Bonds (the "Taxable Bonds") by original purchasers of the Taxable Bonds who are "U.S. Holders", as defined herein. This summary does not discuss all of the United States Federal income tax consequences that may be relevant to a holder in light of its particular circumstances or to holders subject to special rules.

Holders of the Taxable Bonds should consult with their own tax advisors concerning the United States Federal income tax and other consequences with respect to the acquisition, ownership and

disposition of the Taxable Bonds as well as any tax consequences that may arise under the laws of any state, local or foreign tax jurisdiction.

Disposition and Defeasance

Generally, upon the sale, exchange, redemption or other disposition (which would include a legal defeasance) of a Taxable Bond, a holder generally will recognize taxable gain or loss in an amount equal to the difference between the amount realized (other than amounts attributable to accrued interest not previously includable in income) and such holder's adjusted tax basis in the Taxable Bond. The Corporation may cause the deposit of moneys or securities in escrow in such amount and manner as to cause the Taxable Bonds to be deemed to be no longer outstanding under the Resolutions (a "defeasance"). (See "Appendix B—Summary of Certain Provisions of the General Resolution" in Part II of this Official Statement). For Federal income tax purposes, such defeasance could result in a deemed exchange under Section 1001 of the Code and a recognition by such owner of taxable income or loss, without any corresponding receipt of moneys. In addition, the character and timing of receipt of payments on the Taxable Bonds subsequent to any such defeasance could also be affected.

Backup Withholding and Information Reporting

In general, information reporting requirements will apply to non-corporate holders of the Taxable Bonds with respect to payments of principal, payments of interest and the proceeds of the sale of a Taxable Bond before maturity within the United States. Backup withholding may apply to holders of Taxable Bonds under Section 3406 of the Code. Any amounts withheld under the backup withholding rules from a payment to a beneficial owner, and which constitutes over-withholding, would be allowed as a refund or a credit against such beneficial owner's United States Federal income tax provided the required information is furnished to the Service.

U.S. Holders

The term "U.S. Holder" means a beneficial owner of a Taxable Bond that is: (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or of any political subdivision thereof, (iii) an estate the income of which is subject to United States Federal income taxation regardless of its source or (iv) a trust whose administration is subject to the primary jurisdiction of a United States court and which has one or more United States fiduciaries who have the authority to control all substantial decisions of the trust.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or state level, may adversely affect the tax-exempt status of interest on the Taxable Bonds under state law and could affect the market price or marketability of the Taxable Bonds.

Prospective purchasers of the Taxable Bonds should consult their own tax advisors regarding the foregoing matters.

NO LITIGATION

At the time of delivery and payment for the 2018/2019 Bonds, the Corporation will deliver, or cause to be delivered, a Certificate of the Corporation substantially to the effect that there is no litigation or other proceeding of any nature now pending or threatened against or adversely affecting the Corporation of which the Corporation has notice or, to the Corporation's knowledge, any basis therefor,

seeking to restrain or enjoin the issuance, sale, execution or delivery of the 2018/2019 Bonds, or in any way contesting or affecting the validity of the 2018/2019 Bonds, the Resolutions, the Disclosure Agreement (as defined below), any investment agreement related to the 2018/2019 Bonds or any proceedings of the Corporation taken with respect to the issuance or sale of the 2018/2019 Bonds, or the financing of the 2018 Series H Mortgage Loans or the 2018 Series I Mortgage Loans, or the redemption of any outstanding bonds resulting directly or indirectly from the issuance of the 2018/2019 Bonds, or the pledge, collection or application of any monies or security provided for the payment of the 2018/2019 Bonds, or the existence, powers or operations of the Corporation, or contesting in any material respect the completeness or accuracy of the Official Statement or any supplement or amendment thereto, if any.

Certain legal matters will be passed upon for the Corporation by its General Counsel. Certain legal matters will be passed upon for the Underwriters by their Counsel, Orrick, Herrington & Sutcliffe LLP, New York, New York.

CONTINUING DISCLOSURE

In order to assist the Underwriters in complying with the provisions of paragraph (b)(5) of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended ("Rule 15c2-12"), the Corporation and the Trustee will enter into a written agreement for the benefit of the holders of the 2018/2019 Bonds (the "Disclosure Agreement") to provide continuing disclosure. The Corporation will undertake in the Disclosure Agreement to provide to the Municipal Securities Rulemaking Board ("MSRB"), on an annual basis on or before 150 days after the end of each fiscal year of the Corporation commencing with the fiscal year ended October 31, 2018 certain financial information and operating data, referred to herein as "Corporation Annual Information," including, but not limited to annual financial statements of the Corporation. In addition, the Corporation will undertake in the Disclosure Agreement, for the benefit of the holders of the 2018/2019 Bonds, to provide to the MSRB, in a timely manner (not in excess of ten (10) Business Days after the occurrence of the event), the notices required to be provided by Rule 15c2-12 and described below. With regard to each Series of Bonds issued under the General Resolution for which an underwriter has an obligation under Rule 15c2-12, the Corporation has entered into agreements substantially identical to the Disclosure Agreement.

The Corporation Annual Information shall consist of the following: (a) financial information and operating data of the Corporation prepared in conformity with accounting principles generally accepted in the United States and audited by an independent firm of certified public accountants in accordance with auditing standards generally accepted in the United States; provided, however, that if audited financial statements are not available in accordance with the dates described above, unaudited financial statements shall be provided and such audited financial statements shall be delivered to the MSRB when they become available; (b) a statement setting forth the amount on deposit in the Debt Service Reserve Account; (c) financial information and operating data of the type set forth in Part II of this Official Statement under the headings or subheadings "BONDS OUTSTANDING UNDER THE PROGRAM," "SECURITY FOR THE BONDS—Cash Flow Statements and Cash Flow Certificates," "SECURITY FOR THE BONDS—Summary of Program Assets and Revenues," "SECURITY FOR THE BONDS—Liquidity Facilities for Bonds Bearing Variable Rates of Interest" (chart only), "THE PROGRAM—Mortgage Loans" (charts only), "Appendix D—Activities of the Corporation," "Appendix E-1—Developments and Mortgage Loans Outstanding under the Program," "Appendix E-2—Mortgage Loan Prepayment Provisions" (chart only), "Appendix E-3—Permanent Mortgage Loan Physical Inspection Ratings" (chart only), "Appendix E-4—Cross-Call Provisions and Related Information," "Appendix F-1—Certain Investments under the General Resolution," "Appendix F-2—Interest Rate Hedge Agreements," "Appendix G—Description of Supplemental Security and Subsidy Programs—Supplemental Security—Long-term LOCs" (chart only) and "Appendix G—Description of Supplemental Security and Subsidy Programs—Supplemental Security—Construction LOCs" (chart only); and (d) the information regarding amendments to the Disclosure Agreement required pursuant thereto, together with (e) such narrative explanation as may be necessary to avoid misunderstanding and to assist the reader in understanding the presentation of financial information and operating data concerning the Corporation and in judging the financial information about the Corporation.

Pursuant to the Disclosure Agreement, the Corporation will undertake to use its best efforts to provide to the MSRB, on an annual basis on or before 150 days after the end of each fiscal year of any Mortgagor whose payment obligations due under its Mortgage Note equals or exceeds twenty percent (20%) of the aggregate payment obligations due under all outstanding Mortgage Notes (a "Major Obligated Mortgagor"), certain financial information and operating data, referred to herein as "Mortgagor Annual Information," including, but not limited to, annual financial statements of such Major Obligated Mortgagor, prepared in accordance with generally accepted accounting principles and audited by an independent firm of certified public accountants in accordance with generally accepted auditing standards if so required by the applicable Mortgage; provided, however, that if audited financial statements are required but not available in accordance with the dates described above, unaudited financial statements shall be provided and such audited financial statements shall be delivered to the MSRB when they become available. Currently, there are no Major Obligated Mortgagors.

The notices required to be provided by Rule 15c2-12, which the Corporation will undertake to provide as described above, include notices of any of the following events with respect to the 2018/2019 Bonds: (1) principal and interest payment delinquencies; (2) nonpayment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the 2018/2019 Bonds or other material events affecting the tax status of the 2018/2019 Bonds; (7) modification to the rights of holders of 2018/2019 Bonds, if material; (8) 2018/2019 Bond calls, if material, and tender offers; (9) defeasances of all or a portion of the 2018/2019 Bonds; (10) the release, substitution or sale of property securing repayment of the 2018/2019 Bonds, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar events of the Corporation or a Major Obligated Mortgagor; (13) the consummation

of a merger, consolidation or acquisition involving the Corporation or a Major Obligated Mortgagor or the sale of all or substantially all of the assets of the Corporation or a Major Obligation Mortgagor, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (14) appointment of a successor or additional trustee or the change of name of a trustee, if material; and to the MSRB, in a timely manner, notice of a failure by the Corporation to provide the Corporation Annual Information or the Mortgagor Annual Information required by the Disclosure Agreement.

In addition to the notices described above, the Corporation in the Disclosure Agreement has agreed to provide a notice to the MSRB regarding the making of a Mortgage Loan with the proceeds of the 2018/2019 Bonds in substitution for any of the Developments described under "PLAN OF FINANCING—2018 Series H Mortgage Loans" and "PLAN OF FINANCING—2018 Series I Mortgage Loans." The Corporation has agreed in the Disclosure Agreement to provide such notice to the MSRB on or before the date of the making of such substitution and to include in such notice information regarding such substitute Development and Mortgage Loan substantially similar to the information regarding other Developments contained under such heading. Because such notices are not required to be provided under Rule 15c2-12, failure to comply with this provision of the Disclosure Agreement will not constitute a failure to comply with an undertaking in a written agreement specified in paragraph (b)(5)(i) of Rule 15c2-12.

If any party to the Disclosure Agreement fails to comply with any provisions thereof, then the other party to the Disclosure Agreement and, as a direct or third party beneficiary, as the case may be, any holder of the 2018/2019 Bonds may enforce, for the equal benefit and protection of all holders similarly situated, by mandamus or other suit or proceeding at law or in equity, the Disclosure Agreement against such party and any of its officers, agents and employees, and may compel such party or any such officers, agents or employees to perform and carry out their duties thereunder; provided that the sole and exclusive remedy for breach or default under the Disclosure Agreement to provide the continuing disclosure described above is an action to compel specific performance of the undertakings contained therein, and no person or entity may recover monetary damages thereunder under any circumstances; provided, however, that the rights of any holder of 2018/2019 Bonds to challenge the adequacy of the information provided by the Corporation are conditioned upon the provisions of the General Resolution with respect to the enforcement of remedies of holders of the 2018/2019 Bonds upon the occurrence of an Event of Default described in the General Resolution. A breach or default under the Disclosure Agreement shall not constitute an Event of Default under the General Resolution. In addition, if all or any part of Rule 15c2-12 ceases to be in effect for any reason, then the information required to be provided under the Disclosure Agreement, insofar as the provisions of Rule 15c2-12 no longer in effect required the provision of such information, shall no longer be required to be provided. Beneficial Owners of the 2018/2019 Bonds are third-party beneficiaries of the Disclosure Agreement and, as such, are deemed to be holders of the 2018/2019 Bonds for the purposes of exercising remedies.

The foregoing undertakings are intended to set forth a general description of the type of financial information and operating data that will be provided; the descriptions are not intended to state more than general categories of financial information and operating data. Where an undertaking calls for information that no longer can be generated because the operations to which it related have been materially changed or discontinued, a statement to that effect will be provided. The Disclosure Agreement, however, may be amended or modified without the consent of the holders of the 2018/2019 Bonds under certain circumstances set forth in the Disclosure Agreement.

Copies of the Disclosure Agreement, when executed and delivered by the parties thereto on the date of the initial delivery of the 2018/2019 Bonds, will be on file at the office of the Corporation.

Under the Corporation's agreements to provide continuing disclosure with respect to prior Bonds issued under the General Resolution, during the past five years, the Corporation was on one occasion one day late in filing required Corporation annual financial information and on occasion has not timely linked to every applicable CUSIP number timely-filed Corporation annual financial information. In addition, on April 18, 2018, the Corporation was informed by S&P Global Ratings ("S&P") of a downgrade of the short-term rating assigned by S&P to the certain Series of Bonds, which downgrade occurred on February 20, 2018 as a result of the downgrade by S&P of the short-term issuer rating of the Liquidity Facility Provider with respect to such Bonds. The Corporation failed to timely file notice of such downgrade after the occurrence thereof, but did make such filing promptly upon receiving notice of the downgrade from S&P.

Under certain of the Corporation's agreements to provide continuing disclosure with respect to bonds issued under other bond resolutions, during the past five years, the Corporation (i) did not file annual financial statements for up to eight mortgagors when due, and did not file a required notice of such failure, in 2015, 2016 and 2017 (all such financial statements subsequently were filed in 2017), (ii) on five occasions was between one and five days late in filing required mortgagor annual financial statements or Corporation annual financial information, and (iii) on occasion has not timely linked to every applicable CUSIP number timely-filed mortgagor annual financial statements or Corporation annual financial information.

Pursuant to the General Resolution, the Corporation has covenanted to keep proper books of record and account in which full, true and correct entries will be made of all its dealings and transactions under the General Resolution, and to cause such books to be audited for each fiscal year. RELATING TO THE 2018 BONDS**

Upon delivery of the 2018/2019 Bonds, Hawkins Delafield & Wood LLP,
Bond Counsel to the Corporation, proposes to deliver its approving opinion
in substantially the following form:

NEW YORK CITY HOUSING
DEVELOPMENT CORPORATION
110 William Street
New York, New York 10038

Ladies and Gentlemen:

We, as bond counsel to the New York City Housing Development Corporation (the "Corporation"), a corporate governmental agency, constituting a public benefit corporation, organized and existing under and pursuant to the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law (Chapter 44-b of the Consolidated Laws of New York), as amended (the "Act"), have examined a record of proceedings relating to the issuance by the Corporation of \$_____ Multi-Family Housing Revenue Bonds, 2018 Series H (the "2018 Series H Bonds"), \$_____ Multi-Family Housing Revenue Bonds, 2018 Series I (the "2018 Series I Bonds") and \$_____ Multi-Family Housing Revenue Bonds, 2018 Series J (the "2018 Series J Bonds"; the 2018 Series H Bonds, the 2018 Series I Bonds and the 2018 Series J Bonds being collectively referred to as the "2018 Bonds").

The 2018 Bonds are authorized to be issued pursuant to the Act, the Multi-Family Housing Revenue Bonds Bond Resolution of the Corporation, adopted July 27, 1993, as amended (the "General Resolution"), with respect to the 2018 Series H Bonds, the Two Hundred Seventieth Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds, 2018 Series H of the Corporation, adopted [____], 2018, with respect to the 2018 Series I Bonds, the Two Hundred Seventy-First Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds, 2018 Series I of the Corporation, adopted [____], 2018, and with respect to the 2018 Series J Bonds, the Two Hundred Seventy-Second Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds, 2018 Series J of the Corporation, adopted [____], 2018 (collectively, the "Supplemental Resolutions"; the General Resolution and the Supplemental Resolutions being collectively referred to as the "Resolutions"). The 2018 Series H Bonds are being issued for the purpose of financing the 2018 Series H Mortgage Loans (as defined in the Resolutions). The 2018 Series I Bonds are being issued for the purpose of financing the 2018 Series I Mortgage Loans (as defined in the Resolutions). The 2018 Series J Bonds are being issued for the purpose of financing the 2018 Series J Mortgage Loans (as defined in the Resolutions).

The 2018 Bonds are dated, mature, are payable, bear interest and are subject to redemption as provided in the Resolutions.

We have not examined nor are we passing upon matters relating to the real and personal property referred to in the mortgages which are to secure the 2018 Bonds.

Upon the basis of the foregoing, we are of the opinion that:

1. The Corporation has been duly created and validly exists as a corporate governmental agency, constituting a public benefit corporation, under and pursuant to the laws of the State of New York (including the Act), and has good right and lawful authority, among other things, to finance the 2018 Series H Mortgage Loans, the 2018 Series I Mortgage Loans and the 2018 Series J Mortgage Loans, to provide sufficient funds therefor by the adoption of the Resolutions and the issuance and sale of the 2018

Bonds, and to perform its obligations under the terms and conditions of the Resolutions, as covenanted in the Resolutions.

2. The Resolutions have been duly adopted by the Corporation, are in full force and effect, and are valid and binding upon the Corporation and enforceable in accordance with their terms.

3. The 2018 Bonds have been duly authorized, sold and issued by the Corporation in accordance with the Resolutions and the laws of the State of New York (the "State"), including the Act.

4. The 2018 Bonds are valid and legally binding special revenue obligations of the Corporation payable solely from the revenues, funds or monies pledged for the payment thereof pursuant to the Resolutions, are enforceable in accordance with their terms and the terms of the Resolutions, and are entitled to the benefit, protection and security of the provisions, covenants and agreements of the Resolutions.

5. The 2018 Bonds are secured by a pledge in the manner and to the extent set forth in the Resolutions. The Resolutions create the valid pledge of and lien on the Revenues and all the Accounts established by the Resolutions and monies and securities therein, which the Resolutions purport to create, subject only to the provisions of the Resolutions permitting the use and application thereof for or to the purposes and on the terms and conditions set forth in the Resolutions.

