Multi-Family Housing Revenue Bonds,  
2016 Series J-1 (Federally Taxable) (Sustainable Development Bonds)**

This 2016 Series J-1 Supplement (the “2016 Series J-1 Supplement”) sets forth certain information supplementary to that contained in the Official Statement, dated [\_\_\_\_], 2022 (the “Official Statement”), relating to the Multi-Family Housing Revenue Bonds, 2016 Series J-1 (the “2016 Series J-1 Bonds”) issued by the New York City Housing Development Corporation (the “Corporation”).

The information contained in this 2016 Series J-1 Supplement should be read together with the Official Statement. *This 2016 Series J-1 Supplement in general describes the 2016 Series J-1 Bonds only upon and after the Conversion (defined below) and only for so long as (i) the Credit Enhancement Agreement (defined below) is in effect, (ii) the 2016 Series J-1 Bonds bear interest at the Index Floating Rate and (iii) no Post-Conversion Tender Date (defined herein) has occurred.* Unless otherwise defined in this 2016 Series J-1 Supplement, all terms used herein shall have the same meanings as set forth in the Official Statement.

The Federal Home Loan Mortgage Corporation (“Freddie Mac”) has agreed that upon completion of the 2016 Series J Development and the satisfaction of certain other conditions, it will issue a direct pay Credit Enhancement Agreement (the “Credit Enhancement Agreement”) with respect to the 2016 Series J-1 Bonds to The Bank of New York Mellon, as trustee for the 2016 Series J-1 Bonds (the “Trustee”). The delivery of the Credit Enhancement Agreement and the satisfaction of certain other conditions set forth in the 2016 Series J Supplemental Resolution and the Construction Phase Financing Agreement (as defined herein) shall constitute the “Conversion” of the 2016 Series J Mortgage Loan.

The Resolutions provide that, if the Conversion occurs, the 2016 Series J Mortgage Loan will thereupon be released from the lien of the General Resolution and the 2016 Series J-1 Bonds will thereupon become a series of bonds that is separately secured from all other Bonds issued and to be issued under the General Resolution such that, after the date of the Conversion, no Revenues or assets pledged under the General Resolution will be available for the payment of the principal or Redemption Price of or interest on the 2016 Series J-1 Bonds and no revenues or assets pledged under the 2016 Series J Supplemental Resolution shall under any circumstances (including, but not limited to, the occurrence of an Event of Default under the General Resolution) be available for the payment of the principal or Redemption Price of or Sinking Fund Payments or interest on any Bonds (other than the 2016 Series J-1 Bonds) issued or to be issued under the General Resolution.

If the Conversion occurs, payments of the principal of and interest on the 2016 Series J-1 Bonds and the Purchase Price of the 2016 Series J-1 Bonds will thereupon be secured by a direct pay obligation under the Credit Enhancement Agreement.

If delivered, the Credit Enhancement Agreement will terminate on the sixth (6th) day following the thirtieth (30th) anniversary of the date on which Conversion occurs, unless earlier terminated as described herein. If the Conversion occurs, Freddie Mac’s obligations to make advances to the Trustee upon the proper presentation of documents which conform to the terms and conditions of the Credit Enhancement Agreement will be irrevocable.

From and after the Conversion, the 2016 Series J-1 Bonds will be subject to redemption, and optional and mandatory tender for purchase, under the circumstances described in this 2016 Series J-1 Supplement.

**The 2016 Series J-1 Bonds are special obligations of the Corporation, a corporate governmental agency constituting a public benefit corporation organized and existing under the laws of the State of New York. The 2016 Series J-1 Bonds are not a debt of the State of New York or of The City of New York and neither the State nor the City shall be liable thereon, nor shall the 2016 Series J-1 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged therefor. The Corporation has no taxing power.**

IF THE CONVERSION OCCURS, FREDDIE MAC’S OBLIGATIONS WITH RESPECT TO THE 2016 SERIES J-1 BONDS WILL BE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER-OWNED GOVERNMENT SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA. FREDDIE MAC WILL HAVE NO OBLIGATION TO PURCHASE, DIRECTLY OR INDIRECTLY, ANY OF THE 2016 SERIES J-1 BONDS, BUT WILL BE OBLIGATED, PURSUANT TO THE CREDIT ENHANCEMENT AGREEMENT, TO PROVIDE FUNDS TO THE TRUSTEE TO PAY THE PURCHASE PRICE OF THE 2016 SERIES J-1 BONDS UNDER THE CIRCUMSTANCES DESCRIBED HEREIN. Multi-Family Housing Revenue Bonds,  
2016 Series J-1 (Federally Taxable) (Sustainable Development Bonds)**

This 2016 Series J-1 Supplement (the “2016 Series J-1 Supplement”) sets forth certain information supplementary to that contained in the Official Statement, dated [\_\_\_\_\_] (the “Official Statement”), relating to the remarketing of the Multi-Family Housing Revenue Bonds, 2016 Series J-1 (the “2016 Series J-1 Bonds”) which were originally issued on December 22, 2016 by the New York City Housing Development Corporation (the “Corporation”).

This information contained in this 2016 Series J-1 Supplement should be read together with the Official Statement. *This 2016 Series J-1 Supplement in general describes the 2016 Series J-1 Bonds only upon and after the Conversion (defined below) and only for so long as (i) the Credit Enhancement Agreement (defined below) is in effect, (ii) the 2016 Series J-1 Bonds bear interest at the Index Floating Rate and (iii) no Post-Conversion Tender Date (defined herein) has occurred.* Unless otherwise defined in this 2016 Series J-1 Supplement, all terms used herein shall have the same meanings as set forth in the Official Statement.

**INTRODUCTION**

The proceeds of the 2016 Series J-1 Bonds were used and are being used by the Corporation to finance one (1) Mortgage Loan (the “2016 Series J Mortgage Loan”) for the construction of one (1) Development (the “2016 Series J Development”). See “PLAN OF FINANCING—2016 Series J Mortgage Loan” in the Official Statement.

The Federal Home Loan Mortgage Corporation (“Freddie Mac”) has agreed that upon completion of the 2016 Series J Development and the satisfaction of certain other conditions, it will issue a direct pay Credit Enhancement Agreement (the “Credit Enhancement Agreement”) with respect to the 2016 Series J-1 Bonds to The Bank of New York Mellon, as trustee for the 2016 Series J-1 Bonds (the “Trustee”). The delivery of the Credit Enhancement Agreement and the satisfaction of certain other conditions set forth in the 2016 Series J Supplemental Resolution and the Construction Phase Financing Agreement (as defined herein) shall constitute the “Conversion” of the 2016 Series J Mortgage Loan.

The Resolutions provide that, if the Conversion occurs, the 2016 Series J Mortgage Loan will thereupon be released from the lien of the General Resolution and the 2016 Series J-1 Bonds will thereupon become a series of bonds that is separately secured from all other Bonds issued and to be issued under the General Resolution such that, after the date of the Conversion, no Revenues or assets pledged under the General Resolution will be available for the payment of the principal or Redemption Price of or

interest on the 2016 Series J-1 Bonds and no revenues or assets pledged under the 2016 Series J Supplemental Resolution shall under any circumstances (including, but not limited to, the occurrence of an Event of Default under the General Resolution) be available for the payment of the principal or Redemption Price of or Sinking Fund Payments or interest on any Bonds (other than the 2016 Series J-1 Bonds) issued or to be issued under the General Resolution.

The 2016 Series J-1 Bonds are special obligations of the Corporation that, if the Conversion occurs, will thereafter be payable solely from payments under the 2016 Series J Mortgage Loan and other 2016 Series J Revenues pledged therefor under the 2016 Series J Supplemental Resolution, including any investment earnings thereon, all as provided in accordance with the terms of the 2016 Series J Supplemental Resolution. In addition, if the Conversion occurs, the 2016 Series J-1 Bonds will thereafter be payable from advances under the Credit Enhancement Agreement or any Alternate Security. The 2016 Series J-1 Bonds are not a debt of the State of New York or The City of New York and neither the State nor the City shall be liable thereon, nor shall the 2016 Series J-1 Bonds be payable out of any funds of the Corporation other than those of the Corporation pledged therefor. The Corporation has no taxing power.

### **SECURITY FOR THE 2016 SERIES J-1 BONDS**

If the Conversion occurs, the Mortgage and the Mortgage Note will thereupon be amended and restated (as amended and restated, the “Mortgage” and the “Mortgage Note”, respectively). Payment of the 2016 Series J-1 Bonds will thereupon be secured only by the 2016 Series J Mortgage Loan and the 2016 Series J Revenues or assets pledged under the 2016 Series J Supplemental Resolution, and not by any other mortgage loan or revenues or assets pledged under any other resolution, including, but not limited to, the General Resolution.

If the Conversion occurs, the Corporation will, pursuant to the terms of the 2016 Series J Supplemental Resolution and an Assignment and Intercreditor Agreement (the “Assignment”) to be entered into by and among the Corporation, the Trustee and Freddie Mac and acknowledged by CJ Plaza One LLC and BRP JAMSTA TC Owner LLC (collectively, the “Mortgagor”), thereupon assign and deliver to Freddie Mac and the Trustee, as their interests may appear, subject to the reservation of certain rights by the Corporation, all of its right, title and interest in and to the 2016 Series J Mortgage Loan and the Mortgage Documents, including the Financing Agreement to be entered into between the Mortgagor and the Corporation. Freddie Mac will have the right under the Assignment to direct the Trustee to assign the Mortgage Note and the Mortgage to Freddie Mac in certain events.

The Mortgagor will be required under the Mortgage Note to make payments sufficient to pay principal of and interest on the 2016 Series J-1 Bonds. If the Conversion occurs, the Mortgagor will thereupon enter into a Reimbursement and Security Agreement (the “Reimbursement Agreement”) with Freddie Mac pursuant to which the Mortgagor will agree to reimburse Freddie Mac for any payments made by Freddie Mac under the Credit Enhancement Agreement. Failure of the Mortgagor to make payments when due under the 2016 Series J Mortgage Loan or the Reimbursement Agreement will result in an event of default under the 2016 Series J Mortgage Loan and the Reimbursement Agreement and may, at the option of Freddie Mac, result in a mandatory tender or redemption of all or a portion of the 2016 Series J-1 Bonds. See “DESCRIPTION OF THE 2016 SERIES J-1 BONDS—Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2016 Series J-1 Bonds upon an Event of Termination” and “—Redemption Provisions for 2016 Series J-1 Bonds—Mandatory Redemption Following an Event of Termination” herein. See also “SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT” herein.

### Credit Enhancement Agreement

The following description of the form of the Credit Enhancement Agreement attached to the Construction Phase Financing Agreement and to be delivered upon Conversion of the 2016 Series J Mortgage Loan does not purport to be complete or to cover all sections of the Credit Enhancement Agreement. Reference is made to the Construction Phase Financing Agreement (to which is attached the form of Credit Enhancement Agreement), which will be on file with the Trustee, for the complete terms of such form of Credit Enhancement Agreement and the rights, duties and obligations of Freddie Mac and the Trustee under the Credit Enhancement Agreement upon its delivery.

If the Conversion occurs, the Mortgagor will thereupon cause Freddie Mac to execute and deliver a direct pay Credit Enhancement Agreement to the Trustee for the 2016 Series J-1 Bonds.

Upon presentation by the Trustee of documents required by the Credit Enhancement Agreement and subject to the terms and conditions thereof, Freddie Mac will advance funds under such Credit Enhancement Agreement to the Trustee with respect to the payment of (i) the principal amount of the Mortgage Note to enable the Trustee to pay the principal amount of the 2016 Series J-1 Bonds (other than 2016 Series J-1 Bonds that are Purchased Bonds) when due by reason of maturity, redemption or acceleration; (ii) an amount equal to interest on the 2016 Series J Mortgage Loan to enable the Trustee to pay interest for up to 95 days' interest (computed at the Maximum Rate) on the 2016 Series J-1 Bonds (other than 2016 Series J-1 Bonds that are Purchased Bonds) when due; and (iii) the Corporation's regularly scheduled fee, if such fee is not paid by the Mortgagor to the Corporation in a timely manner.