6. The 2018 Bonds are not a debt of the State or The City of New York and neither is liable thereon, nor shall the 2018 Bonds be payable out of any funds other than those of the Corporation pledged for the payment thereof.

7. Under existing statutes and court decisions, (i) interest on the 2018 Series H Bonds and the 2018 Series J Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), except that no opinion is expressed as to such exclusion of interest on any 2018 H Bond or 2018 Series I Bond for any period during which such 2018 Series H Bond or 2018 Series I Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a "substantial user" of the facilities financed with the proceeds of the 2018 Series H Bonds or the 2018 Series I Bonds, respectively, or a "related person," and (ii) interest on the 2018 Series H Bonds and the 2018 Series I Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code and is not included in the adjusted current earnings of corporations for purposes of calculating the alternative minimum tax. In rendering this opinion, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation, the Mortgagors (as defined in the General Resolution) of the 2018 Series H Mortgage Loans and others in connection with the issuance of the 2018 Series H Bonds and the 2018 Series J Bonds, and we have assumed compliance by the Corporation and such Mortgagors with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2018 Series H Bonds and the 2018 Series J Bonds from gross income under Section 103 of the Code.

8. Interest on the 2018 Series I Bonds is included in gross income for Federal income tax purposes pursuant to the Code.

9. Under existing statutes, interest on the 2018 Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

We express no opinion regarding any other Federal or state tax consequences with respect to the 2018/2019 Bonds. We render this opinion under existing statutes and court decisions as of the issue date, and assume no obligation to update this opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross

income for Federal income tax purposes of interest on the 2018 Series H Bonds and the 2018 Series I Bonds, or the exemption from personal income taxes of interest on the 2018 Bonds under state and local tax law.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the 2018 Bonds and the Resolutions may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies heretofore or hereafter enacted and is subject to the general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We have examined an executed 2018 Series H Bond, an executed 2018 Series I Bond and an executed 2018 Series J Bond and in our opinion the forms of said Bonds and their execution are regular and proper.

Very truly yours,

RELATING TO THE 2019 SERIES A-1 BONDS**

Upon delivery of the 2019 Series A-1 Bonds, Hawkins Delafield & Wood LLP, Bond Counsel to the Corporation, proposes to deliver its approving opinion in substantially the following form:

NEW YORK CITY HOUSING
DEVELOPMENT CORPORATION
110 William Street
New York, New York 10038

Ladies and Gentlemen:

We, as bond counsel to the New York City Housing Development Corporation (the "Corporation"), a corporate governmental agency, constituting a public benefit corporation, organized and existing under and pursuant to the New York City Housing Development Corporation Act, Article XII of the Private Housing Finance Law (Chapter 44-b of the Consolidated Laws of New York), as amended (the "Act"), have examined a record of proceedings relating to the issuance by the Corporation of \$ _____ Multi-Family Housing Revenue Bonds, 2019 Series A-1 (the "2019 Series A-1 Bonds").

The 2018 Bonds are authorized to be issued pursuant to the Act, the Multi-Family Housing Revenue Bonds Bond Resolution of the Corporation, adopted July 27, 1993, as amended (the "General Resolution"), and the Two Hundred Seventy-Third Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds, 2019 Series A-1 of the Corporation, adopted [_____], 2018 (the "Supplemental Resolution"; the General Resolution and the Supplemental Resolution being collectively referred to as the "Resolutions"). The 2019 Series A-1 Bonds are being issued for the purpose of refunding the Prior Bonds (as defined in the Resolutions).

The 2019 Series A-1 Bonds are dated, mature, are payable, bear interest and are subject to redemption as provided in the Resolutions.

We have not examined nor are we passing upon matters relating to the real and personal property referred to in the mortgages which are to secure the 2019 Series A-1 Bonds.

Upon the basis of the foregoing, we are of the opinion that:

1. The Corporation has been duly created and validly exists as a corporate governmental agency, constituting a public benefit corporation, under and pursuant to the laws of the State of New York (including the Act), and has good right and lawful authority, among other things, to refund the Prior Bonds, to provide sufficient funds therefor by the adoption of the Resolutions and the issuance and sale of the 2019 Series A-1 Bonds, and to perform its obligations under the terms and conditions of the Resolutions, as covenanted in the Resolutions.

2. The Resolutions have been duly adopted by the Corporation, are in full force and effect, and are valid and binding upon the Corporation and enforceable in accordance with their terms.

3. The 2019 Series A-1 Bonds have been duly authorized, sold and issued by the Corporation in accordance with the Resolutions and the laws of the State of New York (the "State"), including the Act.

4. The 2019 Series A-1 Bonds are valid and legally binding special revenue obligations of the Corporation payable solely from the revenues, funds or monies pledged for the payment thereof pursuant to the Resolutions, are enforceable in accordance with their terms and the terms of the Resolutions, and are entitled to the benefit, protection and security of the provisions, covenants and agreements of the Resolutions.

5. The 2019 Series A-1 Bonds are secured by a pledge in the manner and to the extent set forth in the Resolutions. The Resolutions create the valid pledge of and lien on the Revenues and all the Accounts established by the Resolutions and monies and securities therein, which the Resolutions purport to create, subject only to the provisions of the Resolutions permitting the use and application thereof for or to the purposes and on the terms and conditions set forth in the Resolutions.

6. The 2019 Series A-1 Bonds are not a debt of the State or The City of New York and neither is liable thereon, nor shall the 2019 Series A-1 Bonds be payable out of any funds other than those of the Corporation pledged for the payment thereof.

7. Under existing statutes and court decisions, (i) interest on the 2019 Series A-1 Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), except that no opinion is expressed as to such exclusion of interest on any 2019 Series A-1 Bond for any period during which such 2019 Series A-1 Bond is held by a person who, within the meaning of Section 147(a) of the Code, is a "substantial user" of the facilities financed with the proceeds of the 2019 Series A-1 Bonds or a "related person," and (ii) interest on the 2019 Series A-1 Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code and is not included in the adjusted current earnings of corporations for purposes of calculating the alternative minimum tax. In rendering this opinion, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Corporation and others in connection with the issuance of the 2019 Series A-1 Bonds, and we have assumed compliance by the Corporation and the Mortgageors of the Mortgage Loans (as such terms are defined in the General Resolution) that were financed with the proceeds of the Prior Bonds with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2019 Series A-1 Bonds from gross income under Section 103 of the Code.

8. Under existing statutes, interest on the 2019 Series A-1 Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

We express no opinion regarding any other Federal or state tax consequences with respect to the 2019 Series A-1 Bonds. We render this opinion under existing statutes and court decisions as of the issue date, and assume no obligation to update this opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. We express no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the 2019 Series A-1 Bonds, or the exemption from personal income taxes of interest on the 2019 Series A-1 Bonds under state and local tax law.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the 2018 Bonds and the Resolutions may be limited by bankruptcy, insolvency and other laws affecting creditors' rights or remedies heretofore or hereafter enacted and is subject to the general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We have examined an executed 2019 Series A-1 Bond and in our opinion the forms of said Bonds and their execution are regular and proper.

Very truly yours,

FORM OF INVESTOR DELAYED DELIVERY CONTRACT FOR 2019 SERIES A-1 BONDS

Jefferies LLC,
as Representative of the Underwriters

Re: \$[_____] New York City Housing Development Corporation
Multi-Family Housing Revenue Bonds, 2019 Series A-1

The undersigned (the "Purchaser") hereby agrees to purchase from Jefferies LLC (the "Manager"), as representative of itself and the Underwriters set forth in the Forward Delivery Agreement (defined below) (the "Underwriters") when, as, and if issued and delivered to the Underwriters by the New York City Housing Development Corporation (the "Corporation"), and the Manager agrees to sell to the Purchaser:

<u>Par</u>	<u>Maturity Date</u>	<u>Interest Rate</u>	<u>CUSIP Number</u>	<u>Yield</u>	<u>Price</u>
------------	----------------------	----------------------	---------------------	--------------	--------------

of the above-referenced 2019 Series A-1 Bonds (the "Purchased 2019 Series A-1 Bonds") offered by the Corporation under the Preliminary Official Statement dated September [], 2018, and the Official Statement relating to the 2019 Series A-1 Bonds dated September __, 2018 (as further defined in the Forward Delivery Agreement, the "Official Statement"), at the purchase price and with the interest rates, principal amounts, and maturity dates shown above, and on the further terms and conditions set forth in this Investor Delayed Delivery Contract (the "Delayed Delivery Contract"). The 2019 Series A-1 Bonds are being purchased by the Underwriters pursuant to a Forward Delivery Bond Purchase Agreement dated September __, 2018 among the Corporation and the Underwriters (the "Forward Delivery Agreement"), which provides for an "Initial Closing" on or about October __, 2018. Capitalized terms used but not defined herein shall have the meanings ascribed thereto in the Forward Delivery Agreement or the Official Statement.

The Purchaser hereby confirms that it has reviewed the Preliminary Official Statement and will review the Official Statement (including without limitation the section entitled "DELAYED DELIVERY OF THE 2019 SERIES A-1 BONDS" therein), has considered the risks associated with purchasing the Purchased 2019 Series A-1 Bonds and is duly authorized to purchase the Purchased 2019 Series A-1 Bonds. The Purchaser further acknowledges and agrees that the Purchased 2019 Series A-1 Bonds are being sold on a "forward" basis, and the Purchaser hereby purchases and agrees to accept delivery of such 2019 Series A-1 Bonds from the Underwriters on or about February __, 2019 (the "Delayed Delivery Closing") as they may be issued and delivered in accordance with the Forward Delivery Agreement.

Payment for the Purchased 2019 Series A-1 Bonds shall be made to the Manager or upon its order on the date of the Delayed Delivery Closing upon delivery to the Purchaser of the Purchased 2019 Series A-1 Bonds through the book-entry system of The Depository Trust Company. The Purchaser

agrees that in no event shall the Underwriters be responsible or liable for any claim or loss, whether direct or consequential, which the Purchaser may suffer in the event the Corporation does not for any reason issue and deliver the Purchased 2019 Series A-1 Bonds.

Upon the Delayed Delivery Closing, the obligation of the Purchaser to take delivery of the Purchased 2019 Series A-1 Bonds hereunder shall be unconditional. The Purchaser may terminate its obligation to purchase the Purchased 2019 Series A-1 Bonds in the event that between the Initial Closing and the Delayed Delivery Closing, one of the following events (the "Termination Events") shall have occurred after the later of the Initial Closing or the date hereof, and the Purchaser has notified the Underwriters in writing as provided herein:

(1) as a result of a Change of Law (defined below), the Underwriters are or would be prohibited from lawfully purchasing the 2019 Series A-1 Bonds as provided in the Forward Delivery Agreement or lawfully selling such Bonds or beneficial ownership interests therein to the public;

(2) any event shall have occurred, or information become known, which, in the Underwriters' reasonable opinion, makes untrue in any material respect any statement or information contained in the Official Statement or the Updated Official Statement as originally circulated, or has the effect that the Official Statement or the Updated Official Statement as originally circulated contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading; or

(3) any rating of the 2019 Series A-1 Bonds, or the rating of any class of securities of the Corporation shall have been downgraded or withdrawn by a national rating service, which, in the Underwriters' reasonable opinion, materially adversely affects the market price of the 2019 Series A-1 Bonds.]

"Change of Law" means (i) any change in or addition to applicable federal or state law, whether statutory or as interpreted by the courts, including any changes in or new rules, regulations or other pronouncements or interpretations by federal or state agencies, (ii) any legislation enacted by the Congress of the United States or introduced therein or recommended for passage by the President of the United States (but only if such enacted, introduced or recommended legislation, by its terms, would apply to purchases or sales of the 2019 Series A-1 Bonds as provided in the Forward Delivery Agreement), (iii) any law, rule or regulation proposed or enacted by any governmental body, department or agency (but only if such proposed or enacted law, rule or regulation, by its terms, would apply to purchases or sales of the 2019 Series A-1 Bonds as provided in the Forward Delivery Agreement) or (iv) any judgment, ruling or order issued by any court or administrative body, which in any such case would, as to the Underwriters, prohibit (or have the retroactive effect of prohibiting, if enacted, adopted, passed or finalized) the Underwriters from purchasing the 2019 Series A-1 Bonds as provided in the Forward Delivery Agreement or selling the 2019 Series A-1 Bonds or beneficial ownership interests therein to the public; provided, however, that such change in or addition to law, legislation, law, rule or regulation or judgment, ruling or order shall have become effective, been enacted, introduced or recommended, been proposed or enacted or been issued, as the case may be, subsequent to the date of the Forward Delivery Agreement.

The Purchaser acknowledges that if a change in law occurs or is proposed which involves the enactment of legislation which only diminishes the value of, as opposed to eliminating the exclusion from gross income for federal income tax purposes of interest payable on "state or local bonds," the Corporation may, nonetheless, be able to satisfy the requirements for the delivery of the 2019 Series A-1 Bonds. In such event, the Underwriters would be obligated to purchase the 2019 Series A-1 Bonds from

the Corporation and the Purchaser would be required to accept delivery of the Purchased 2019 Series A-1 Bonds from the Underwriters.

The Purchaser acknowledges and agrees that the 2019 Series A-1 Bonds are being sold on a “forward” or “delayed delivery” basis for delivery at the Delayed Delivery Closing and that the Purchaser is obligated to take up and pay for the Purchased 2019 Series A-1 Bonds at the Delayed Delivery Closing unless the Underwriters terminate the Forward Delivery Agreement or the Purchaser terminates its obligation to purchase the Purchased 2019 Series A-1 Bonds as provided herein. To effect a termination by the Purchaser, the Purchaser must give written notice of termination of this Delayed Delivery Contract to the Manager before the Delayed Delivery Closing. The Purchaser agrees that no termination of the obligation of the Purchaser may occur on or after the Delayed Delivery Closing. The Purchaser is not a third party beneficiary under the Forward Delivery Agreement and has no rights to enforce, or cause the Underwriters to enforce, any of the terms thereof. The Purchaser acknowledges and agrees that it will not be able to withdraw its order except as described herein, and will not otherwise be excused from performance of its obligations to take up and pay for the Purchased 2019 Series A-1 Bonds on the Settlement Date. In particular, the Purchaser’s obligation to purchase the 2019 Series A-1 Bonds is not conditioned upon market or credit changes with respect to the Bonds (other than the Termination Events described above), including specifically, but not limited to (a) changes in the ratings assigned to the 2019 Series A-1 Bonds or changes in the credit associated with the 2019 Series A-1 Bonds generally, and (b) changes in the financial condition, operations, performance, properties or prospects of the Corporation. Further, as described in the Official Statement, the Corporation plans to prepare an updated Official Statement [not more than two weeks][not more than twenty-five days and not less than ten days] prior to the Delayed Delivery Closing (the “Updated Official Statement”). The Updated Official Statement (and/or other supplements to the Official Statement) may include information regarding material adverse developments affecting the Corporation or the 2019 Series A-1 Bonds and, unless such developments are Termination Events, such developments would not excuse the Purchaser’s obligation to purchase the 2019 Series A-1 Bonds.

The Purchaser represents and warrants that, as of the date of this Delayed Delivery Contract, the Purchaser is not prohibited from purchasing the Purchased 2019 Series A-1 Bonds hereby agreed to be purchased by it under the laws of the jurisdiction to which the Purchaser is subject. This Delayed Delivery Contract will inure to the benefit of and be binding upon the parties hereto and their respective successors, but will not be assignable by either party without the prior written consent of the other. The Purchaser acknowledges that the Manager is entering into the Forward Delivery Agreement with the Corporation to purchase the 2019 Series A-1 Bonds in reliance in part on the performance by the Purchaser of its obligations hereunder. This Delayed Delivery Contract may be executed by either of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument under the laws of the State of New York. This Delayed Delivery Contract shall be construed and administered under the laws of the State of New York.

It is understood that the acceptance by the Manager of any Delayed Delivery Contract (including this one) is in the Manager's sole discretion and that, without limiting the foregoing, acceptances of such contracts need not be on a first-come, first-served basis. If this Delayed Delivery Contract is acceptable to the Manager, it is requested that the Manager sign the form of acceptance below and mail or deliver one of the counterparts hereof to the Purchaser at its address set forth below. This will become a binding contract between the Manager and the Purchaser when such counterpart is so mailed or delivered by the Manager. This Delayed Delivery Contract does not constitute a customer confirmation pursuant to Rule G-15 of the Municipal Securities Rulemaking Board.

If such conditions are not satisfied on or before April 15, 2022, then the Mortgage Loan for the Jamaica Crossing High Rise Development will be in default and the 2016 Series J-1 Bonds and 2016 Series J-2 Bonds will be subject to mandatory tender for purchase on May 1, 2022.
- (11) The Corporation expects to retire this Series of Bonds on November 1, 2018.