Freddie Mac will also advance funds under the Credit Enhancement Agreement to the Trustee with respect to the payment of the principal amount of the 2016 Series J-1 Bonds and up to 95 days' interest thereon (computed at the Maximum Rate) in order to pay the Purchase Price of 2016 Series J-1 Bonds tendered to the Trustee as Tender Agent and not remarketed.

The Credit Enhancement Agreement terminates on the first to occur of (a) the date the 2016 Series J-1 Bonds shall have been paid in full, (b) the sixth (6th) day following the thirtieth (30th) anniversary of the date on which Conversion occurs, (c) the date on which the Trustee, after having received sufficient funds to redeem all of the 2016 Series J-1 Bonds Outstanding in accordance with the terms of the 2016 Series J Supplemental Resolution, shall have released all monies or securities held by it pursuant to the 2016 Series J Supplemental Resolution and shall have paid to Freddie Mac all amounts required to be paid under the 2016 Series J Supplemental Resolution, the Financing Agreement, the Reimbursement Agreement or the Credit Enhancement Agreement, and (d) the second Business Day following the effective date of any Alternate Security.

The Credit Enhancement Agreement constitutes a "Credit Facility" and the "Initial Credit Facility" under the 2016 Series J Supplemental Resolution and Freddie Mac constitutes a "Credit Facility Provider" and the "Initial Credit Facility Provider" under the 2016 Series J Supplemental Resolution.

**FREDDIE MAC'S OBLIGATIONS WITH RESPECT TO THE 2016 SERIES J-1 BONDS ARE SOLELY AS PROVIDED IN THE CREDIT ENHANCEMENT AGREEMENT. THE OBLIGATIONS OF FREDDIE MAC UNDER THE CREDIT ENHANCEMENT AGREEMENT WILL BE OBLIGATIONS SOLELY OF FREDDIE MAC, A SHAREHOLDER OWNED GOVERNMENT SPONSORED ENTERPRISE ORGANIZED UNDER THE LAWS OF THE UNITED STATES OF AMERICA, AND WILL NOT BE BACKED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA. THE 2016 SERIES J-1 BONDS ARE NOT A DEBT OF THE UNITED STATES OF AMERICA OR ANY OTHER AGENCY OR INSTRUMENTALITY OF THE UNITED**

STATES OF AMERICA OR OF FREDDIE MAC. THE 2016 SERIES J-1 BONDS ARE NOT GUARANTEED BY THE FULL FAITH AND CREDIT OF THE UNITED STATES OF AMERICA.

### **THE 2016 SERIES J DEVELOPMENT AND THE MORTGAGOR**

The information in this section supplements the information in the Official Statement under “PLAN OF FINANCING—2016 Series J Mortgage Loan” with respect to the 2016 Series J Mortgage Loan and the 2016 Series J Development.

#### The 2016 Series J Development

The 2016 Series J-1 Bonds were issued by the Corporation to finance a portion of the 2016 Series J Mortgage Loan for the construction of the 2016 Series J Development located at 147-40 Archer Avenue, Jamaica in the Borough of Queens in the City of New York, and certain other costs related thereto. The 2016 Series J Development is known as The Crossing at Jamaica Station High Rise. It is anticipated that, if the Conversion occurs, the outstanding principal balance of the 2016 Series J Mortgage Loan upon the Conversion will be \$158,000,000.

The 2016 Series J Development is anticipated to be a 28-story mixed use building, with a total of five hundred thirty-eight (538) residential apartments plus one superintendent’s unit and approximately 24,969 square feet of commercial space, a parking garage with approximately 211 parking spaces and amenities for the residential tenants. The 2016 Series J Development is anticipated to contain ninety-eight (98) studio apartments, two hundred two (202) one-bedroom apartments, two hundred sixteen (216) two-bedroom apartments plus one two-bedroom apartment for the superintendent and twenty-two (22) three-bedroom apartments. Approximately 17% of the apartments (“Low Income Apartments”) will be made available to households whose incomes are not more than 60% of New York City area median income (“AMI”) at initial occupancy; approximately 19% of the apartments (“Moderate Income Apartments”) will be made available to households whose incomes are not more than 130% of AMI at initial occupancy; approximately 9% of the apartments will be made available to households whose incomes are not more than 145% of AMI at initial occupancy; and approximately 56% of the apartments will be made available to households whose incomes are not more than 165% of AMI at initial occupancy. The 2016 Series J Development is subject to a condominium declaration and consists of four (4) condominium units. One condominium unit consists of the Low Income Apartments (“Low Income Rental Unit”), one condominium unit consists of the balance of the apartments (the “Other Rental Unit”), one condominium unit consists of the commercial area and one condominium unit consists of the parking garage.

Construction of the 2016 Series J Development is 100% complete and temporary certificates of occupancy have been issued for the entire 2016 Series J Development. The initial marketing of the residential units in the 2016 Series J Development is underway and as of March 1, 2022, 37% of the residential units have been leased-up.

In addition to the 2016 Series J Mortgage Loan, the Mortgagor has received subordinate financing at below-market interest rates from the Corporation and the New York State Housing Finance Agency (“HFA”). The rental apartments in the 2016 Series J Development are subject to restrictive covenants affecting the use and occupancy of the 2016 Series J Development including restrictions on rents, which, in the case of the Low Income Apartments and fifteen (15) of the Moderate Income Apartments, will continue in perpetuity.

The Mortgagor has obtained a forty-year exemption from real estate taxes for the residential portion of the 2016 Series J Development in accordance with Article XI of the Private Housing Finance

Law of the State of New York, which exemption requires all residential units in the 2016 Series J Development to be subject to rent regulation in accordance with the New York City Rent Stabilization Code.

Due to the inherent uncertainty of future events and conditions, including, without limitation, general interest rate levels, no assurance can be given that revenues generated by the 2016 Series J Development will be sufficient to pay debt service on the 2016 Series J Mortgage Loan, operating expenses of the 2016 Series J Development, Freddie Mac fees, Trustee fees, and fees owed to the Corporation. The ability of the Mortgagor to generate sufficient revenues will be affected by a variety of factors including, but not limited to, the maintenance of a sufficient level of occupancy, the requirement that the rent charged for the Low Income Apartments be substantially below market rates, the requirement that the rent charged for the Moderate Income Apartments be below market rates, the level of rents prevailing in the market with respect to the 2016 Series J Development other than the Low Income Apartments and the Moderate Income Apartments, the ability to achieve increases in rents due to, among other things, the New York City Rent Stabilization Code, to cover increases in debt service and operating expenses, the level of operating expenses, the cost of interest rate hedges, 2016 Series J Development management, adverse changes in applicable laws and regulations, and general economic conditions and other factors in the metropolitan area surrounding the 2016 Series J Development. Furthermore, adverse changes may occur from time to time with respect to any of the preceding factors or other factors or events which may have a negative impact on the occupancy level and rental income of the 2016 Series J Development. Failure of the Mortgagor to make payments under the 2016 Series J Mortgage Loan will result in an event of default under the Reimbursement Agreement and may, at the option of Freddie Mac, result in a mandatory tender or redemption in whole or in part of the 2016 Series J-1 Bonds. See “SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT” herein.

#### The Mortgagor

HP JAMSTA Housing Development Fund Company, Inc., a New York not-for-profit corporation (the “HDFC”), holds legal title to the 2016 Series J Development pursuant to nominee agreements with CJ Plaza One LLC, a New York limited liability company, the beneficial owner of the 2016 Series J Development, other than the Low Income Rental Unit (the “Moderate Mortgagor”) and BRP JAMSTA TC Owner LLC (the “LIHTC Mortgagor”) and collectively with the Moderate Mortgagor, the “Mortgagor” and each individually, a “Mortgagor”), a New York limited liability company, the beneficial owner of the Low Income Rental Unit. Each Mortgagor will be jointly and severally liable under the Mortgage, the Mortgage Note and the Reimbursement Agreement. The HDFC’s interest in the 2016 Series J Development will be subject to the Mortgage but the HDFC will not be liable under the Mortgage, the Mortgage Note and the Reimbursement Agreement. The Moderate Mortgagor was formed in 2014 for the purposes of acquiring and developing the 2016 Series J Development and ultimately owning and operating the Other Rental Unit and the condominium units containing the commercial space and the parking garage. The LIHTC Mortgagor was formed in 2015 for the purposes of acquiring and developing and ultimately owning and operating the Low Income Rental Unit. As such, neither Mortgagor has previously engaged in any business operations, has any historical earnings or has any material assets other than its interest in the 2016 Series J Development. The Mortgage Loan is a non-recourse obligation of the Mortgagor with respect to which their members have no personal liability and as to which the members have not pledged for the benefit of the Bondholders any of their assets, other than their interests in the 2016 Series J Development and its rents, profits and proceeds. Accordingly, it is expected that none of the Mortgagors will have any sources of funds to make payments on the 2016 Series J Mortgage Loan other than revenues generated by the 2016 Series J Development.

The members of each Mortgagor are entities directly or indirectly controlled by (a) individuals affiliated with BRP Development Corporation (“BRP Individuals”) and (b) affiliates of Goldman Sachs

Group, Inc., with BRP Individuals being responsible for day to day management of each Mortgagor. The BRP Individuals collectively have over 100 years of experience in developing affordable housing in New York City. Their developments include low and moderate-income housing as well as luxury condominiums, together totaling over 3,400 units.

## **FREDDIE MAC**

The information presented under this caption “FREDDIE MAC” has been supplied by Freddie Mac. None of the Corporation, the Trustee, the Mortgagor or any Remarketing Agent has independently verified such information, and none assumes responsibility for the accuracy of such information. The information is qualified in its entirety by reference to the Incorporated Documents, as defined below.

Freddie Mac is a shareholder-owned government-sponsored enterprise created on July 24, 1970 pursuant to the Federal Home Loan Mortgage Corporation Act, Title III of the Emergency Home Finance Act of 1970, as amended, 12 U.S.C. §§ 1451-1459 (the “Freddie Mac Act”). Freddie Mac’s statutory mission is (i) to provide stability in the secondary market for residential mortgages; (ii) to respond appropriately to the private capital market; (iii) to provide ongoing assistance to the secondary market for residential mortgages (including activities relating to mortgages on housing for low- and moderate-income families involving a reasonable economic return that may be less than the return earned on other activities); and (iv) to promote access to mortgage credit throughout the United States (including central cities, rural areas and underserved areas) by increasing the liquidity of mortgage financing. Neither the United States nor any agency or instrumentality of the United States is obligated, either directly or indirectly, to fund the mortgage purchase or financing activities of Freddie Mac or to guarantee Freddie Mac’s securities or obligations.

Freddie Mac’s principal business consists of the purchase of (i) first-lien, conventional residential mortgages subject to certain maximum loan limits and other underwriting requirements under the Freddie Mac Act and (ii) securities backed by such mortgages. Freddie Mac finances its mortgage purchases and mortgage-backed securities purchases through the issuance of a variety of securities, primarily pass-through mortgage participation certificates and unsecured debt, as well as with cash and equity capital.

On September 7, 2008, the Director of the Federal Housing Finance Agency (“FHFA”) appointed FHFA as conservator of Freddie Mac in accordance with the Federal Housing Finance Reform Act of 2008 (the “Reform Act”) and the Federal Housing Enterprises Financial Safety and Soundness Act of 1992. On September 7, 2008, in connection with the appointment of FHFA as conservator, Freddie Mac and the U.S. Department of the Treasury (“Treasury”) entered into a Senior Preferred Stock Purchase Agreement. Also, pursuant to its authority under the Reform Act, Treasury announced that it has established the Government Sponsored Enterprise Credit Facility (a lending facility to ensure credit availability to Freddie Mac, Fannie Mae, and the Federal Home Loan Banks that will provide secured funding on an as needed basis under terms and conditions established by the Treasury Secretary to protect taxpayers) and a program under which Treasury will purchase Government Sponsored Enterprise (including Freddie Mac) mortgage-backed securities (MBS) in the open market. The announcements by FHFA and Treasury and descriptions of these programs are available at their respective websites: <http://www.OFHFO.gov> and <http://www.Treasury.gov>.