None of the Bonds Outstanding are Subordinate Bonds. As July 31, 2018, approximately \$5,566,460,000 or eighty-one percent (81%) of the Bonds Outstanding bear interest at a fixed rate (including bonds bearing interest in a term rate term) and approximately \$1,338,750,000 or nineteen percent (19%) of the Bonds Outstanding bear interest at a variable rate. The Corporation has entered into interest rate cap and swap agreements to hedge a portion of the variable interest rate exposure associated with its variable interest rate bond program. See "SECURITY FOR THE BONDS—Interest Rate Caps and Swaps" and "Appendix F-2—

Interest Rate Hedge Agreements” herein. See “Appendix E-4—Cross Call Provisions and Related Information” for more information regarding the interest rates and final maturities of the Bonds Outstanding. The total principal amount of Bonds Outstanding described above does not include \$100,000,000 principal amount of the Corporation’s Multi-Family Housing Revenue Bonds, 2006 Series J-1 (the “2006 Series J-1 Bonds”) (all of which are Outstanding as of July 31, 2018) issued under the General Resolution because the 2006 Series J-1 Bonds are separately secured from all other Bonds issued and to be issued under the General Resolution. See “SECURITY FOR THE BONDS—Additional Obligations Issued Under the General Resolution But Not Secured By the General Resolution.”

The Corporation has issued \$415,000,000 principal amount of NIBP Series 1 Bonds (\$251,320,000 principal amount of which is Outstanding as of July 31, 2018) under the NIBP Series 1 Resolution and \$85,000,000 principal amount of NIBP Series 2 Bonds (\$32,500,000 principal amount of which is Outstanding as of July 31, 2018) under the NIBP Series 2 Resolution. Additional bonds may also be issued under each NIBP Resolution secured on a parity with the NIBP Series 1 Bonds or NIBP Series 2 Bonds, as applicable (the NIBP Series 1 Bonds, any additional bonds issued under the NIBP Series 1 Resolution, the NIBP Series 2 Bonds and any additional bonds issued under the NIBP Series 2 Resolution are referred to collectively, as the “NIBP Bonds”). Amounts on deposit in the Revenue Account under the General Resolution are pledged to secure regularly scheduled debt service on the NIBP Bonds on parity with all Bonds issued and to be issued under the General Resolution (other than Subordinate Bonds) and the 2017 Pass-Through Bonds. See “SECURITY FOR THE BONDS—Additional Obligations Secured by the General Resolution.”

The Corporation has issued \$59,891,354 principal amount of 2017 Pass-Through Bonds (\$59,354,748 of which is Outstanding as of July 31, 2018) under the 2017 Pass-Through Resolution. Amounts on deposit in the Revenue Account under the General Resolution are pledged to secure the payment of regularly scheduled interest on the 2017 Pass-Through Bonds, and the mandatory redemption thereof from loan principal repayments, on parity with all Bonds issued and to be issued under the General Resolution (other than Subordinate Bonds) and the NIBP Bonds. See “SECURITY FOR THE BONDS—Additional Obligations Secured by the General Resolution.”

SECURITY FOR THE BONDS

Pledge of the General Resolution

The General Resolution constitutes a contract among the Corporation, the Trustee and the owners of the Bonds issued thereunder and, except as otherwise provided under the General Resolution or in a Supplemental Resolution authorizing a Series of Bonds, its provisions are for the equal benefit, protection and security of the owners of all such Bonds, each of which, regardless of maturity, is to be of equal rank without preference, priority or distinction. The General Resolution authorizes the issuance of Bonds having a charge and lien on the Revenues and other assets pledged under the General Resolution subordinate to the charge and lien of the Bonds (the "Subordinate Bonds"). Prior to the issuance of any Bonds (other than the Subordinate Bonds), the General Resolution requires that the Trustee be provided with confirmation of the then existing ratings on the Bonds (other than the Subordinate Bonds) by each of the Rating Agencies then rating such Bonds. See "Additional Bonds" below.

The Bonds are special revenue obligations of the Corporation payable solely from the Revenues and Accounts described below.

Payment of the principal or Redemption Price of and interest on all Bonds is secured by a pledge of Revenues, which consist of, among other things, unless otherwise provided in a Supplemental Resolution authorizing a Series of Bonds, all payments received by the Corporation from or on account of the Mortgage Loans, including scheduled, delinquent and advance payments of principal of and interest on the Mortgage Loans, proceeds from the sale, assignment, endorsement or other disposition of the Mortgage Loans, amounts received on account of the acceleration of payments due under the Mortgage Loans or other remedial proceedings taken in the event of a default thereon, proceeds of any mortgage insurance or credit enhancement with respect to defaulted Mortgage Loans, proceeds of any hazard insurance or condemnation award, and income derived from the investment of funds held by the Trustee in Accounts established under or pursuant to the General Resolution. Revenues do not, however, include amounts required to be deposited in the Rebate Fund, Escrow Payments, late charges or administrative, financing, extension, servicing or settlement fees on account of any Mortgage Loan. Payment of the Bonds is also secured by a pledge by the Corporation of its right, title and interest in and to the Mortgage Loans and, except as otherwise provided in any Supplemental Resolution authorizing a particular Series of Bonds, of all Accounts established pursuant to the General Resolution (including the investments thereof, if any). Under the General Resolution, the Corporation is not required to subject to the pledge and lien of the General Resolution assets, including mortgage loans, financed by Bonds issued thereunder. In addition, under the General Resolution the Corporation may pledge Accounts created pursuant to a Supplemental Resolution authorizing a particular Series of Bonds solely to the Bonds of such Series or exclude such Accounts from the pledge of the General Resolution. See "Appendix B—Summary of Certain Provisions of the General Resolution."

The foregoing pledges are also subject to the terms and provisions of the General Resolution requiring transfers of amounts to the Rebate Fund and permitting the application of the Revenues and amounts in such Accounts for certain purposes, including financing Mortgage Loans, funding the Debt Service Reserve Account in order to maintain such Account at its required level, paying certain amounts to the Trustee, the Corporation and Credit Facility Providers, if any, and paying certain investment fees, if any. The Corporation is also authorized under the General Resolution to withdraw surplus revenues and any Mortgage Loans, free and clear of the pledge and lien of the General Resolution, upon filing a Cash Flow Statement with the Trustee. See "Cash Flow Statements and Cash Flow Certificates" below and "Appendix B—Summary of Certain Provisions of the General Resolution—Revenue Account."

Mortgage Loans

Under the General Resolution, the Corporation is authorized to issue Bonds to finance any of its corporate purposes for which the Corporation may issue bonds under the Act, or any other applicable law now

or hereafter enacted. Such corporate purposes include, but are not limited to, financing one or more Mortgage Loans. The term Mortgage Loan is defined under the General Resolution as a loan for a Project, evidenced by a note, secured by a Mortgage (but such Mortgage need not create a first mortgage lien on such Project) and specified in a Supplemental Resolution as being subject to the lien of the General Resolution. The term Mortgage Loan also includes a participation by the Corporation with another party or parties, public or private, in a loan made to a Mortgagor with respect to a Project, or pool of such loans, and any instrument evidencing an ownership in any such loan or the cash flow therefrom, including, but not limited to, guaranteed mortgage-backed securities. In addition to Mortgage Loans, the Corporation may finance mortgage loans and other assets that are not subject to the pledge of the General Resolution. See "THE PROGRAM—General" and "Appendix E-1—Developments and Mortgage Loans Outstanding Under the Program" for a description of the Mortgage Loans financed under the Program to date.

If Mortgage Loans are financed under the General Resolution, such Mortgage Loans may, but are not required to, be subject to Supplemental Security insuring or securing against Mortgage Loan default losses. Such Supplemental Security, if any, may be in the form of, among other things, a policy of mortgage insurance, a guaranteed mortgage-backed security, a letter of credit, a surety bond or an escrow deposit, any or all of which may be obtained pursuant to one or more programs of the Federal, State or local government.

In the case of most of its programs, the Corporation has not assumed sole responsibility for the underwriting of mortgage loans financed thereunder. For certain Mortgage Loans in the Program, the Corporation relies on the underwriting criteria and expertise of other parties, including HUD, FHA, Fannie Mae, Freddie Mac, REMIC, SONYMA, credit facility providers and/or HPD. For certain other Mortgage Loans in the Program, the Corporation, in conjunction with conventional lenders, credit facility providers and/or HPD, has underwritten such Mortgage Loans. For certain Mortgage Loans in the Program, the Corporation may determine to undertake such underwriting responsibility by itself. In the General Resolution, the Corporation has covenanted to retain and employ competent personnel for the purposes of carrying out its powers thereunder.

Except as otherwise provided in a Supplemental Resolution authorizing Bonds, the Corporation shall do all acts and things necessary to receive and collect Revenues (including diligent enforcement of the prompt collection of all arrears on Mortgage Loans) and shall diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Corporation to protect its rights with respect to or to maintain any Supplemental Security on Mortgage Loans or any Subsidy Programs in connection with the Projects securing the Mortgage Loans or the occupancy thereof and to enforce all terms, covenants and conditions of the Mortgage Loans, including the collection, custody and prompt application of all Escrow Payments for the purposes for which they were made. See "Appendix B—Summary of Certain Provisions of the General Resolution—Covenants with Respect to Mortgage Loans."

Cash Flow Statements and Cash Flow Certificates

The General Resolution provides that the Corporation shall file with the Trustee a current Cash Flow Statement: (i) whenever any Series of Bonds is issued; (ii) upon purchase or redemption of Bonds of a Series in a manner other than (a) as contemplated in the last Cash Flow Statement filed by the Corporation with the Trustee or (b) on a basis whereby the Bonds of each maturity of such Series are purchased or redeemed in the proportion that the amount Outstanding of such maturity bears to the total amount of all Bonds Outstanding of such Series, when such purchases or redemptions are to be made in connection with Recoveries of Principal; (iii) prior to withdrawing monies for payment to the Corporation, pursuant to the General Resolution, free and clear of the pledge and lien of the General Resolution, in an amount in excess of the amounts determined to be available for such purpose in the last Cash Flow Statement filed with the Trustee; (iv) prior to selling Mortgage Loans not in default; (v) prior to the financing of or amending Mortgage Loans to contain terms that would adversely affect the cash flow projections contained in the last Cash Flow Statement filed with the Trustee; (vi) prior to the releasing of any Mortgage Loan from the pledge and lien of the General Resolution; (vii) prior to the application of Recoveries of Principal to any use other than the

purchase or redemption of Bonds; (viii) prior to the purchase of Bonds pursuant to certain provisions of the General Resolution at prices in excess of those specified in the General Resolution; or (ix) prior to the application of monies in the Redemption Account resulting from Recoveries of Principal derived from or with respect to any Mortgage Loans to the purchase or redemption of Bonds of a Series other than the Series issued to finance such Mortgage Loans. A Cash Flow Statement is not required in connection with the release of the 2014 Series B Mortgage Loan at such time as both (a) the Corporation's Multi-Family Housing Revenue Bonds, 2014 Series B-1 and Multi-Family Housing Revenue Bonds, 2014 Series B-2 (collectively, the "2014 Series B Bonds") are no longer Outstanding or the Corporation provides a Certificate to the Trustee demonstrating that the 2014 Series B Bonds would have been no longer Outstanding had excess revenues from the mortgage loans underlying the 2014 Series B Participant Interest available for the redemption of 2014 Series B Bonds been applied to redeem the 2014 Series B Bonds and (b) the Corporation's Multi-Family Housing Revenue Bonds, 2018 Series B (the "2018 Series B Bonds") are no longer Outstanding or the Corporation provides a Certificate to the Trustee demonstrating that the 2018 Series B Bonds would have been no longer Outstanding had excess revenues from the mortgage loans underlying the 2018 Series B Participant Interest (and, after a certain date, from the mortgage loans underlying the 2014 Series B Participant Interest) available for the redemption of 2018 Series B Bonds been applied to redeem the 2018 Series B Bonds. A Cash Flow Statement is also not required for the release of funds in payment of the fee payable to the Corporation pursuant to the Participation Agreements with respect to the 2014 Series B Participant Interest (equal to 1.25% of the principal amount deemed to be Outstanding of the 2014 Series B Bonds). A Cash Flow Statement is also not required in connection with the release of the 2005 Series F Participant Interest, the 2005 Series J Participant Interest, the 2011 Participant Interest and certain of the subordinate Mortgage Loans originated pursuant to the ML Restructuring Program when the Mitchell-Lama Restructuring Bonds are no longer Outstanding. In addition, a Cash Flow Statement is not required in connection with the release of the Lexington Gardens II 2017 Series C Mortgage Loan financed with the proceeds of the 2017 Series C-4 Bonds upon receipt by the Trustee from the Corporation of funds equal to the outstanding principal amount of the Lexington Gardens II 2017 Series C Mortgage Loan at the time of such release and notice to redeem the outstanding 2017 Series C-4 Bonds. In addition, a Cash Flow Statement is not required in connection with the release of the 2018 Series B Mortgage Loan at such time as the 2018 Series B Bonds are no longer Outstanding or at such earlier time as the Corporation provides a Certificate to the Trustee demonstrating that the 2018 Series B Bonds would have been no longer Outstanding had excess revenues from the mortgage loans underlying the 2018 Series B Participant Interest available for the redemption of 2018 Series B Bonds been applied to redeem the 2018 Series B Bonds. A Cash Flow Statement is also not required for the release of funds in payment of the fee payable to the Corporation pursuant to the Participation Agreement with respect to the 2018 Series B Participant Interest (equal to 1.25% of the principal amount deemed to be Outstanding of the 2018 Series B Bonds) or for certain other actions described in "THE PROGRAM—2014 Series B Participant Interest" and "—2018 Series B Participant Interest." In addition, a Cash Flow Statement is not required in connection with the release to the Corporation of a portion of a 2018 Series C Mortgage Loan Mandatory Prepayment in an amount not to exceed twenty percent (20%) of the portion of the applicable senior 2018 Series C Mortgage Loan funded with monies of the Corporation other than proceeds of the Corporation's Multi-Family Housing Revenue Bonds, 2018 Series C-1 and 2018 Series C-2.

In addition, the Corporation shall not take any of the actions described in clauses (ii) through (ix) of the preceding paragraph unless subsequent to such action the amount of monies and Investment Securities held in the Bond Proceeds Account, the Redemption Account, the Revenue Account and the Debt Service Reserve Account (valued at their cost to the Corporation, as adjusted by amortization of the discount or premium paid upon purchase of such obligations ratably to their respective maturities), together with accrued but unpaid interest thereon, and the outstanding principal balance of Mortgage Loans, together with accrued but unpaid interest thereon, and any other assets, valued at their realizable value, pledged for the payment of the Bonds will exceed the aggregate principal amount of and accrued but unpaid interest on Bonds Outstanding; provided, however, that in the event that a Supplemental Resolution authorizing the issuance of a Series of Bonds specifies that, for purposes of the requirements of this paragraph, the Mortgage Loans financed by such Series of Bonds shall be valued at other than their outstanding principal balance, then, with respect to such Mortgage Loans, such other value shall be used in the calculations required by this paragraph. Each

Supplemental Resolution assigns or provides for the assignment of a valuation to the Mortgage Loans financed thereunder. The Corporation may change such valuation with respect to any such Mortgage Loan by furnishing to the Trustee a Certificate of an Authorized Officer specifying the new valuation. Copies of the Supplemental Resolutions and any such Certificates are on file with the Corporation and the Trustee.

A Cash Flow Statement consists of a statement of an Authorized Officer giving effect to actions proposed to be taken and demonstrating in the current and each succeeding Bond Year in which Bonds are scheduled to be Outstanding that amounts then expected to be on deposit in the Accounts in each such Bond Year will be at least equal to all amounts required by the General Resolution to be on deposit in the Accounts for the payment of the principal and Redemption Price of and interest on the Bonds and for the funding of the Debt Service Reserve Account to the Debt Service Reserve Account Requirement. However, a Supplemental Resolution may provide that an Account established in such Supplemental Resolution not be taken into account when preparing the Cash Flow Statement. The Cash Flow Statement shall set forth the assumptions upon which the estimates therein are based, which assumptions are to be based upon the Corporation's reasonable expectations and must not adversely affect any of the Rating Agencies' ratings on the Bonds. In calculating the amount of interest due in the current and each succeeding Bond Year in which Bonds are scheduled to be Outstanding on Bonds bearing interest at a variable rate, the interest rate used shall be assumed to be the fixed rate, which in the judgment of the remarketing agents for such Bonds, or such other financial consultant selected by the Corporation and experienced in the sale of municipal securities (having due regard to the prevailing market conditions), would be necessary to enable such Bonds to be sold at par in the secondary market on the date of such calculation or such higher or lower rate which does not adversely affect any of the Rating Agencies' ratings on the Bonds. Upon filing a Cash Flow Statement with the Trustee, the Corporation is to perform its obligations under the General Resolution in accordance, in all material respects, with the assumptions set forth in such Cash Flow Statement. Except with respect to actions being taken contemporaneously with the delivery of a Cash Flow Statement, facts reflected in a Cash Flow Statement may be as of a date or reasonably adjusted to a date not more than 180 days prior to the date of delivery of such statement.