Freddie Mac registered its common stock with the U.S. Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934 (the “Exchange Act”), effective July 18, 2008. As a result, Freddie Mac files annual, quarterly and current reports, proxy statements and other information with the SEC. Prior to July 18, 2008, Freddie Mac prepared an annual Information Statement (containing annual financial disclosures and audited consolidated financial statements) and Information Statement Supplements (containing periodic updates to the annual Information Statement).

As described below, Freddie Mac incorporates certain documents by reference in this 2016 Series J-1 Supplement, which means that Freddie Mac is disclosing information to you by referring you to those documents rather than by providing you with separate copies. Freddie Mac incorporates by reference in this 2016 Series J-1 Supplement its proxy statement, and all documents that Freddie Mac files with the SEC pursuant to Section 13(a), 13(c) or 14 of the Exchange Act, after July 18, 2008 and prior to the completion of the offering of the 2016 Series J-1 Bonds, excluding any information that Freddie Mac may “furnish” to the SEC but that is not deemed to be “filed.” Freddie Mac also incorporates by reference its Registration Statement on Form 10, in the form declared effective by the SEC on July 18, 2008 (the “Registration Statement”). These documents are collectively referred to as the “Incorporated Documents” and are considered part of this 2016 Series J-1 Supplement. You should read this 2016 Series J-1 Supplement, in conjunction with the Incorporated Documents. Information that Freddie Mac incorporates by reference will automatically update information in this 2016 Series J-1 Supplement. ## DESCRIPTION OF THE 2016 SERIES J-1 BONDS

### General

**This section, “DESCRIPTION OF THE 2016 SERIES J-1 BONDS,” in general describes the 2016 Series J-1 Bonds only upon and after the Conversion and only for so long as (i) the Credit Enhancement Agreement is in effect, (ii) the 2016 Series J-1 Bonds bear interest at the Index Floating Rate and (iii) no Post-Conversion Tender Date has occurred.** The terms of the 2016 Series J-1 Bonds prior to the Conversion are described in the Official Statement under “DESCRIPTION OF THE 2016 SERIES J-1 BONDS.”

The 2016 Series J-1 Bonds will bear interest at a floating rate based on an interest rate index as described herein, and are subject to optional and mandatory tender as described herein. The 2016 Series J-1 Bonds will mature on the date and in the amount set forth on the inside cover pages of the Official Statement.

Interest on the 2016 Series J-1 Bonds shall be payable on each Index Rate Interest Payment Date (as defined below) and shall be computed on the basis of a 360-day year for the actual number of days elapsed.

### Interest Rate

Each 2016 Series J-1 Bond will bear interest during each Interest Period with respect to such 2016 Series J-1 Bond at a variable rate (the “Index Rate”) equal to the greater of (a) the Average SOFR Rate for such Interest Period plus [ ]% per annum and (b) 0% per annum; *provided, however*, that the Index Rate shall not exceed [12]% per annum (the “Maximum Rate”).

For the purposes of this section “DESCRIPTION OF THE 2016 SERIES J-1 BONDS,” the following terms shall have the following meanings:

“Average SOFR Rate” means, with respect to any Interest Period, the arithmetical mean (rounded to the nearest ten-thousandth of one percent, if other than a multiple of one ten-thousandth of one percent) of the Individual SOFR Rates for all calendar days in such Interest Period. (For example, if the arithmetical mean of the Individual SOFR Rates for all calendar days in an Interest Period is 0.12345%, the Average SOFR Rate for such Interest Period is 0.1235%.)

“Federal Reserve’s Website” means the website of the Federal Reserve Bank of New York, currently at <http://www.newyorkfed.org>, or any successor website of the Federal Reserve Bank of New York.

“Index Rate Interest Payment Date” means the first Business Day of February, May, August and November of each year.

“Individual SOFR Rate” means, (i) with respect to any calendar day that is a Reset Date, SOFR for the Reference Date with respect to such Reset Date, and (ii) with respect to any calendar day that is not a Reset Date, the Individual SOFR Rate for the immediately preceding calendar day.

“Interest Period” means, with respect to a 2016 Series J-1 Bond, a period beginning on, and including, an Index Rate Interest Payment Date to, but excluding, the next succeeding Index Rate Interest Payment Date (or earlier date of redemption or maturity of such 2016 Series J-1 Bond); *provided*, however, that the first Interest Period shall begin on, and include, [the Conversion Date].

“Reference Date” means, with respect to any Reset Date, the second U.S. Government Securities Business Day next preceding such Reset Date.

“Reset Date” means each U.S. Government Securities Business Day.

“SOFR” means, with respect to any Reference Date, the Secured Overnight Financing Rate for such Reference Date that is posted on the Federal Reserve’s Website; *provided, however* that if the Secured Overnight Financing Rate for such Reference Date is not posted on the Federal Reserve’s Website, then the Trustee shall use the Secured Overnight Financing Rate for the last U.S. Government

Securities Business Day preceding such Reference Date for which the Secured Overnight Financing Rate was published on the Federal Reserve's Website.

“U.S. Government Securities Business Day” means any day except for a Saturday, Sunday or a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. Government Securities.

#### Benchmark Transition Event

If the Corporation determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, and gives Notice thereof to the Trustee, prior to the time the Interest Rate is determined on a Reset Date, the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the 2016 Series J-1 Bonds in respect of such determination on such Reset Date and all determinations on all subsequent Reset Dates during an Index Rate Period. In connection with the implementation of a Benchmark Replacement, the Corporation shall have the right to make Benchmark Replacement Conforming Changes from time to time.

“Benchmark” means, initially, the Secured Overnight Financing Rate and, after a replacement of the Secured Overnight Financing Rate as provided herein, the last-established Benchmark Replacement.

“Benchmark Replacement” means the sum of: (a) the alternate rate of interest that has been selected by the Corporation as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar denominated floating rate notes and bonds at such time and (b) the Benchmark Replacement Adjustment.

“Benchmark Replacement Adjustment” means the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Corporation giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar denominated floating rate notes and bonds at such time.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the timing and frequency of determining rates and making payments of interest and other administrative matters) that the Corporation determines may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Corporation determines that adoption of any portion of such market practice is not administratively feasible or if the Corporation determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Corporation determines is reasonably necessary).

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark: (1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark; or (2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein.

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of the Benchmark announcing that such administrator has ceased or will cease to provide the Benchmark, permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark;

(2) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark, the central bank for the currency of the Benchmark, an insolvency official with jurisdiction over the administrator for the Benchmark, a resolution authority with jurisdiction over the administrator for the Benchmark or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark has ceased or will cease to provide the Benchmark permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark; or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative.

“Corresponding Tenor” with respect to a Benchmark Replacement means a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the then-current Benchmark.

“Unadjusted Benchmark Replacement” means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

#### Interest Rate Change

The 2016 Series J-1 Bonds are subject to conversion to an alternate method of determining the interest rate thereon and to conversion to an interest rate fixed to maturity, in either case upon the terms and conditions described herein and with the prior written consent of the Credit Facility Provider, on an Index Rate Interest Payment Date or on the Post-Conversion Tender Date (if any).

No change in the method of determining the interest rate on the 2016 Series J-1 Bonds shall be made unless the Trustee has received, at least 30 days prior to the date on which the method of determining the interest rate on the 2016 Series J-1 Bonds is to change (the “Interest Method Change Date”), among other things, (1) a Certificate of an Authorized Officer of the Mortgagor accompanied by the written consent of the Corporation specifying (a) the date which is to be the Interest Method Change Date and (b) the method of determining the interest rate which shall take effect on such date, and (2) a Bond Counsel’s Opinion to the effect that the proposed change in the method of determining the interest rate on the 2016 Series J-1 Bonds is consistent with the provisions of the 2016 Series J Supplemental Resolution.

[The Corporation may cancel the Interest Method Change Date in its discretion or if any of the conditions to the Interest Method Change Date cannot be satisfied. In such event, the new method of determining the interest rate on the 2016 Series J-1 Bonds shall not take effect and the related mandatory tender shall be canceled.]

## Optional and Mandatory Tender of 2016 Series J-1 Bonds for Purchase

### Purchase of 2016 Series J-1 Bonds on Demand of Owners

On any date on or after the fifth anniversary of the Conversion Date, an owner of 2016 Series J-1 Bonds may deliver to the Corporation a written notice in a form satisfactory to the Corporation (said notice to be irrevocable and effective upon receipt) (the “Post-Conversion Tender Notice”) stating such owner’s election that such 2016 Series J-1 Bonds be purchased on the Post-Conversion Tender Date to be determined as described below, at a price equal to 100% of the principal amount thereof, plus accrued interest to the purchase date (the “Purchase Price”). However, no 2016 Series J-1 Bonds of any owner shall be purchased on the Post-Conversion Tender Date unless the owners of all of the 2016 Series J-1 Bonds shall have timely delivered the Post-Conversion Tender Notice for all 2016 Series J-1 Bonds on a single date.

The “Post-Conversion Tender Date” shall be the fourth Index Rate Interest Payment Date next succeeding the date on which the Corporation receives the Post-Conversion Tender Notice; provided, however, that at any time after the Corporation’s receipt of the Post-Conversion Tender Notice and prior to such fourth Index Rate Interest Payment Date, the Corporation with the prior written consent of the Credit Facility Provider and the Mortgagor may deliver to the Trustee, the Tender Agent, the Remarketing Agent, the Mortgagor and the Servicer a written notice (an “Early Post-Conversion Tender Date Notice”) specifying an earlier Business Day (not earlier than the fifteenth day after the Corporation’s delivery of such notice to the Trustee) as the Post-Conversion Tender Date, and, in such event, the Post-Conversion Tender Date shall be such earlier Business Day. No later than the close of business on the day it receives an Early Post-Conversion Tender Date Notice, the Trustee shall mail a copy thereof to the owners of the 2016 Series J-1 Bonds at their last address appearing on the registry books.

Any 2016 Series J-1 Bonds as to which a Post-Conversion Tender Notice is received as described above shall be purchased at the Purchase Price from the owner thereof on the Post Conversion Tender Date, upon delivery to the Tender Agent, at or prior to 12:00 noon, New York City time, on the Post-Conversion Tender Date, of such 2016 Series J-1 Bonds to be purchased with an appropriate endorsement for transfer to the Tender Agent or accompanied by a bond power endorsed in blank.

Any 2016 Series J-1 Bonds not so delivered to the Tender Agent on or prior to the purchase date (“Undelivered 2016 Series J-1 Bonds”) for which there has been irrevocably deposited in trust with the Trustee or the Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2016 Series J-1 Bonds shall be deemed to have been purchased at the Purchase Price. **IN THE EVENT OF A FAILURE BY AN OWNER OF 2016 SERIES J-1 BONDS TO DELIVER ITS 2016 SERIES J-1 BONDS ON OR PRIOR TO THE PURCHASE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE PURCHASE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2016 SERIES J-1 BONDS, AND ANY UNDELIVERED 2016 SERIES J-1 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE 2016 SERIES J SUPPLEMENTAL RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.**

### Mandatory Tender of 2016 Series J-1 Bonds for Purchase on Interest Method Change Date, Facility Change Date and Discretionary Tender Date

The 2016 Series J-1 Bonds shall be subject to mandatory tender for purchase on (i) any Interest Method Change Date, (ii) any Facility Change Date (other than in connection with the delivery of the Credit Enhancement Agreement) and (iii) any Discretionary Tender Date (an Interest Method Change

Date, any such Facility Change Date and a Discretionary Tender Date are each a “Change Date”), at the Purchase Price.

“Discretionary Tender Date” means a date, specified by the Corporation (with the prior written consent of the Credit Facility Provider, provided that such consent shall not be required if an Act of Bankruptcy with respect to the Credit Facility Provider has occurred) in a written notice delivered to the Trustee, upon which all of the 2016 Series J-1 Bonds shall be subject to mandatory tender at the Purchase Price, provided that such date (i) shall not be earlier than fifteen (15) days following receipt by the Trustee of such written notice and (ii) shall be an Index Rate Interest Payment Date.

“Facility Change Date” means (i) any date on which a new Credit Facility, a Liquidity Facility or a Mortgage Purchase Agreement replaces the Credit Enhancement Agreement or (ii) the date that is two (2) Business Days before any date on which the Credit Enhancement Agreement terminates or expires and is not extended or replaced.