In lieu of filing a Cash Flow Statement, a Cash Flow Certificate may be filed in order to take the actions described in (1) clause (iii) of the first paragraph of this subsection or (2) clause (v) of the first paragraph of this subsection relating to amending Mortgage Loans but only if, in the judgment of the Corporation, such amendments do not materially adversely affect the cash flow projections contained in the last Cash Flow Statement. A Cash Flow Certificate shall consist of a statement of an Authorized Officer to the effect of one of the following:

(a) The proposed action is consistent with the assumptions set forth in the latest Cash Flow Statement; or

(b) After giving effect to the proposed action, in the current and each succeeding Bond Year in which Bonds are scheduled to be Outstanding, amounts expected to be on deposit in the Accounts in each such Bond Year will be at least equal to all amounts required by the General Resolution to be on deposit in such Accounts for the payment of the principal and Redemption Price of and interest on the Bonds, and for the funding of the Debt Service Reserve Account to the Debt Service Reserve Account Requirement, except that to the extent specified in a Supplemental Resolution an Account established in said Supplemental Resolution shall not be taken into account in connection with such Cash Flow Certificate; or

(c) The proposed action will not in and of itself adversely affect the amounts expected to be on deposit in the Accounts in the current and each succeeding Bond Year in which Bonds are scheduled to be Outstanding, except that the Cash Flow Certificate shall not consider any Accounts which a Supplemental Resolution specifies shall not be taken into account in connection with the delivery of a Cash Flow Certificate.

Debt Service Reserve Account

The Corporation is required to establish a Debt Service Reserve Account for the Bonds pursuant to the General Resolution. If on any Interest Payment Date or Redemption Date the amount available in the Revenue Account and Redemption Account, as applicable, is insufficient to pay Principal Installments and interest due on any Bonds, the Trustee must apply amounts from the Debt Service Reserve Account to the extent necessary to make good the deficiency.

Under the General Resolution, the Debt Service Reserve Account Requirement is the aggregate of the amounts specified as the Debt Service Reserve Account Requirement for each Series of Bonds in a Supplemental Resolution authorizing the issuance of such Series of Bonds. There is no minimum Debt Service Reserve Account Requirement under the General Resolution. The General Resolution further provides that the Debt Service Reserve Account Requirement for any Series of Bonds may be funded, in whole or in part, through Cash Equivalents if so provided in a Supplemental Resolution authorizing such Series. See "Appendix B—Summary of Certain Provisions of the General Resolution—Debt Service Reserve Account." As of January 31, 2018, the Debt Service Reserve Account had a balance of \$123,330,727 including a payment obligation of \$4,845,000 by the Corporation which constitutes a general obligation of the Corporation; the aggregate Debt Service Reserve Account Requirement for all of the Bonds Outstanding was met as of such date. See "Appendix F-1—Certain Investments under the General Resolution—Debt Service Reserve Account."

Mortgage Loan Reserve Account

In 2005, the Corporation established a Mortgage Loan Reserve Account for a specified pool of Mortgage Loans that receive credit enhancement from Fannie Mae (the "Fannie Mae Credit Enhanced Mortgage Loans"). Funds in the Mortgage Loan Reserve Account may be used by the Trustee at the direction and discretion of the Corporation to pay a portion of the debt service on the Fannie Mae Credit Enhanced Mortgage Loans. As of January 31, 2018, the Mortgage Loan Reserve Account had a balance of \$1,414,693. See "Appendix G—Description of Supplemental Security and Subsidy Programs—Supplemental Security—Fannie Mae—Fannie Mae Pool Credit Enhancement Instrument."

Interest Rate Caps and Swaps

In connection with its variable interest rate bond program, the Corporation has entered into interest rate cap agreements to manage its exposure to variable interest rate risk (the "Interest Rate Cap Agreements") under which, in exchange for an upfront payment from the Corporation, the counterparties to such Interest Rate Cap Agreements agree to pay an amount equal to interest on specified amortizing notional amounts calculated using the amount by which a specified index (the "Index") exceeds a specified interest rate (the "Strike Rate"). Under the Interest Rate Cap Agreements, the counterparty is not obligated to pay the Corporation with respect to such notional amounts, the amount by which the Index exceeds a specified ceiling rate. The Corporation has pledged the payments, if any, received from the counterparties pursuant to the Interest Rate Cap Agreements to the General Resolution for the benefit of the Bond owners.

The table titled "Interest Rate Caps" in Appendix F-2 hereto sets forth the following information with respect to each Interest Rate Cap Agreement into which the Corporation has entered: counterparty, Index, Strike Rate, ceiling rate, effective date and termination date. See "Appendix F-2—Interest Rate Hedge Agreements."

The Corporation has also entered into certain interest rate exchange agreements ("Interest Rate Exchange Agreements") to manage its exposure to variable interest rate risk. Under the terms of each Interest Rate Exchange Agreement, the Corporation will receive a payment to the extent an amount based on a variable rate calculated on a notional amount exceeds an amount based on a fixed rate calculated on the notional amount, and the Corporation will be obligated to make a payment to the extent the amount based on the fixed

rate exceeds the amount based on the variable rate. Under certain Interest Rate Exchange Agreements, the counterparty is not obligated to pay the Corporation with respect to such notional amounts, the amount by which the variable rate exceeds a specified ceiling rate. The Corporation has pledged the payments, if any, received from the counterparty pursuant to each Interest Rate Exchange Agreement to the General Resolution for the benefit of the Bond owners (reserving the right to remove such payments from such pledge upon filing a Cash Flow Statement or Cash Flow Certificate with the Trustee). However, the obligation of the Corporation under each Interest Rate Exchange Agreement is a general obligation of the Corporation and is not secured under the General Resolution.

The table titled “Interest Rate Exchange Agreements” in Appendix F-2 hereto sets forth the following information with respect to the Interest Rate Exchange Agreements: counterparty, Index, rate payable, rate received, ceiling rate, effective date and termination date. See “Appendix F-2—Interest Rate Hedge Agreements.”

From time to time, the Corporation considers entering into additional interest rate cap agreements and interest rate exchange agreements in order to manage its exposure to variable interest rate risk.

Additional Bonds

Additional Bonds, subordinate to or on parity with the Bonds then Outstanding, may be issued by the Corporation pursuant to the General Resolution. Prior to the issuance of any such additional Bonds (other than the Subordinate Bonds), the General Resolution requires that the Trustee be provided with, among other things, confirmation of the then existing rating on the Bonds (other than the Subordinate Bonds) by each of the Rating Agencies then rating such Bonds. See “Appendix B—Summary of Certain Provisions of the General Resolution—Provisions for Issuance of Bonds” for a description of the requirements that must be met under the General Resolution prior to the issuance of additional Bonds.

Bonds Not a Debt of the State or the City

The Bonds are not a debt of the State or the City and neither the State nor the City shall be liable thereon, nor shall the Bonds be payable out of any funds other than those of the Corporation pledged therefor. The Corporation has no taxing power.

Summary of Program Assets and Revenues

Accompanying the audited financial statements of the Corporation for the fiscal year ended October 31, 2017 is supplemental information related to the Program (referred to therein as the “Housing Revenue Bond Program”) which is specifically set forth in Schedule 3, all as set forth in Appendix C hereto. Schedule 3 is supplemental information primarily related to the Program for the Corporation’s fiscal years ended October 31, 2017 and 2016. Said schedule includes (i) a balance sheet with assets, liabilities and net assets substantially related to the assets pledged under the General Resolution and (ii) a schedule of revenues, expenses and changes in fund net assets substantially related to the revenues pledged under the General Resolution. Said schedule does not include financial information with respect to activities under the General Resolution subsequent to October 31, 2017, including the issuance of Bonds or the making of Mortgage Loans after such date.

Schedule 3 contains a schedule of balance sheet information which reflects such net assets of approximately \$1,182,964,000 as of October 31, 2017, an increase of 8.3% from October 31, 2016. This schedule also provides information pertaining to revenues, expenses and changes in fund net assets that reflects an increase in such net assets of approximately \$90,977,000 during the fiscal year ended October 31, 2017, an increase from net assets of \$1,091,987,000 as of October 31, 2016.

The Corporation may withdraw assets and surplus revenues from the pledge and lien of the General Resolution upon the filing with the Trustee of a Cash Flow Statement or a Cash Flow Certificate as more fully described in “Cash Flow Statements and Cash Flow Certificates” above. Since the inception of the Program, the Corporation has made withdrawals of surplus revenues. During the fiscal year ended October 31, 2017, the Corporation withdrew \$43,087,149 of surplus revenues from the General Resolution, \$4,704,966 of surplus revenues from the NIBP Series 1 Resolution and \$795,034 of surplus revenues from the NIBP Series 2 Resolution. Subsequent to October 31, 2017, the Corporation withdrew approximately \$45,845,256 of surplus revenues from the General Resolution, \$2,598,566 of surplus revenues from the NIBP Series 1 Resolution, \$625,401 of surplus revenues from the NIBP Series 2 Resolution and \$847,708 of surplus revenues from the 2017 Pass-Through Resolution.

Certain Investments

Notwithstanding anything to the contrary contained in the General Resolution, any Investment Securities purchased by the Trustee with funds that are pledged pursuant to the General Resolution must, as of the date of such purchase, be rated by each of the Rating Agencies in a category at least equal to the rating category of the Bonds (other than Subordinate Bonds) (or “A-1+” or “P-1,” as applicable, if the Investment Security has a remaining term at the time it is provided not exceeding one (1) year); provided, however, that the Trustee may purchase Investment Securities that are rated lower than that set forth above, so long as the purchase of such Investment Securities does not, as of the date of such purchase, in and of itself, result in a reduction or withdrawal of the then existing rating assigned to the Bonds (other than Subordinate Bonds) by any of the Rating Agencies. A change in the rating of any Investment Securities purchased by the Trustee, subsequent to the date of purchase, would not require the Trustee to sell such Investment Securities. If a Rating Agency were to downgrade or withdraw the rating on any Investment Securities previously purchased by the Trustee, the rating on the Bonds could be negatively affected. See “RATINGS” in Part I of this Official Statement. Investment earnings on Accounts are to be transferred to the Revenue Account except as otherwise provided by the General Resolution. See “Appendix B—Summary of Certain Provisions of the General Resolution—Deposits and Investments” and “—Revenue Account.”

The tables in Appendix F-1 hereto set forth for each Series of Bonds: the type of investment, the investment agreement, the counterparties to the respective investment agreements with the Corporation and the Trustee, the amount of investment (except with respect to the Revenue Account), and the interest rate and the maturity date for such investments, for the Debt Service Reserve Account, the Bond Proceeds Account and certain of the amounts deposited in the Revenue Account.

Liquidity Facilities for Bonds Bearing Variable Rates of Interest

The Corporation has four outstanding Series of Bonds supported by a liquidity facility, with an outstanding principal balance of \$172,280,000 as of July 31, 2018, that currently bear interest at a variable interest rate and that are subject to optional or mandatory tender (the “Variable Rate Bonds”). Each of the banks identified below (each, a “Liquidity Facility Provider”) has provided a standby bond purchase agreement (each, a “Liquidity Facility”) with respect to the specified Series of Variable Rate Bonds. Each Liquidity Facility requires the Liquidity Facility Provider to provide funds to pay the Purchase Price of any Variable Rate Bonds of the applicable Series that are tendered for purchase and not remarketed.

Outstanding Liquidity Facilities

Bonds	Development	Liquidity Facility Provider	Par Amount of Liquidity Facility	Expiration Date
2015 Series D-3	Essex Crossing Site 2	Citibank, N.A.	\$15,000,000	February 14, 2019
2015 Series D-4	Essex Crossing Site 5	Wells Fargo Bank, National Association	\$13,500,000	April 15, 2019
2017 Series C-4	Lexington Gardens II	Wells Fargo Bank, National Association	\$57,830,000	December 28, 2020
2017 Series G-3	La Central Building A and B	Wells Fargo Bank, National Association	\$85,950,000	March 28, 2021
TOTAL			\$172,280,000	

Any Variable Rate Bond purchased by the Liquidity Facility Provider pursuant to the terms of the Liquidity Facility becomes a "Bank Bond" until such Bank Bond is either remarketed to a purchaser (other than the Liquidity Facility Provider) or retired. Interest on any Bank Bond will be due and payable at the rate provided for the Variable Rate Bonds of the applicable Series set forth in the applicable Supplemental Resolution and the principal of any Bank Bond will be payable at the times and amounts set forth for the Variable Rate Bonds of the applicable Series in the applicable Supplemental Resolution.

Each Liquidity Facility expires prior to the maturity date of the related Variable Rate Bonds. In connection with any scheduled expiration as stated in the above table, the Corporation may extend the scheduled expiration, provide an alternate liquidity facility to replace the expiring standby bond purchase agreement, or convert the interest rates on the applicable Series of Variable Rate Bonds to fixed interest rates or to an interest rate mode that does not require a liquidity facility. Each Series of Variable Rate Bonds is subject to mandatory tender for purchase prior to the expiration of the applicable Liquidity Facility. There can be no assurance that the Corporation will be able to extend any expiration date or to obtain an alternate liquidity facility on terms substantially similar to the terms of the expiring standby bond purchase agreement. Under certain circumstances, the Liquidity Facility Provider may terminate a standby bond purchase agreement without affording the applicable Variable Rate Bond owners a right to tender their Bonds.

Additional Obligations Secured by the General Resolution

NIBP Bonds

The Corporation has issued \$415,000,000 principal amount of NIBP Series 1 Bonds (\$251,320,000 principal amount of which is Outstanding as of July 31, 2018) under the NIBP Series 1 Resolution and \$85,000,000 principal amount of NIBP Series 2 Bonds (\$32,500,000 principal amount of which is Outstanding as of July 31, 2018) under the NIBP Series 2 Resolution. Additional bonds may also be issued under each NIBP Resolution secured on a parity with the NIBP Series 1 Bonds or NIBP Series 2 Bonds, as applicable (the NIBP Series 1 Bonds, any additional bonds issued under the NIBP Series 1 Resolution, the NIBP Series 2 Bonds and any additional bonds issued under the NIBP Series 2 Resolution are referred to collectively, as the "NIBP Bonds"). Amounts on deposit in the Revenue Account under the General Resolution are pledged to secure regularly scheduled payments of principal of and interest on the NIBP Bonds, including the sinking fund payments thereon, on a parity with all Bonds issued and to be issued under the General Resolution (other than Subordinate Bonds) and the 2017 Pass-Through Bonds. No other funds and Accounts under the General Resolution other than the Revenue Account are pledged to secure the NIBP Bonds. Payment of the principal or Redemption Price of and interest on the NIBP Bonds is also secured by the funds and accounts established under and the revenues and assets pledged under the applicable NIBP Resolution. However, the funds, accounts, revenues and assets pledged under the NIBP Resolutions are not security for the Bonds or the 2017 Pass-Through Bonds.

The Second Supplement to each NIBP Resolution provides that the regularly scheduled principal of and interest on the applicable NIBP Bonds, including sinking fund payments thereon, shall be paid first with revenues available under such NIBP Resolution, second with amounts withdrawn from the debt service reserve fund held under such NIBP Resolution and third, but only to the extent that such sources are not sufficient, with amounts in the Revenue Account under the General Resolution. Amounts held in the Debt Service Reserve Account and other funds and Accounts under the General Resolution (other than the Revenue Account) are not available to pay any amounts with respect to the NIBP Bonds. Any projected transfers from the Revenue Account for the payment of NIBP Bonds, as described above, will be taken into account in all Cash Flow Statements.

Each NIBP Resolution contains its own events of default and does not provide that an event of default under the General Resolution is an event of default under the NIBP Resolution. If an event of default under a NIBP Resolution occurs but no event of default has occurred under the General Resolution, then the holders of the applicable NIBP Bonds will be entitled to pursue remedies under the related NIBP Resolution (but not under the General Resolution). Such remedies may include acceleration of the applicable NIBP Bonds but the Revenues and amounts held in the funds and Accounts under the General Resolution shall not be available to pay any accelerated amounts. If an event of default under the General Resolution occurs but no event of default has occurred under a NIBP Resolution, then the holders of Bonds (excluding the NIBP Bonds) may direct remedies under the General Resolution including the acceleration of Bonds other than the NIBP Bonds. However, so long as there is no event of default under a NIBP Resolution, the NIBP Bonds issued thereunder shall not be accelerated and no remedies may be pursued by the holders of such NIBP Bonds. If an event of default occurs under the General Resolution and an event of default also occurs under a NIBP Resolution, the holders of Bonds may pursue remedies under the General Resolution, the holders of applicable NIBP Bonds may pursue remedies under the related NIBP Resolution and such remedies are not required to be coordinated. In no event may holders of NIBP Bonds direct remedies under the General Resolution. However, since certain mortgage loans and the payments thereunder are allocated between the General Resolution and the NIBP Series 1 Resolution and under certain circumstances the trustee under the NIBP Series 1 Resolution may direct remedies with respect to such mortgage loans, the exercise of remedies under the NIBP Series 1 Resolution by the trustee thereunder or by the holders of the applicable NIBP Bonds may impact the security and Revenues under the General Resolution.