The Trustee shall deliver, or mail by first class mail, postage prepaid, a notice not later than fifteen (15) days prior to the Change Date to the owner of each 2016 Series J-1 Bond, at its address shown on the registration books of the Corporation held by the Trustee. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. Such notice shall set forth, in substance, the Change Date and reason therefor, that all owners of 2016 Series J-1 Bonds shall be deemed to have tendered their 2016 Series J-1 Bonds for purchase on the Change Date, and the Purchase Price for such 2016 Series J-1 Bonds.

Owners of 2016 Series J-1 Bonds shall be required to tender their 2016 Series J-1 Bonds to the Tender Agent for purchase at the Purchase Price on the Change Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2016 Series J-1 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2016 Series J-1 Bonds shall be deemed to have been purchased at the Purchase Price on the Change Date. IN THE EVENT OF A FAILURE BY AN OWNER OF 2016 SERIES J-1 BONDS TO DELIVER ITS 2016 SERIES J-1 BONDS ON OR PRIOR TO THE CHANGE DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE CHANGE DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2016 SERIES J-1 BONDS, AND ANY UNDELIVERED 2016 SERIES J-1 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE 2016 SERIES J SUPPLEMENTAL RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

The Corporation may, in its discretion, cancel a Change Date (other than a Change Date that is a Facility Change Date described in clause (ii) of the definition thereof), in which case the related mandatory tender shall be canceled. In addition, if the conditions to a Change Date are not satisfied, such Change Date shall be canceled and the related mandatory tender shall be canceled. The Corporation shall promptly notify the Trustee of any such cancellation and the Trustee shall thereupon deliver, or mail by first class mail, postage prepaid, a notice of such cancellation to the owner of each 2016 Series J Bond, at its address shown on the registration books of the Corporation held by the Trustee.

#### Credit Facility Provider’s Right to Cause a Mandatory Tender for Purchase of 2016 Series J-1 Bonds upon an Event of Termination

Pursuant to the 2016 Series J Supplemental Resolution, for so long as the Credit Facility is in effect, upon the receipt by the Trustee of written notice from the Credit Facility Provider that one or more events of default have occurred under the Reimbursement Agreement (defined in the 2016 Series J

Supplemental Resolution as an “Event of Termination”), including, but not limited to, a default under the 2016 Series J Mortgage Loan or a failure to reimburse the Credit Facility Provider under the Reimbursement Agreement, the Credit Facility Provider may specify a date (an “Event of Termination Tender Date”) on which all or a portion of the 2016 Series J-1 Bonds shall be subject to mandatory tender for purchase, which Event of Termination Tender Date shall not be later than eight (8) days following receipt by the Trustee of the direction to purchase such 2016 Series J-1 Bonds. If only a portion of the 2016 Series J-1 Bonds are to be subject to mandatory tender for purchase, the particular 2016 Series J-1 Bonds to be tendered (which shall be in authorized denominations) shall be selected by the Trustee by lot, using such method as it shall determine in its sole discretion, except that the Trustee shall not select any 2016 Series J-1 Bond for tender which would result in any remaining 2016 Series J-1 Bond not being in an authorized denomination as provided in the 2016 Series J Supplemental Resolution. Upon receipt of such written notice from the Credit Facility Provider, the Trustee shall immediately deliver by overnight express mail or courier service, a notice of mandatory tender for purchase to the owner of each 2016 Series J-1 Bond to which such notice relates at its address shown on the registration books of the Corporation held by the Trustee. Any notice given in such manner shall be conclusively presumed to have been duly given, whether or not the owner receives such notice. See “SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT” herein.

Any notice of mandatory tender of 2016 Series J-1 Bonds relating to an Event of Termination specified by the Credit Facility Provider shall set forth, in substance, the Event of Termination Tender Date and reason therefor, that all owners of affected 2016 Series J-1 Bonds shall be deemed to have tendered their 2016 Series J-1 Bonds for purchase on the Event of Termination Tender Date and the Purchase Price for such 2016 Series J-1 Bonds. Owners of 2016 Series J-1 Bonds to which a notice of mandatory tender for purchase relates shall be required to tender their 2016 Series J-1 Bonds to the Tender Agent for purchase at the Purchase Price on the Event of Termination Tender Date with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power endorsed in blank. Any Undelivered 2016 Series J-1 Bonds for which there has been irrevocably deposited in trust with the Trustee or Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2016 Series J-1 Bonds shall be deemed to have been purchased at the Purchase Price on the Event of Termination Tender Date. IN THE EVENT OF A FAILURE BY AN OWNER OF AFFECTED 2016 SERIES J-1 BONDS TO DELIVER ITS 2016 SERIES J-1 BONDS ON OR PRIOR TO THE EVENT OF TERMINATION TENDER DATE, SAID OWNER SHALL NOT BE ENTITLED TO ANY PAYMENT (INCLUDING ANY INTEREST TO ACCRUE SUBSEQUENT TO THE EVENT OF TERMINATION TENDER DATE) OTHER THAN THE PURCHASE PRICE FOR SUCH UNDELIVERED 2016 SERIES J-1 BONDS, AND ANY UNDELIVERED 2016 SERIES J-1 BONDS SHALL NO LONGER BE ENTITLED TO THE BENEFITS OF THE 2016 SERIES J SUPPLEMENTAL RESOLUTION, EXCEPT FOR THE PAYMENT OF THE PURCHASE PRICE THEREFOR.

#### Payment of Tendered 2016 Series J-1 Bonds

The Corporation will be obligated to pay the Purchase Price of 2016 Series J-1 Bonds, on any date on which such 2016 Series J-1 Bonds are required to be purchased as described under “Optional and Mandatory Tender of 2016 Series J-1 Bonds for Purchase” above, only from proceeds of a remarketing of such 2016 Series J-1 Bonds (if any), funds advanced under the Credit Enhancement Agreement as described below and any other monies available from and held under the 2016 Series J Supplemental Resolution.