The NIBP Bonds were issued as part of the New Issue Bond Program of the United States Department of the Treasury and the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation purchased the NIBP Bonds. The proceeds of each Series of the NIBP Bonds have been advanced to fund advances of mortgage loans and for certain other purposes.

2017 Pass-Through Bonds

The Corporation has issued \$59,891,354 principal amount of 2017 Pass-Through Bonds (\$59,354,748 principal amount of which is Outstanding as of July 31, 2018) under the 2017 Pass-Through Resolution. Amounts on deposit in the Revenue Account under the General Resolution are pledged to secure the payment of regularly scheduled interest on the 2017 Pass-Through Bonds, and the mandatory redemption thereof from loan principal repayments, on a parity with all Bonds issued and to be issued under the General Resolution (other than Subordinate Bonds) and the NIBP Bonds. No other funds and Accounts under the General Resolution other than the Revenue Account are pledged to secure the 2017 Pass-Through Bonds. Payment of the principal or Redemption Price of and interest on the 2017 Pass-Through Bonds is also secured by the funds and accounts established under and the revenues and assets pledged under the 2017 Pass-Through Resolution. However, the funds, accounts, revenues and assets pledged under the 2017 Pass-Through Resolution are not security for the Bonds or the NIBP Bonds.

The 2017 Pass-Through Resolution provides that regularly scheduled interest on the 2017 Pass-Through Bonds, and the mandatory redemption thereof from loan principal repayments, shall be paid first with revenues available under the 2017 Pass-Through Resolution, second with amounts withdrawn from the debt

service reserve fund held under the 2017 Pass-Through Resolution and third, but only to the extent that such sources are not sufficient (and only if and for so long as no Event of Default has occurred and is continuing under the General Resolution), with amounts in the Revenue Account under the General Resolution. Amounts held in the Debt Service Reserve Account and other funds and Accounts under the General Resolution (other than the Revenue Account) are not available to pay any amounts with respect to the 2017 Pass-Through Bonds. Any projected transfers from the Revenue Account for the payment of 2017 Pass-Through Bonds, as described above, will be taken into account in all Cash Flow Statements.

The 2017 Pass-Through Resolution contains its own events of default and does not provide that an event of default under the General Resolution is an event of default under the 2017 Pass-Through Resolution. If an event of default under the 2017 Pass-Through Resolution occurs but no event of default has occurred under the General Resolution, then the holders of 2017 Pass-Through Bonds will be entitled to pursue remedies under the 2017 Pass-Through Resolution (but not under the General Resolution). Such remedies may include acceleration of the 2017 Pass-Through Bonds but the Revenues and amounts held in the funds and Accounts under the General Resolution shall not be available to pay any accelerated amounts. If an event of default under the General Resolution occurs but no event of default has occurred under the 2017 Pass-Through Resolution, then the holders of Bonds (excluding the 2017 Pass-Through Bonds) may direct remedies under the General Resolution including the acceleration of Bonds other than the 2017 Pass-Through Bonds. However, so long as there is no event of default under the 2017 Pass-Through Resolution, the 2017 Pass-Through Bonds issued thereunder shall not be accelerated and no remedies may be pursued by the holders of such 2017 Pass-Through Bonds. If an event of default occurs under the General Resolution and an event of default also occurs under the 2017 Pass-Through Resolution, the holders of Bonds may pursue remedies under the General Resolution, the holders of 2017 Pass-Through Bonds may pursue remedies under the 2017 Pass-Through Resolution and such remedies are not required to be coordinated. In no event may holders of 2017 Pass-Through direct remedies under the General Resolution.

Additional Obligations Issued Under the General Resolution But Not Secured By the General Resolution

On December 21, 2006, the Corporation issued \$100,000,000 principal amount of the 2006 Series J-1 Bonds (all of which is Outstanding as of July 31, 2018) pursuant to the General Resolution and a supplemental resolution entitled "Eighty-First Supplemental Resolution Authorizing the Issuance of Multi-Family Housing Revenue Bonds, 2006 Series J-1" (the "2006 Series J-1 Supplemental Resolution") adopted by the Members of the Corporation on December 8, 2006. Pursuant to an amendment and restatement of the 2006 Series J-1 Supplemental Resolution (the "Amended and Restated 2006 Series J-1 Supplemental Resolution"), on July 13, 2012, the 2006 Series J-1 Bonds became a Series of Bonds that is separately secured from all other Bonds issued and to be issued under the General Resolution such that no Revenues or assets pledged under the General Resolution are available for the payment of the principal or Redemption Price of or interest on the 2006 Series J-1 Bonds and no revenues or assets pledged under the Amended and Restated 2006 Series J-1 Supplemental Resolution shall under any circumstances (including, but not limited to, the occurrence of an Event of Default under the General Resolution) be available for the payment of the principal or Redemption Price of or Sinking Fund Payments or interest on any Bonds (other than the 2006 Series J-1 Bonds) issued or to be issued under the General Resolution. The Amended and Restated 2006 Series J-1 Supplemental Resolution contains its own events of default and provides that an event of default under the General Resolution is not an event of default under the Amended and Restated 2006 Series J-1 Supplemental Resolution and that an event of default under the Amended and Restated 2006 Series J-1 Supplemental Resolution is not an Event of Default under the General Resolution. If an event of default under the Amended and Restated 2006 Series J-1 Supplemental Resolution occurs, the holders of the 2006 Series J-1 Bonds will be entitled to pursue remedies only under the Amended and Restated 2006 Series J-1 Supplemental Resolution (but not under the General Resolution). If an Event of Default under the General Resolution occurs, the holders of Bonds (excluding the 2006 Series J-1 Bonds) will be entitled to pursue remedies under the General Resolution (but not under the Amended and Restated 2006 Series J-1 Supplemental Resolution).

Additional Pledged Receipts

The Corporation has agreed to deposit in the Revenue Account revenues from the senior mortgage loans for three multi-family housing developments that are in excess of amounts due to the holder of participation interests in such mortgage loans.

With respect to the first of such mortgage loans, the amount of such excess revenues is expected to be approximately \$1.3 million per year, declining to approximately \$980,000 per year, but would be reduced to zero in the event of a prepayment in full of the mortgage loan or a default under the mortgage loan. In addition, the Corporation has agreed to deposit in the Revenue Account any amounts received after October 15, 2024 as a prepayment of a related subordinate mortgage loan in connection with a full prepayment of such senior mortgage loan, not to exceed a specified amount (declining from approximately \$10 million in 2024 to zero in 2034). The Corporation's agreement to make the deposits terminates on October 31, 2034, and may be terminated at any earlier time upon the filing of a Cash Flow Statement or a Cash Flow Certificate with the Trustee.

With respect to the second of such mortgage loans, the amount of such excess revenues is expected to be approximately \$1.7 million per year, declining to approximately \$1.08 million per year, but would be reduced to zero in the event of a prepayment in full of the mortgage loan or a default under the mortgage loan. The Corporation's agreement to make the deposits terminates on July 31, 2032, and may be terminated at any earlier time upon the filing of a Cash Flow Statement or a Cash Flow Certificate with the Trustee.

With respect to the third of such mortgage loans, the amount of such excess revenues is expected to be approximately \$348,000 per year, declining to approximately \$196,000 per year, but would be reduced to zero in the event of a prepayment in full of the mortgage loan or a default under the mortgage loan. The Corporation's agreement to make the deposits terminates on December 31, 2032, and may be terminated at any earlier time upon the filing of a Cash Flow Statement or a Cash Flow Certificate with the Trustee.

With respect to the fourth of such mortgage loans, the amount of such excess revenues is expected to be approximately \$836,330 per year, declining to approximately \$621,015 per year, but would be reduced to zero in the event of a prepayment in full of the mortgage loan or a default under the mortgage loan. The Corporation's agreement to make the deposits terminates on August 31, 2028, and may be terminated at any earlier time upon the filing of a Cash Flow Statement or a Cash Flow Certificate with the Trustee.

All such amounts deposited in the Revenue Account shall constitute Pledged Receipts. The mortgage loans themselves will not be pledged as security under the General Resolution.

THE PROGRAM

General

Under the Program, the Corporation may issue Bonds to finance any corporate purpose for which bonds may be issued under the Act or any other applicable law now or hereafter enacted. The Bonds have been issued to, among other things, finance construction Mortgage Loans (the "Construction Mortgage Loans"), finance permanent Mortgage Loans and/or finance the acquisition of permanent Mortgage Loans (collectively, the "Permanent Mortgage Loans"), for certain newly constructed or rehabilitated Developments. Construction Mortgage Loans and Permanent Mortgage Loans are referred to herein, collectively, as the "Mortgage Loans."

The General Resolution provides for the issuance of additional Bonds to be used for financing any corporate purpose including the financing of Mortgage Loans and Developments which are neither secured by Supplemental Security nor subsidized pursuant to a Subsidy Program. The General Resolution does not require Mortgage Loans to be secured by first mortgage liens on their respective Developments. A Mortgage

Loan also may represent the Corporation's participation interest in a mortgage loan or the cash flow therefrom (see "2005 Series F Participant Interest and the 2005 Series J Participant Interest," "2011 Participant Interest," "2014 Series B Participant Interest" and "2018 Series B Participant Interest" below). Moreover, the Corporation may withdraw Mortgage Loans and surplus revenues from the pledge and lien of the General Resolution upon the filing with the Trustee of a Cash Flow Statement or Cash Flow Certificate or, with respect to certain fees and Mortgage Loans, without the filing of a Cash Flow Statement or a Cash Flow Certificate. See "SECURITY FOR THE BONDS—Cash Flow Statements and Cash Flow Certificates." The information below is as of January 31, 2018. Subsequent to January 31, 2018, the Corporation has financed or acquired additional Mortgage Loans. See "Appendix E-1—Table 8: Developments and Mortgage Loans Outstanding Under the Program—Developments and Mortgage Loans Financed Under the Program Subsequent to January 31, 2018."

Mortgage Loans

General

The Mortgage Loans financed Developments located throughout the City. Approximately 228 Developments have more than one Mortgage Loan. The following table summarizes all of the Mortgage Loans outstanding under the Program as of January 31, 2018 other than the "ML Restructuring Subordinate Mortgage Loans" which are described under "ML Restructuring Mortgage Loans" below and listed in "Appendix E-1—Table 3: ML Restructuring Subordinate Mortgage Loans Outstanding Under the Program as of January 31, 2018." Subsequent to January 31, 2018, the Corporation has financed or acquired additional Mortgage Loans. See "Appendix E-1—Table 8: Developments and Mortgage Loans Outstanding Under the Program—Developments and Mortgage Loans Financed Under the Program Subsequent to January 31, 2018." In addition, certain Construction Loans have converted to Permanent Mortgage Loans. See "Appendix E-1—Table 2: Developments and Construction Mortgage Loans Outstanding Under the Program as of January 31, 2018." Furthermore, since January 31, 2018, the Corporation has received principal prepayments as well as scheduled prepayments. See "Certain Factors Affecting the Mortgage Loans—Subsequent Prepayments" and "—Prepayment Notifications."

Summary of All Mortgage Loans

	Number of Mortgage Loans	Outstanding Principal Balance of Mortgage Loans	Percentage of Total Outstanding Principal Balance of Mortgage Loans
Permanent Mortgage Loans	770	\$4,105,182,114	69.50%
Construction Mortgage Loans	150	\$1,801,358,100	30.50%
TOTAL†	920	\$5,906,540,214	100.00%

† May not add due to rounding.

See "Appendix E-1—Developments and Mortgage Loans Outstanding under the Program."

Approximately one hundred fifty-one (151) of the Permanent Mortgage Loans relate to the 2014 Series B Participant Interest and are subject to a participation interest (see "2014 Series B Participant Interest" below). Approximately three hundred six (306) of the Permanent Mortgage Loans relate to the 2018 Series B Participant Interest and are subject to a participation interest (see "2018 Series B Participant Interest" below).

There have been no material monetary defaults on any of the Mortgage Loans (generally loans that are sixty (60) to ninety (90) days delinquent in payment of debt service) other than temporary financial difficulties with respect to certain Developments, which have since been cured or are in the process of being cured. There are two (2) Developments with an aggregate outstanding senior Mortgage Loan balance of \$72,220 as of January 31, 2018 that have had debt service payment delinquencies of over ninety (90) days. The Mortgage Loans

of these Developments have entered into compliance and repayment agreements with the Corporation to cure these delinquencies. See “Appendix E-1—Table 1: Developments and Permanent Mortgage Loans Outstanding Under the Program as of January 31, 2018.” In addition, the Corporation is currently aware that three (3) Developments with Section 236 Subsidy Contracts, with an aggregate outstanding permanent senior mortgage loan balance of \$9,660,634 as of January 31, 2018, have each received a Notice of Default of the Agreement for Interest Reduction Payments or HAP Contract, as applicable, from HUD because of its low inspection ratings. One (1) Development, with a construction loan of \$28,400,000, was not completed on schedule and the Mortgagor failed to make its mandatory prepayment on a timely basis. The Corporation issued Bonds and applied the proceeds thereof to pay, on the maturity date thereof, the principal amount of the Bonds that was to have been paid with the proceeds of such mandatory prepayment. The expiration date of the Construction LOC with respect to such Development has been extended and the Mortgagor is expected to enter into an amendment of its commitment with the Corporation to address the construction delays.

The mortgage loans underlying the 2005 Series F Participant Interest and the 2005 Series J Participant Interest, the 2011 Participant Interest, the ML Restructuring Subordinate Mortgage Loans and certain of the mortgage loans underlying the 2014 Series B Participant Interest and the 2018 Series B Participant Interest are secured by second or third mortgage liens on their respective Developments. The majority of the other outstanding Mortgage Loans under the Program are secured by first mortgage liens on their respective Developments. As further security, as of January 31, 2018, approximately three hundred seven (307) Permanent Mortgage Loans, with an aggregate outstanding principal balance of approximately \$2,501,950,236, and ninety-one (91) Construction Mortgage Loans, with an aggregate outstanding principal balance of \$1,391,311,532, were subject to Supplemental Security. The balance of the Mortgage Loans are not secured by Supplemental Security. In the event of a default on the Mortgage Loans that are not secured by Supplemental Security, the related mortgage liens would likely be the sole security for repayment (see “Certain Factors Affecting the Mortgage Loans—New York Foreclosure Procedures and Bankruptcy—New York Foreclosure Procedures” below). The information in this paragraph with respect to Supplemental Security excludes information relating to the mortgage loans underlying the ML Restructuring Subordinate Mortgage Loans.

In addition, Developments related to most of the Mortgage Loans outstanding under the Program are beneficiaries of one or more Subsidy Programs. However, Developments relating to approximately fourteen (14) Permanent Mortgage Loans, with an aggregate outstanding principal balance of approximately \$33,235,440 as of January 31, 2018, five (5) of which, with an aggregate outstanding principal balance of approximately \$2,767,437, are regulated by HPD under the Mitchell-Lama Law, are neither secured by Supplemental Security nor subsidized through Subsidy Programs. Each Supplemental Security program and Subsidy Program is implemented under different Federal, State or local statutes, and is subject to its own rules and guidelines. See Appendix E-1—Developments and Mortgage Loans Outstanding Under the Program” and “Appendix G—Description of Supplemental Security and Subsidy Programs.”

Permanent Mortgage Loans

A majority of the Developments with Permanent Mortgage Loans, as measured by outstanding principal balance, have been in operation since at least 2009. As of January 31, 2018, three hundred eighty-five (385) of the Developments (which Developments represent approximately ninety-four percent (94%) of the aggregate outstanding principal balance of Permanent Mortgage Loans) with five hundred twenty-five (525) Mortgage Loans were at least ninety-five percent (95%) occupied. Twenty-five (25) of the Developments (which Developments represent approximately six percent (6%) of the aggregate outstanding principal balance of Permanent Mortgage Loans) with forty (40) Mortgage Loans were at least ninety percent (90%) and less than ninety-five percent (95%) occupied. Four (4) of the Developments (which Developments represent less than one percent (0.4%) of the aggregate outstanding principal balance of Permanent Mortgage Loans) with four (4) Mortgage Loans were less than ninety percent (90%) occupied. The information contained in this paragraph excludes information relating to thirty-five (35) Developments with fifty (50) Mortgage Loans because occupancy data has not yet been collected. In addition, the information

contained in this paragraph excludes information relating to the mortgage loans underlying the 2011 Participant Interest, the ML Restructuring Subordinate Mortgage Loans and the 2014 Series B Participant Interest and the related Developments, which are generally seasoned Mortgage Loans with Developments that have been in operation on average for more than 19 years, and information relating to the mortgage loans underlying the 2018 Series B Participant Interest and the related Developments, which are generally seasoned Mortgage Loans with Developments that have been in operation on average for more than 5 years.

The following table summarizes the Supplemental Security and Subsidy Programs, if any, relating to the completed Developments and Permanent Mortgage Loans (excluding the ML Restructuring Subordinate Mortgage Loans) outstanding under the Program as of January 31, 2018. Since January 31, 2018, the Corporation has financed or acquired certain Permanent Mortgage Loans and certain Construction Mortgage Loans have converted to Permanent Mortgage Loans. See “Appendix E-1—Table 2: Developments and Construction Mortgage Loans Outstanding Under the Program as of January 31, 2018.” In addition, since January 31, 2018, the Corporation has received principal prepayments of Permanent Mortgage Loans as well as scheduled repayments of Permanent Mortgage Loans. See “Certain Factors Affecting the Mortgage Loans—Subsequent Prepayments” and “—Prepayment Notifications” below.

As of January 31, 2018, eighty-four (84) Construction Mortgage Loans with an aggregate outstanding principal balance of \$1,268,413,048 are secured by standby letters of credit; such letters of credit need not meet the requirements under the General Resolution for Credit Facilities. Such letters of credit may be drawn upon by the Corporation if a Mortgagor fails to make the required payments of interest and principal on the related Construction Mortgage Loan. Such letters of credit are not pledged to the owners of the Bonds; however, any payments relating to the applicable Mortgage Loan received by the Corporation from the letter of credit providers pursuant to such letters of credit will be pledged for the benefit of the owners of the Bonds. See “Appendix G—Description of Supplemental Security and Subsidy Programs—Supplemental Security—Construction LOCs.” It is anticipated that upon conversion of the Construction Mortgage Loans secured by letters of credit to Permanent Mortgage Loans, the letters of credit will be released and such Permanent Mortgage Loans will be secured by REMIC Insurance, SONYMA Insurance, FHA Risk-Sharing Insurance, GNMA or a Long-term LOC or will not be secured by Supplemental Security, as shown in the table above. See “Appendix E-1—Table 2: Developments and Construction Mortgage Loans Outstanding Under the Program as of January 31, 2018.”

2005 Series F Participant Interest and the 2005 Series J Participant Interest

In connection with the issuance of the Corporation’s Multi-Family Housing Revenue Bonds, 2005 Series F-2 (the “2005 Series F-2 Bonds”), the Corporation entered into a Participation Agreement (the “2005 Series F Participation Agreement”) with the City and purchased a 100% participation interest in twelve (12) second mortgage loans. In connection with the issuance of the Corporation’s Multi-Family Housing Revenue Bonds, 2005 Series J-2 (the “2005 Series J-2 Bonds”), the Corporation entered into a Participation Agreement (the “2005 Series J Participation Agreement”) with the City and purchased a 100% participation interest in eleven (11) second mortgage loans. The mortgage notes relating to such mortgage loans are held by the City and secured by second mortgage liens on the applicable Developments (the “2005 Series F Participant Interest Developments” and the “2005 Series J Participant Interest Developments,” respectively). Such mortgage loans are not secured by Supplemental Security (see “THE PROGRAM—Certain Factors Affecting the Mortgage Loans—New York Foreclosure Procedures and Bankruptcy—New York Foreclosure Procedures” and “Appendix B—Summary of Certain Provisions of the General Resolution—Covenants with Respect to the Mortgage Loans”). HPD services all of such second mortgage loans. All of the 2005 Series F Participant Interest Developments and 2005 Series J Participant Interest Developments have first mortgage loans that are held and serviced by the Corporation.

The aggregate number of dwelling units in the 2005 Series F Participant Interest Development is approximately one hundred seventy-one (171) in one (1) development. The aggregate outstanding principal balance of the second mortgage loan underlying the 2005 Series F Participant Interest is approximately \$3,845,400 as of January 31, 2018. The accrued and unpaid interest on the mortgage loan is approximately \$10,382,872 as of January 31, 2018. Debt service payments commenced in December 2017. The mortgage loan matures on October 1, 2027 and the interest rate for the mortgage loan is 8.5%. A portion of the interest will accrue and be deferred. The aggregate number of dwelling units in the 2005 Series J Participant Interest Developments is approximately three hundred eighty (380) in two (2) developments. The aggregate

outstanding principal balance of the second mortgage loans underlying the 2005 Series J Participant Interest is approximately \$4,004,844 as of January 31, 2018. The current accrued and unpaid interest on the mortgage loans is approximately \$5,668,229 as of January 31, 2018. Approximately \$17,033 of additional interest is scheduled to accrue to the commencement date of the payment of debt service on the mortgage loans absent any prepayments and without taking into account certain interest earnings for which the mortgagors receive credit. Debt service payments are expected to commence in October 2018. The mortgage loans mature on October 1, 2028 and the weighted average interest rate for the mortgage loans is 5.07%.

All of the mortgage loans underlying the 2005 Series F Participant Interest and the 2005 Series J Participant Interest contain provisions permitting the mortgagors thereof to prepay the applicable mortgage loan, in whole or in part, at any time (see "Appendix E-2—Mortgage Loan Prepayment Provisions—Category 1"). If any of such mortgagors do not participate in the ML Restructuring Program but obtain other sources of prepayment of their mortgage loans, such payments will be paid as a cash distribution under the 2005 Series F Participant Interest or 2005 Series J Participant Interest, as applicable, and will constitute a Recovery of Principal under the General Resolution which the Corporation can determine to apply to the redemption of Mitchell-Lama Restructuring Bonds. The Corporation has offered to each of the mortgagors of the mortgage loans underlying the 2005 Series F Participant Interest and the 2005 Series J Participant Interest the opportunity to receive new mortgage financing under the ML Restructuring Program of the Corporation, which new mortgage financing will cause prepayment of the related mortgages and be paid as a cash distribution under the 2005 Series F Participant Interest or the 2005 Series J Participant Interest, as applicable. The Supplemental Resolutions pursuant to which the 2005 Series F-2 Bonds and the 2005 Series J-2 Bonds were issued each provides that any such cash distributions under the 2005 Series F Participant Interest or the 2005 Series J Participant Interest, as applicable, will not constitute Recoveries of Principal under the General Resolution and the Corporation expects to cause the release of such amounts from the lien of the General Resolution (in accordance with the requirements of the General Resolution) to reimburse it for funds advanced by the Corporation for the restructuring.

The 2005 Series F Participant Interest and the 2005 Series J Participant Interest shall be automatically released from the lien of the General Resolution when no Mitchell-Lama Restructuring Bonds are Outstanding without the requirement for a filing of any Cash Flow Statement or Cash Flow Certificate.

Pursuant to the 2005 Series F Participation Agreement and the 2005 Series J Participation Agreement, notwithstanding the acquisition of a 100% participation interest by the Corporation, legal title to the mortgage loans underlying the 2005 Series F Participant Interest and the 2005 Series J Participant Interest will remain with the City.

For additional information regarding the 2005 Series F Participant Interest and the 2005 Series J Participant Interest, see "Certain Factors Affecting the Mortgage Loans—Subsequent Prepayments" and "—Prepayment Notifications" below and "Appendix E-1—Table 4: Developments and Mortgage Loans Outstanding under the Program—Mortgage Loans Underlying the 2005 Series F Participant Interest and the 2005 Series J Participant Interest Outstanding Under the Program as of January 31, 2018."

2011 Participant Interest

In connection with the issuance of the Corporation's Multi-Family Housing Revenue Bonds, 2004 Series D, the Corporation entered into a Participation Agreement (the "2004 Participation Agreement") with the City and purchased a 100% beneficial ownership interest (the "2004 Participant Interest") in all cash flow (with certain exceptions) to be paid to the City as owner of the Multifamily Mortgage Pass-Through Certificates, Series 1996, Class B (the "Class B Certificates") issued pursuant to the REMIC Pooling and Servicing Agreement, dated as of June 1, 1996, among the City, as depositor, the Corporation, as servicer, and State Street Bank and Trust Company, as trustee (collectively, the "Certificates Trust"). The Certificates Trust consisted of a trust fund made up primarily of Section 236 Contracts (the "Section 236 Contracts") related to nine (9) permanent second mortgage loans (the "Participated 2004 Second Lien Loans"). On June 27, 2011,

the Certificates Trust was dissolved and the Corporation and the City amended and restated the 2004 Participation Agreement (as amended and restated, the "2011 Participation Agreement") and replaced the 2004 Participant Interest with the 2011 Participant Interest (defined below). A portion of the proceeds of the Corporation's Multi-Family Housing Revenue Bonds, 2011 Series F-1 and Multi-Family Housing Revenue Bonds, 2011 Series F-2 were used to reimburse the Corporation for amounts paid by the Corporation in connection therewith. The Corporation pledged the 2011 Participant Interest (net of certain amounts to be paid to the Corporation) for the benefit of the Holders of the Bonds, and the 2011 Participant Interest is a "Mortgage Loan" under the General Resolution. However, the 2011 Participant Interest will be automatically released from the lien of the General Resolution on the date that no Mitchell-Lama Restructuring Bonds remain Outstanding under the General Resolution, and such release shall not require a Cash Flow Statement or a Cash Flow Certificate.

Under the 2011 Participation Agreement, the Corporation holds a 100% participation interest (the "2011 Participant Interest") in the 2004 Participated Second Lien Loans and the Section 236 Contracts. As of January 31, 2018, the 2004 Participated Second Lien Loans had an aggregate outstanding principal balance of approximately \$24,004,409 and accrued interest of \$14,035,857. Subject to prepayments of the 2004 Participated Second Lien Loans, the monthly payments under the Section 236 Contracts are projected to be made through September 1, 2025. Payments on the 2004 Participated Second Lien Loans are scheduled to be made after the related first mortgage loans are satisfied, commencing April 1, 2017 through September 1, 2029, and are expected to be satisfied in part by payments under the Section 236 Contracts.

The 2004 Participated Second Lien Loans contain terms permitting prepayment thereof at the option of the mortgagors at any time. The Corporation has offered to each of the mortgagors of a 2004 Participated Second Lien Loan the opportunity to receive new mortgage financing under the ML Restructuring Program of the Corporation, which new mortgage financing will cause a prepayment of the related 2004 Participated Second Lien Loan and, to the extent of any such prepayment, be paid to the Corporation pursuant to the 2011 Participation Agreement. Any such amounts paid under the 2011 Participant Interest will not constitute Recoveries of Principal under the General Resolution and the Corporation expects to cause the release of such amounts from the lien of the General Resolution (in accordance with the requirements of the General Resolution) to reimburse it for funds advanced by the Corporation for the restructuring. To the extent that any of such mortgagors with 2004 Participated Second Lien Loans do not participate in the ML Restructuring Program but obtain other sources for prepayment of their 2004 Participated Second Lien Loans, any prepayment of the related 2004 Participated Second Lien Loans by such mortgagors, to the extent of any such prepayment and less any amounts owed to the Corporation, will be paid to the Corporation under the 2011 Participant Agreement and will constitute a Recovery of Principal under the General Resolution and may only be used to redeem Mitchell-Lama Restructuring Bonds. See "Appendix E-4—Cross-Call Provisions and Related Information." The Corporation expects that there will be significant prepayments of the 2004 Participated Second Lien Loans.

The 2004 Participated Second Lien Loans included in the 2011 Participant Interest are not supported by any Supplemental Security (see "THE PROGRAM—Certain Factors Affecting the Mortgage Loans—New York Foreclosure Procedures and Bankruptcy—New York Foreclosure Procedures" and "Appendix B—Summary of Certain Provisions of the General Resolution—Covenants with Respect to the Mortgage Loans"). The 2004 Participated Second Lien Loans have a weighted average mortgage interest rate of 8.02% and a weighted average remaining time to maturity of 9.63 years. The weighted average remaining time until the expiration of the Section 236 Contracts is 7.59 years. The Developments financed with the 2004 Participated Second Lien Loans include an aggregate of 2,498 units.

For additional information regarding the 2004 Participated Second Lien Loans underlying the 2011 Participant Interest, see "Appendix E-1—Table 5: 2004 Participated Second Lien Loans Underlying the 2011 Participant Interest as of January 31, 2018."

2014 Series B Participant Interest

In connection with the issuance of the 2014 Series B Bonds, the Corporation amended and restated a Participation Agreement (the "2002 Participation Agreement") with the New York City Mortgage Sale Facilitation Trust 2002-2, a Delaware statutory trust (the "2002 Facilitation Trust") and a Participation Agreement (the "2003 Participation Agreement") with the New York City Mortgage Sale Facilitation Trust 2003-1, a Delaware statutory trust (the "2003 Facilitation Trust," and together with the 2002 Facilitation Trust, the "Facilitation Trusts") formerly associated with the Corporation's Multi-Family Housing Revenue Bonds, 2006 Series A (the "2006 Series A Bonds") and relating to a certain participation interest referred to as the "2006 Participant Interest." Upon the final redemption of the 2006 Series A Bonds and the issuance of the 2014 Series B Bonds, (i) the 2006 Participant Interest was re-designated as the "2014 Series B Participant Interest" and (ii) the 2002 Participation Agreement and the 2003 Participation Agreement were further amended and restated. The 2002 Participation Agreement and the 2003 Participation Agreement, as so amended and restated, are referred to as the "2014 Participation Agreements." The 2014 Series B Participant Interest constitutes a "Mortgage Loan" under the General Resolution and is also referred to herein as the "2014 Series B Mortgage Loan."

Such participation interests in the aggregate consist of (i) a 100% participation interest in certain permanent mortgage loans for multi-family housing developments (the "2014 Series B Purchased Mortgage Loans"), (ii) a 100% participation interest in a portion of the cash flow derived from the Class B-1 Sheridan Trust II Multifamily Mortgage Pass-Through Certificate, Series 1996M-1 (the "Class B-1 Sheridan Trust II Certificate"), at a pass-through rate of 0.81% as of January 31, 2018, which certificate evidences a beneficial ownership interest in the Class B Sheridan Trust Multifamily Mortgage Pass-Through Certificate, Series 1995M-1 (the "Class B Sheridan Trust Certificate"), which certificate, in turn, represents a beneficial ownership interest in certain permanent mortgage loans (the "2014 Series B Trust Mortgage Loans") excluding certain voting rights with respect to the Class B-1 Sheridan Trust II Certificate, (iii) all rights, but not the obligations, of the "owner" of the 2014 Series B Purchased Mortgage Loans under the servicing agreements with respect to the 2014 Series B Purchased Mortgage Loans, and (iv) all rights of the Facilitation Trusts under the Purchase and Sale Agreements between the City and each Facilitation Trust (collectively, the "Purchase and Sale Agreements"), pursuant to which the City assigned the 2014 Series B Purchased Mortgage Loans and the Class B-1 Sheridan Trust II Certificate to the applicable Facilitation Trust (such interests, net of certain amounts payable to the Corporation and other servicers for servicing the underlying mortgage loans are referred to collectively as the "2014 Series B Participant Interest").

The Corporation has pledged the 2014 Series B Participant Interest for the benefit of the Holders of the Bonds; provided that such 2014 Series B Participant Interest shall be automatically released from the lien of the General Resolution as described below and such release shall not require the provision of a Cash Flow Statement or a Cash Flow Certificate. Most of the mortgage loans underlying the 2014 Series B Participant Interest contain provisions permitting the prepayment thereof at the option of the mortgagors at any time. The 2014 Series B Bonds are subject to special mandatory redemption from revenues (including prepayments) relating to the mortgage loans underlying the 2014 Series B Participant Interest in excess of scheduled debt service on the 2014 Series B Bonds and other related fees, expenses and payments.

Approximately 60% of the aggregate outstanding principal balance of the mortgage loans underlying the 2014 Series B Mortgage Loan are secured by a first mortgage lien on the applicable Development and approximately 40% of the aggregate outstanding principal balance of the mortgage loans underlying the 2014 Series B Mortgage Loan are secured by a subordinate mortgage lien on the applicable Development. The mortgage loans underlying the 2014 Series B Mortgage Loan are generally seasoned mortgage loans with Developments that have been in operation on average for more than 19.45 years.

The mortgage loans underlying the 2014 Series B Mortgage Loan were originated and underwritten by parties other than the Corporation.

Pursuant to the Purchase and Sale Agreements, legal title to the 2014 Series B Purchased Mortgage Loans remained with the City. In addition, with respect to the 2014 Series B Purchased Mortgage Loans that are regulated pursuant to the Mitchell-Lama Law, HPD remained the supervising agency. The Corporation, the Facilitation Trusts and HPD have entered into agreements pursuant to which HPD agreed to pursue certain remedies with respect to any defaulted mortgage loan underlying the 2014 Series B Purchased Mortgage Loans as directed by the Corporation. In the event title to any Development related to the 2014 Series B Purchased Mortgage Loans is acquired as a result of proceedings instituted upon a default on a 2014 Series B Purchased Mortgage Loan, such Development shall constitute an "Acquired Project" for purposes of the General Resolution (see "Certain Factors Affecting the Mortgage Loans—New York Foreclosure Procedures and Bankruptcy—New York Foreclosure Procedures" below). The Corporation may, without the requirement for filing a Cash Flow Statement or Cash Flow Certificate, modify any mortgage loan underlying the 2014 Series B Mortgage Loan in order to address delinquencies or potential payment defaults. Any mortgage loan underlying the 2014 Series B Participant Interest may be removed from the 2014 Series B Participant Interest and thereby released from the lien of the General Resolution, without the requirement for filing a Cash Flow Statement or Cash Flow Certificate, in the event that in connection with enforcing remedies, the Corporation assigns its interest in such underlying mortgage loan to the City and/or accepts an interest from the City in a substitute or additional mortgage loan (which would thereupon become part of the 2014 Series B Participant Interest).

The Corporation's rights as to the 2014 Series B Trust Mortgage Loans are limited by (i) the terms of the trust related to the Class B Sheridan Trust Certificate and (ii) the fact that voting rights with respect to said trust, including the right to amend or terminate said trust, have been retained by the City and not granted to the Corporation. The City has agreed, however, to consult with the Corporation prior to the exercise of such rights and not to exercise any such rights in a manner that shall have a material adverse effect on the rights of the Corporation to receive payments on the Class B-1 Sheridan Trust II Certificate without the prior written consent of the Corporation.

Revenues from the 2014 Series B Participant Interest remaining after the payment of regularly scheduled debt service on the 2014 Series B Bonds and, if necessary, other Bonds Outstanding under the General Resolution, after deduction of certain amounts, may be used to redeem the 2014 Series B Bonds or, with the delivery of a Cash Flow Statement or a Cash Flow Certificate, may be used by the Corporation for any purpose permitted under the General Resolution. The 2014 Series B Participant Interest shall be automatically released from the lien of the General Resolution without the delivery of a Cash Flow Statement or a Cash Flow Certificate at such time as both (a) the 2014 Series B Bonds are no longer Outstanding or the Corporation provides a Certificate to the Trustee demonstrating that the 2014 Series B Bonds would have been no longer Outstanding had excess revenues from the mortgage loans underlying the 2014 Series B Participant Interest available for the redemption of 2014 Series B Bonds been applied to redeem the 2014 Series B Bonds and (b) the 2018 Series B Participant Interest is released as described in "2018 Series B Participant Interest" below. As of January 31, 2018, the Corporation has used \$44,335,000 of excess revenues from the mortgage loans underlying the 2014 Series B Participant Interest for other purposes permitted under the General Resolution.

For additional information regarding the mortgage loans underlying the 2014 Series B Participant Interest, see "Certain Factors Affecting the Mortgage Loans—Subsequent Prepayments" and "— Prepayment Notifications" below and "Appendix E-1—Table 6: 2014 Series B Purchased Mortgage Loans and 2014 Series B Trust Mortgage Loans as of January 31, 2018."

2018 Series B Participant Interest

In connection with the issuance of the 2018 Series B Bonds, the Corporation entered into a Participation Agreement (the "2018 Participation Agreement") with the City and purchased a 100% participation interest (the "2018 Series B Participant Interest") in certain specified mortgage loans and all rights, but not the obligations, of the "owner" of such mortgage loans under the servicing agreements with

respect to such mortgage loans. The 2018 Series B Participant Interest constitutes a “Mortgage Loan” under the General Resolution and is also referred to as the “2018 Series B Mortgage Loan.”

The Corporation has pledged the 2018 Series B Participant Interest for the benefit of the Holders of the Bonds; provided that such 2018 Series B Participant Interest shall be automatically released from the lien of the General Resolution as described below and such release shall not require the provision of a Cash Flow Statement or a Cash Flow Certificate.

The mortgage loans underlying the 2018 Series B Participant Interest are generally seasoned mortgage loans with Developments that have been in operation on average for more than five years. Approximately 91% of the aggregate outstanding principal balance of the mortgage loans underlying the 2018 Series B Participant Interest are secured by a subordinate mortgage lien on the applicable Development. A majority of the mortgage loans underlying the 2018 Series B Participant Interest contain provisions permitting the prepayment thereof at the option of the mortgagors at any time.

The mortgage loans underlying the 2018 Series B Participant Interest are serviced by either the Corporation or CPC. Although the Corporation services some of the underlying mortgage loans, the mortgage loans underlying the 2018 Series B Participant Interest were originated and underwritten by other parties. The Corporation and HPD have entered into an agreement pursuant to which HPD will agree to pursue certain remedies with respect to a defaulted mortgage loan underlying the 2018 Series B Participant Interest as directed by the Corporation (after consultation with HPD). In the event title to any 2018 Series B Development is acquired as a result of proceedings instituted upon a default on the applicable underlying mortgage loan, such Development shall constitute an “Acquired Project” for purposes of the General Resolution (see “Certain Factors Affecting the Mortgage Loans—New York Foreclosure Procedures and Bankruptcy—New York Foreclosure Procedures” below).

The Corporation may, without the requirement for filing a Cash Flow Statement or Cash Flow Certificate, modify any mortgage loan underlying the 2018 Series B Participant Interest in order to address delinquencies or potential payment defaults. Any mortgage loan underlying the 2018 Series B Participant Interest may be removed from the 2018 Series B Participant Interest and thereby released from the lien of the General Resolution, without the requirement for filing a Cash Flow Statement or Cash Flow Certificate, in the event that in connection with enforcing remedies, the Corporation assigns its interest in such underlying mortgage loan to the City and/or accepts an interest from the City in a substitute or additional mortgage loan (which would thereupon become part of the 2018 Series B Participant Interest). In addition, certain underlying mortgage loans (identified in “Appendix E-1—Table 7: Mortgage Loans Underlying the 2018 Series B Participant Interest as of January 31, 2018”) may be removed from the 2018 Series B Participant Interest and thereby released from the lien of the General Resolution (without regard to delinquency or default) at the direction of the Corporation upon the request of the City without the requirement for filing a Cash Flow Statement or Cash Flow Certificate.

Revenues from the 2018 Series B Participant Interest (or from the 2014 Series B Participant Interest after the date (the “Cash Flow Transfer Date”) on which all 2014 Series B Bonds have been redeemed, or would have been redeemed, as described in “2014 Series B Participant Interest” above) remaining after the payment of regularly scheduled debt service on the 2018 Series B Bonds and, if necessary, other Bonds outstanding under the General Resolution, after deduction of certain amounts, may be used to redeem the 2018 Series B Bonds or, with the delivery of a Cash Flow Statement or a Cash Flow Certificate, may be used by the Corporation for any purpose permitted under the General Resolution. The 2018 Series B Participant Interest shall be automatically released from the lien of the General Resolution without the delivery of a Cash Flow Statement or a Cash Flow Certificate at such time as the 2018 Series B Bonds are no longer Outstanding or at such earlier time as the Corporation provides a Certificate to the Trustee demonstrating that the 2018 Series B Bonds would have been no longer Outstanding had such remaining excess revenues available for the redemption of 2018 Series B Bonds been applied to redeem the 2018 Series B Bonds.

For additional information regarding the mortgage loans underlying the 2018 Series B Participant Interest, see “Certain Factors Affecting the Mortgage Loans—Subsequent Prepayments” and “— Prepayment Notifications” below and “Appendix E-1—Table 7: Mortgage Loans Underlying the 2018 Series B Participant Interest as of January 31, 2018.”

ML Restructuring Mortgage Loans

The proceeds of certain of the Mitchell-Lama Restructuring Bonds were used to finance mortgage loans, each of which was evidenced by a mortgage note payable to the Corporation and secured by a first mortgage lien on the applicable Development (the “ML Restructuring First Mortgage Loans”). The term to maturity for most of the ML Restructuring First Mortgage Loans is thirty (30) years. Most of the ML Restructuring First Mortgage Loans contain provisions prohibiting prepayment by the Mortgagor of the applicable Development for approximately ten to fifteen years following the execution of such ML Restructuring First Mortgage Loans.

The proceeds of certain of the Mitchell-Lama Restructuring Bonds were also used to finance mortgage loans to the Mortgagors of the ML Restructuring First Mortgage Loans each of which was evidenced by a mortgage note payable to the Corporation, secured by a subordinate mortgage lien on the applicable Development and subject to a residual right to ownership held by the City (the “ML Restructuring Subordinate Mortgage Loans”). The Corporation sold to the City a residual right to ownership of the ML Restructuring Subordinate Mortgage Loans, which will be transferred to the City on the date when no Mitchell-Lama Restructuring Bonds remain Outstanding under the General Resolution or other Mitchell-Lama Restructuring Bonds outside of the General Resolution as defined in the 2011 Participation Agreement with the City remain outstanding. Such transfer of the ML Restructuring Subordinate Mortgage Loans on such date will be made automatically and without the requirement for a filing of any Cash Flow Statement or Cash Flow Certificate. The interest rate for most ML Restructuring Subordinate Mortgage Loans is 0% and the term to maturity for most of the ML Restructuring Subordinate Mortgage Loans is thirty (30) years. Most of the ML Restructuring Subordinate Mortgage Loans do not amortize and the balloon payment is due within ninety (90) days after maturity of the related ML Restructuring First Mortgage Loan. Most of the ML Restructuring Subordinate Mortgage Loans contain provisions prohibiting prepayment by the Mortgagor of the applicable Development for approximately fifteen years following the execution of such ML Restructuring First Mortgage Loans.

Prepayments of the ML Restructuring First Mortgage Loans and ML Restructuring Subordinate Mortgage Loans may be used to redeem only Mitchell-Lama Restructuring Bonds. See “Appendix E-4—Cross-Call Provisions and Related Information.” For additional information regarding the ML Restructuring Subordinate Mortgage Loans, see “Appendix E-1—Table 3: Developments and Mortgage Loans Outstanding Under the Program— ML Restructuring Subordinate Mortgage Loans Outstanding under the Program as of January 31, 2018.”

Servicing

All of the Mortgage Loans are serviced by the Corporation except for (i) the Mortgage Loans financed through the acquisition of GNMA Securities which are serviced by the applicable Mortgage Banker, (ii) certain mortgage loans underlying the 2014 Series B Participant Interest and the 2018 Series B Participant Interest which are serviced by private third-party servicers as described below, (iii) certain Construction Mortgage Loans which are serviced by the bank issuing the letter of credit during construction and (iv) the mortgage loans underlying the 2005 Series F Participant Interest and the 2005 Series J Participant Interest. Servicing by the Corporation includes the collection of mortgage payments from the Mortgagors of the applicable Developments.

With respect to Mortgage Loans serviced by the Corporation and not regulated by HPD, an escrow account for the payment of taxes, hazard insurance and mortgage insurance, if any, is maintained by the Corporation for each Development and is funded from the monthly revenues of each such Development. FHA

and GNMA regulations impose similar obligations on the Mortgage Banker in connection with the Mortgage Loans financed through the acquisition of GNMA Securities. However, with respect to Mortgage Loans regulated by HPD pursuant to the Mitchell-Lama Law and not insured by FHA, there is no such escrow requirement. With respect to Mortgage Loans serviced by the Corporation and not regulated by HPD, each Mortgagor is also required to maintain a reserve fund for replacements with the Corporation. These reserve funds for replacements are funded from the monthly revenues of their respective Development. With respect to Mortgage Loans regulated by HPD pursuant to the Mitchell-Lama Law and not insured by FHA, each Mortgagor is required to maintain a reserve fund for replacements. In general, the applicable escrows and reserves for the Developments serviced by the Corporation were funded at the required levels. The Corporation requires financial statements for each Development serviced by the Corporation to be furnished to the Corporation annually.

The Corporation conducts an annual site review of each Development with a Permanent Mortgage Loan serviced by the Corporation to monitor its physical condition; however, Developments with FHA-insured Mortgage Loans having a superior inspection rating need only be inspected by the Corporation every three (3) years and the Corporation does not inspect Developments for which the Corporation holds only a subordinate lien mortgage, the NYCHA Public Housing Preservation I LLC Development or the NYCHA Public Housing Preservation II LLC Development. During this review, the Corporation undertakes various procedures to monitor the exterior and interior physical condition of the Developments. See "Appendix E-3—Permanent Mortgage Loan Physical Inspection Ratings."

The Corporation's inspection ratings for the Developments, which incorporate HUD's inspection ratings for FHA-insured mortgage loans, include five rating levels: superior (HUD score: 90-100), above average (HUD score: 80-89), satisfactory (HUD score: 60-79), below average (HUD score: 46-59) and unsatisfactory (HUD score: 0-45). Developments with FHA-insured mortgage loans with a physical condition that is below average or unsatisfactory may be subject to certain actions by HUD (see "FHA-Insured Mortgage Loans with Low Inspection Ratings" below). As of January 31, 2018, the physical condition of the inspected Developments (other than those related to the 2014 Series B Participant Interest), based upon the aggregate outstanding principal balance of Permanent Mortgage Loans, was approximately 14% superior, 24% above average, 59% satisfactory and 3% below average. As of January 31, 2018, the physical condition of the inspected Developments related to the 2014 Series B Participant Interest, based upon the aggregate outstanding principal balance of the mortgage loans underlying the 2014 Series B Participant Interest, was approximately 18% superior, 51% satisfactory, 11% below average and 1% unsatisfactory. Developments subject to approximately 19% in outstanding principal balance of mortgage loans underlying the 2014 Series B Participant Interest have not been inspected recently.

Any Development with an FHA-insured mortgage loan which receives a score under 60 according to HUD's inspection ratings may be subject to foreclosure by HUD. Any Development that receives HUD assistance such as Section 236 or Section 8 which receives an unsatisfactory physical condition rating may have its subsidy payments reduced, suspended or terminated. See "FHA-Insured Mortgage Loans and HUD Assisted Developments with Low Inspection Ratings" below and "Appendix G—Description of Supplemental Security and Subsidy Programs—Subsidy Programs—Section 236 Program" and "—Section 8 Program."

The Corporation's inspection reviews include recommendations for curing deficiencies. The Corporation monitors those Developments which receive below average and unsatisfactory ratings in order to determine whether (i) required reports have been made and/or (ii) curative work has been undertaken and completed within a prescribed time frame. In order to cure deficiencies and thus improve the ratings of such Developments, the Corporation may advise the Mortgagor to request a drawdown on its respective reserve fund for replacements. If the reserves are not sufficient to cover the work required to improve a Development's rating or if the Corporation has determined that the low rating is due to Mortgagor neglect, the Corporation will meet with the Mortgagor to discuss corrective actions in all review reporting areas which include management practices, financial operations and vouchering procedures, as well as physical condition. For additional information concerning the Permanent Mortgage Loans and the related Developments, their

respective physical inspection ratings, and the Corporation's inspection procedures and rating categories, see "Appendix E-1—Table 1: Developments and Permanent Mortgage Loans Outstanding under the Program as of January 31, 2018" and "Appendix E-3—Permanent Mortgage Loan Physical Inspection Ratings." In addition, the Corporation conducts an annual review of (i) the inspected Developments to monitor their financial condition and (ii) the Developments subsidized through the Section 8 program to monitor their financial management controls.

In addition to the Corporation, CPC and Wells Fargo Bank, National Association ("Wells Fargo"), both of which are experienced mortgage loan servicers, service the mortgage loans underlying the 2014 Series B Participant Interest, and in addition to the Corporation, CPC services the mortgage loans underlying the 2018 Series B Participant Interest. As of January 31, 2018, approximately 69 of the mortgage loans underlying the 2014 Series B Participant Interest (representing \$77,028,491 of the outstanding principal balance) are serviced by CPC, 2 of the mortgage loans underlying the 2014 Series B Participant Interest (representing \$275,298 of the outstanding principal balance) are serviced by Wells Fargo and 80 of the mortgage loans underlying the 2014 Series B Participant Interest are serviced by the Corporation (representing \$51,749,187 of the outstanding principal balance). As of January 31, 2018, approximately 144 of the mortgage loans underlying the 2018 Series B Participant Interest (representing \$229,291,500 of the outstanding principal balance) are serviced by CPC and 80 of the mortgage loans underlying the 2018 Series B Participant Interest are serviced by the Corporation (representing \$305,603,738 of the outstanding principal balance). In addition, on or about the issuance of the 2018 Series B Bonds on April 19, 2018, the Corporation assumed servicing of 82 of the mortgage loans underlying the 2018 Series B Participant Interest (representing \$136,842,738 of the outstanding principal balance) which had been serviced by HPD. In addition to collecting mortgage payments, required escrows and reserves from the Mortgagors of the applicable Developments, CPC and Wells Fargo currently conduct annual physical inspections of the Developments that are subject to the mortgage loans underlying the 2014 Series B Participant Interest and the 2018 Series B Participant Interest, as applicable, that they service. The Corporation currently conducts annual inspections of the Developments that it services that are subject to first mortgage liens.

In addition to insurance coverage required by FHA, the Corporation requires property, liability, boiler and machinery, and fidelity insurance for the Mortgage Loans that it services (see "Appendix G—Description of Supplemental Security and Subsidy Programs—Supplemental Security—FHA Insurance Program—General"). Property insurance must cover at least the outstanding Mortgage Loan amount and lost rental value of at least one year's rental income at the Development. As of January 31, 2018, all such Developments were in compliance with the Corporation's insurance requirements. With respect to the mortgage loans underlying the 2014 Series B Participant Interest and the 2018 Series B Participant Interest serviced by CPC, CPC has agreed to monitor, pursuant to servicing agreements, compliance by the applicable Mortgagor with the insurance requirements set forth in the loan documents related to such mortgage loans underlying the 2014 Series B Participant Interest and the 2018 Series B Participant Interest.

Certain Factors Affecting the Mortgage Loans

Scheduled Payments of Principal and Interest

The ability of the Corporation to pay the principal or Redemption Price of and interest on the Bonds is dependent on the Revenues derived from the assets pledged to secure the Bonds, including the Mortgage Loans, and with respect to such Mortgage Loans, the proceeds under the applicable Supplemental Security program, if any, in the event of a default on a Mortgage Loan, and the full and timely receipt of subsidy payments under the applicable Subsidy Program, if any. The ability of each Mortgagor to make the required payments under its Mortgage Loan is and will be affected by a variety of factors, including the maintenance of a sufficient level of occupancy, the maintenance of the physical condition of its Development, the level of operating expenses, sound management of its Development, timely receipt of subsidy payments, as applicable, the ability to achieve and maintain rents sufficient to cover payments under such Mortgage Loan and operating expenses (including taxes, utility rates and maintenance costs), any changes in the amount of subsidy

payments, if any, changes in applicable laws and governmental regulations, and the financial condition of the Mortgagor. In addition, the continued feasibility of a Development may depend in part upon general economic conditions and other factors in the surrounding area of a Development.

Accordingly, in the event of the occurrence of substantial increases in operating costs without corresponding increases in rent levels on a timely basis, substantial reductions in occupancy or a reduction, loss or termination of subsidy payments, there may be a default with regard to one or more of the Mortgage Loans. In the event of any such default, the Corporation is required to apply for payment of proceeds under the applicable Supplemental Security program, if any, due with regard to any such Mortgage Loan. In the event of any such default where such Mortgage Loan is not secured by Supplemental Security, such mortgage lien would likely be the sole security for repayment of such Mortgage Loan (see “New York Foreclosure Procedures and Bankruptcy—New York Foreclosure Procedures” below and “Appendix B—Summary of Certain Provisions of the General Resolution—Covenants with Respect to Mortgage Loans”). Such proceeds, when received, together with other monies available under or pursuant to the General Resolution may be applied to redeem an allocable portion of certain Bonds. For a description of the specific cross-call provisions for the Bonds Outstanding under the General Resolution, see “Appendix E-4—Cross-Call Provisions and Related Information.” For a discussion of Supplemental Security and Subsidy Programs, see Appendix G hereto.

Prepayments of Principal

General. The Corporation may receive amounts relating to the principal of the Mortgage Loans financed with the proceeds of the Bonds prior to the scheduled due date of such principal. Generally, principal prepayments, at the option of the applicable Mortgagor, are either (A) permitted, (B) not permitted at all, (C) permitted after a prescribed time period (which prescribed time period may have ended), or (D) permitted only with the approval of FHA and/or the Corporation. All of the Mortgage Loans and the mortgage loans underlying the 2005 Series F Participant Interest and the 2005 Series J Participant Interest are subject to prepayment of principal in whole or in part from proceeds of insurance or condemnation. For a more detailed discussion of the prepayment terms and conditions for all of the outstanding Mortgage Loans under the Program, see “Appendix E-1—Developments and Mortgage Loans Outstanding under the Program” which identifies the applicable categories of prepayment provisions for each Mortgage Loan and Appendix E-2 hereto which sets forth each of the Mortgage Loan prepayment categories. Prepayments of principal may be subject to the payment of certain fees and expenses and other terms and conditions, including the payment of penalties and premiums. Any prepayment premium or penalty does not constitute a Pledged Receipt or Recovery of Principal unless otherwise specified in a Supplemental Resolution. There may be certain other restrictions outside the Mortgage Loan documents that limit the ability of the applicable Mortgagor to prepay. In addition, prior written notice of any optional prepayment to the Corporation or the Mortgage Banker, as applicable, generally is required. Any such prepayment could result in the special redemption from Recoveries of Principal of certain Bonds at any time. For a description of the specific cross-call provisions for the Bonds Outstanding under the General Resolution, see “Appendix E-4—Cross-Call Provisions and Related Information.”

Under the General Resolution, advance payments of amounts to become due pursuant to a Mortgage Loan, including those made at the option of a Mortgagor, shall be deposited in the Redemption Account. Unless specifically directed otherwise by written instructions of an Authorized Officer and accompanied by a Cash Flow Statement, any monies in the Redemption Account resulting from such Recoveries of Principal shall be applied to the purchase or redemption of Bonds of the Series issued to finance the Mortgage Loans which gave rise to the Recoveries of Principal. See “THE PROGRAM— 2005 Series F Participant Interest and the 2005 Series J Participant Interest” for a discussion of the application of prepayments of the mortgage loans underlying the 2005 Series F Participant Interest and the 2005 Series J Participant Interest, respectively.

Notwithstanding the preceding paragraph, if the Corporation files a Cash Flow Statement with the Trustee, it may deposit such Recoveries of Principal in the Bond Proceeds Account or the Revenue Account in

lieu of applying such monies to purchase or redeem Bonds. See “Appendix B—Summary of Certain Provisions of the General Resolution—Bond Proceeds Account,” “—Revenue Account” and “—Disposition of Recoveries of Principal” with respect to the right of the Corporation to apply prepayments of the Mortgage Loans for purposes other than the purchase or redemption of Bonds, and the right of the Corporation to withdraw surplus revenues in the Revenue Account from the pledge and lien of the General Resolution. See the description of the redemption provisions for the applicable series of Bonds in Part I of this Official Statement. For a description of the specific cross-call provisions for the Bonds Outstanding under the General Resolution, see “Appendix E-4—Cross-Call Provisions and Related Information.”

Subsequent Prepayments

[Subsequent to January 31, 2018, four (4) Mortgage Loans relating to 1314 Nelson Ave, 351 East 4th Street and 2035 Marmion Avenue have been prepaid. Such Mortgage Loans were prepayable at the option of the Mortgagor.

Subsequent to January 31, 2018, eleven (11) Mortgage Loans underlying the 2014 Series B Participant Interest have been prepaid, having an outstanding principal balance of \$8,172,495. Such Mortgage Loans were prepayable at the option of the Mortgagor.]

Prepayment Notifications

Subsequent to January 31, 2018, the Corporation has received notifications from the Mortgagor of one (1) Mortgage Loan relating to St. Edmunds Court of its intent to prepay. There can be no assurance as to whether this prepayment will occur. See “Appendix E-1—Table 1: Developments and Permanent Mortgage Loans Outstanding Under the Program as of January 31, 2018.” For a description of redemption provisions of the Bonds in the event of a prepayment, see “General” above.

Subsequent to January 31, 2018, the Corporation has received one (1) prepayment notification underlying the 2011 Participant Interest, having an outstanding principal balance of \$2,315,950 as of January 31, 2018. There can be no assurance as to whether this prepayment will occur.

From time to time the Corporation has received inquiries or expressions of interest from Mortgagors regarding the possible prepayment, refinancing or restructuring of their respective Mortgage Loans. There can be no assurance as to whether any such prepayment, refinancing or restructuring will occur.

New York Foreclosure Procedures and Bankruptcy

Below are descriptions of current foreclosure procedures in New York State and current bankruptcy provisions for mortgage loans generally. Such descriptions are relevant for Mortgage Loans under the Program not fully secured by Supplemental Security.

New York Foreclosure Procedures. In order to recover the debt due on a defaulted mortgage loan, the holder of the mortgage loan may either commence an action on the mortgage debt or commence an action to foreclose the mortgage. New York law restricts the ability of the holder of a mortgage loan to simultaneously bring an action to recover the mortgage debt and foreclose the mortgage. For purposes of these restrictions, actions to recover the mortgage debt include actions against the party primarily liable on the mortgage debt, actions against any guarantor of the mortgage debt and actions on insurance policies insuring the mortgaged premises. If an election is made to commence an action to foreclose the mortgage, no other action on the mortgage debt may be commenced to recover any part of the mortgage debt without leave of court. If an election is made to commence an action on the mortgage debt, where final judgment has been rendered in such an action, an action may not be commenced to foreclose the mortgage unless the sheriff has been issued an execution against the property of the defendant, which has been returned wholly or partially unsatisfied. In addition, there is New York case law indicating that if an action is commenced on the mortgage debt where

final judgment has not been rendered and a subsequent action is commenced to foreclose the mortgage, then the action on the mortgage debt must be stayed or discontinued to prevent the mortgagee from pursuing both actions simultaneously.

Where a foreclosure action is brought, every person having an estate or interest in possession or otherwise in the property whose interest is claimed to be subject and subordinate to the mortgage must be made a party defendant to the action in order to have its interest in the property extinguished. At least twenty (20) days before a final judgment directing a sale is rendered, the mortgagee must file, in the clerk's office for the county where the mortgaged property is located, a notice of the pendency of the action. Judicial foreclosure in New York is a lengthy process, as judicial intervention is required at all stages, including but not limited to (1) the appointment of a referee to compute the amount due, (2) the appointment of a receiver to operate the property during the pendency of the action, (3) the confirmation of the referee's oath and report, (4) the issuance of the judgment of foreclosure and sale, (5) the confirmation of the sale, and (6) the issuance of a deficiency judgment and/or rights to surplus monies. If during the pendency of the action the mortgagor pays into court the amount due for principal and interest and the costs of the action together with the expenses of the proceedings to sell, if any, the court will (i) dismiss the complaint without costs against the mortgagee if the payment is made before judgment directing the sale or (ii) stay all proceedings upon judgment if the payment is made after judgment directing sale but before sale.

Where the mortgage debt remains partly unsatisfied after the sale of the property, the court, upon application, may award the mortgagee a deficiency judgment for the unsatisfied portion of the mortgage debt, or as much thereof as the court may deem just and equitable, against a mortgagor who has appeared or has been personally served in the action. Prior to entering a deficiency judgment, the court determines the fair and reasonable market value of the mortgaged premises as of the date such premises were bid in at auction or such nearest earlier date as there shall have been any market value thereof. In calculating the deficiency judgment, the court will reduce the amount to which the mortgagee is entitled by the higher of the sale price of the mortgaged property and the fair market value of the mortgaged property as determined by the court.

The mortgagee may also, at its discretion, negotiate with the delinquent mortgagor to offer a deed in lieu of foreclosure to the mortgagee, where appropriate. In some situations this would allow the mortgagee to reduce the cost of, and the time involved in, acquiring the property.

Most of the Mortgage Loans under the Program are non-recourse to the Mortgagor. Therefore, the Corporation may only have limited rights to pursue the enforcement of an action on the debt or seek a deficiency judgment post-foreclosure. Consequently, with respect to such Mortgage Loans, the above provisions relating to an action on the mortgage debt or seeking a deficiency judgement are not applicable.

Section 236 Contracts may provide that the HUD Payments under a Section 236 Contract shall terminate if the related Development is acquired by the Corporation or by any ineligible owner, and that the Secretary of HUD (the "Secretary") may terminate HUD Payments if an action of foreclosure is instituted, unless the Secretary approves a plan providing for continuity of eligibility of the related Development for receiving HUD Payments. It may not be possible, under New York foreclosure procedures, to complete a foreclosure sale subject to the continuing lien of the mortgage being foreclosed. Under Pub. L. 98-473, enacted in 1984, contract authority which would otherwise be subject to recapture by HUD at the time of termination of a contract for Section 236 interest reduction payments as a result of a foreclosure of the mortgage loan on a development shall remain available for such development for the balance of the contract term, and the Secretary is directed to offer to execute new Section 236 Contracts with the new owners of such projects, subject to satisfaction of statutory eligibility requirements. On this basis the Corporation believes that, notwithstanding the language of the Section 236 Contracts, in the event of a foreclosure of a Mortgage Loan secured by a Section 236 Contract not subject to FHA Insurance (which also would include 2014 Series B Trust Mortgage Loans with Section 236 Contracts), the Secretary would enter into a contract for Section 236 interest reduction payments with the new owner, subject to the satisfaction of statutory eligibility requirements,

the availability of appropriations and the willingness of the mortgagee to enter into a new contract for interest reduction payments.

With respect to the 2014 Series B Purchased Mortgage Loans, the Corporation entered into a special servicing agreement with HPD and the Facilitation Trusts which sets forth procedures to be followed with regard to any 2014 Series B Purchased Mortgage Loan subject to foreclosure.

For a description of provisions regarding enforcement and foreclosure of the Mortgage Loans under the General Resolution, see "Appendix B—Summary of Certain Provisions of the General Resolution—Covenants with Respect to Mortgage Loans."

Bankruptcy. If a petition for relief under Federal bankruptcy law were filed voluntarily by a mortgagor, or involuntarily against a mortgagor by its creditors, the filing would operate as an automatic stay of the commencement or continuation of any judicial or other proceedings, including, without limitation, foreclosure proceedings, against such mortgagor and its property. If a bankruptcy court so ordered, the mortgagor's property, including its revenues, could be used for the benefit of the mortgagee, despite the rights granted the mortgagee or a trustee. Certain provisions of the mortgage that make the initiation of bankruptcy and related proceedings by or against the mortgagor an event of default thereunder are not enforceable in the mortgagor's bankruptcy proceeding.

In addition, if a bankruptcy court concludes that a mortgagee is "adequately protected," it might (A) substitute other security for the property presently pledged and (B) subordinate the lien of the mortgagee or a trustee to (i) claims by persons supplying goods and services to the mortgagor after commencement of such bankruptcy proceedings, (ii) the administrative expenses of the bankruptcy proceedings and (iii) a lien granted a lender providing funds to the mortgagor during the pendency of the bankruptcy case.

In bankruptcy proceedings initiated by the filing of a petition under Chapter 11 of the United States Bankruptcy Code, a mortgagor or another party-in-interest could elect to file a plan of reorganization that seeks to modify the rights of creditors generally, or any class of creditors, including secured creditors. In the event a mortgagor files under Chapter 11, the mortgagor may seek to modify the terms of the mortgage note and the mortgage in a plan of reorganization. In a reorganization case, a mortgagee holds a secured claim equal to the lesser of the value of the mortgaged premises or the debt. If the adjusted value is less than the pre-petition debt, then the mortgagee is not entitled to post-petition interest and the deficiency will be treated as an unsecured claim. With respect to the mortgagee's secured claim, if the debtor intends to retain the premises, the debtor will generally propose to treat the mortgage as unimpaired by curing any monetary defaults and reinstating the terms of the mortgage. Alternatively, the debtor may seek to alter the terms, however, the mortgagee is entitled to retain its lien under a plan and must receive deferred cash payments totaling the amount of the claim with a present value not less than the value of the mortgaged premises. If the premises are to be sold by the debtor, the mortgagee can bid at the bankruptcy court sale and offset its claim against the selling price at such sale.

FHA-Insured Mortgage Loans and HUD Assisted Developments with Low Inspection Ratings

Pursuant to HUD regulations and administrative procedures for physical inspections of FHA-insured properties that score less than 60 total points, properties scoring 30 and under are automatically referred to HUD's Departmental Enforcement Center ("DEC"). Those scoring between 31 and 59 may be referred to DEC and will be evaluated for enforcement by local HUD Office of Housing Staff. A Notice of Violation/Default of Regulatory Agreement and Housing Assistance Payment Contract is then issued. The property owner has sixty (60) days to certify that all repairs have been completed. HUD will then re-inspect the property, either following such sixty (60) day period or, in certain cases with respect to properties being evaluated for enforcement by local HUD Office of Housing Staff, the following year. If the property scores above 60 (a satisfactory rating and above), normal monitoring resumes. If the score is below 60 (a below average or unsatisfactory rating), HUD may consider the owner in default and may pursue available remedies.

Available remedies may include termination of subsidy payments under the affected Housing Assistance Payment Contract or requiring that the mortgagee accelerate and assign the FHA-insured mortgage loan to HUD as a result of the default under the Project's Regulatory Agreement in exchange for FHA Insurance benefits. See "Appendix G—Description of Supplemental Security and Subsidy Programs—Supplemental Security—FHA Insurance Program."

Any Development subsidized through the Section 8 program which receives an unsatisfactory physical condition rating may have its subsidy payments reduced, suspended or terminated. In addition, HUD may reduce the Section 236 subsidy in certain cases if a unit or units in a Development subsidized through the Section 236 program become not habitable for any reason. In the event such payments were reduced, suspended or terminated in respect of a Permanent Mortgage Loan subsidized by a HAP Contract or a Section 236 Contract, such reduced, suspended or terminated payments would not be available to pay debt service on such Mortgage Loan, which could result in a default on such Mortgage Loan. See "Appendix G—Description of Supplemental Security and Subsidy Programs—Subsidy Programs—Section 236 Program" and "—Section 8 Program."

The Corporation is currently aware that three (3) Developments with Fannie Mae insured Mortgage Loans, with an aggregate outstanding permanent senior Mortgage Loan balance of \$9,660,634 as of January 31, 2018, have each received a Notice of Default of the Section 236 Agreement for Interest Reduction Payments or HAP Contract, as applicable, from HUD because of its low inspection ratings. These Developments are required to maintain certain reserves for replacements for capital improvements; such reserves could be applied to rectify the applicable Notice of Default. However, the Corporation can give no assurance as to whether such loan proceeds and reserves will, in fact, be used by the Mortgagor in such manner or whether the amount of such reserves will be sufficient to correct all violations.