Freddie Mac will advance funds under the Credit Enhancement Agreement to the Trustee up to the principal amount of tendered 2016 Series J-1 Bonds and accrued but unpaid interest thereon in order to pay the Purchase Price of 2016 Series J-1 Bonds tendered to the Trustee as Tender Agent and not

remarketed pursuant to the Resolutions. Freddie Mac's obligation to make advances to the Trustee upon the proper presentation of documents that conform to the terms and conditions of the Credit Enhancement Agreement are irrevocable.

The failure to pay the Purchase Price of tendered 2016 Series J-1 Bonds constitutes a 2016 Series J Event of Default. See Appendix A—"Summary of Certain Provisions of the 2016 Series J-1 Supplemental Resolution—2016 Series J Events of Default and Event of Termination" and "—Remedies."

#### Redemption Provisions for 2016 Series J-1 Bonds

After the Conversion Date, the 2016 Series J-1 Bonds will be subject to optional, mandatory redemption and sinking fund redemption prior to maturity, as described below.

##### Optional Redemption

The 2016 Series J-1 Bonds will be subject to redemption, at the option of the Corporation, in whole or in part, at any time prior to maturity on any Index Rate Interest Payment Date, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2016 Series J-1 Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date. The consent of the Credit Facility Provider shall be required for such redemption, except if an Act of Bankruptcy with respect to the Credit Facility Provider has occurred.

##### Mandatory Redemption from 2016 Series J Recoveries of Principal

The 2016 Series J-1 Bonds will be subject to mandatory redemption, in whole or in part, at any time prior to maturity, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2016 Series J-1 Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date, to the extent of: (a) 2016 Series J Recoveries of Principal resulting from (i) proceeds from the acceleration of payments due under the 2016 Series J Mortgage Loan or other remedial proceedings taken in the event of a default thereon, including proceeds of the sale of any Acquired Project, (ii) proceeds of insurance awards resulting from damage or destruction of the Project financed by the 2016 Series J Mortgage Loan, which proceeds are required to be applied to payment of the Mortgage Note pursuant to the Mortgage, or (iii) proceeds of a condemnation award resulting from the taking by condemnation (or by agreement of interested parties in lieu of condemnation) by any governmental body or any person, firm or corporation acting under governmental authority, of title to or any interest in or the temporary use of, the Project financed by the 2016 Series J Mortgage Loan or any portion thereof, which proceeds are required to be applied to payment of the Mortgage Note pursuant to the Mortgage, and (b) any other monies made available under the 2016 Series J Supplemental Resolution in connection with the redemptions described in clause (a) above.

The 2016 Series J-1 Bonds will be subject to mandatory redemption, in whole or in part, at any time prior to maturity (with the prior written consent of the Credit Facility Provider, if any; provided that no such consent shall be required if an Act of Bankruptcy with respect to the Credit Facility Provider has occurred), at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2016 Series J-1 Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date, to the extent of (a) 2016 Series J Recoveries of Principal resulting from the advance payment of amounts to become due pursuant to the 2016 Series J Mortgage Loan, at the option of the Mortgagor, and (b) any other monies made available under the 2016 Series J Supplemental Resolution in connection with the redemptions described in clause (a) above.

#### Mandatory Redemption on Bankruptcy of Credit Facility Provider

The 2016 Series J-1 Bonds will be subject to mandatory redemption, in whole, at any time prior to maturity, if, within thirty (30) days after an Act of Bankruptcy of the Credit Facility Provider, the Trustee has not received a new Credit Facility, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2016 Series J-1 Bonds to be redeemed, plus accrued interest to the Redemption Date.

#### Mandatory Redemption upon Declaration of Acceleration Following a 2016 Series J-1 Event of Default

The 2016 Series J-1 Bonds will be subject to mandatory redemption, in whole, at any time prior to maturity, without notice, upon a declaration of acceleration by the Trustee as a remedy for a 2016 Series J Event of Default under the 2016 Series J Supplemental Resolution, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2016 Series J-1 Bonds to be redeemed, plus accrued interest to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

#### Mandatory Redemption Following an Event of Termination

The 2016 Series J-1 Bonds will be subject to mandatory redemption, in whole or in part, at any time prior to maturity, without notice, upon a declaration of acceleration by the Trustee as a remedy for an Event of Termination under the 2016 Series J Supplemental Resolution, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2016 Series J-1 Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date (which Redemption Date shall be the date of such declaration of acceleration).

#### Sinking Fund Redemption

The 2016 Series J-1 Bonds will be subject to redemption at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof, plus accrued interest to the date of redemption thereof, from mandatory Sinking Fund Payments which are required to be made in amounts sufficient to redeem on the dates and in the principal amounts set forth in a Certificate of an Authorized Officer of the Corporation delivered to the Trustee on or prior to the Conversion Date. No later than the close of business on the day it receives said Certificate, the Trustee is to mail a copy thereof to the owners of the 2016 Series J-1 Bonds at their last addresses appearing on the registry books.

Upon the redemption of any 2016 Series J-1 Bonds, other than by application of Sinking Fund Payments, an amount equal to the principal amount of the 2016 Series J-1 Bonds so redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due with respect to the 2016 Series J-1 Bonds and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer at the time of such redemption.

#### Selection of Bonds to be Redeemed

In the event of redemption of less than all of the 2016 Series J-1 Bonds, the Trustee shall select the 2016 Series J-1 Bonds to be redeemed by lot, using such method of selection as it shall deem proper in its sole discretion. Notwithstanding anything to the contrary contained in the General Resolution or the 2016 Series J Supplemental Resolution, no 2016 Series J-1 Bond shall be selected for redemption if the portion of such 2016 Series J-1 Bond remaining after such redemption would not be in a denomination authorized by the 2016 Series J Supplemental Resolution.

### Notice of Redemption

When the Trustee receives notice from the Corporation of its election or direction to redeem 2016 Series J-1 Bonds, or is otherwise required to redeem all or a portion of 2016 Series J-1 Bonds, the Trustee will give notice, in the name of the Corporation, of the redemption of such 2016 Series J-1 Bonds or portions thereof. Such notice will specify the 2016 Series J-1 Bonds to be redeemed, the Redemption Date, any conditions precedent to such redemption and the place or places where amounts due upon such redemption will be payable. Not less than fifteen (15) days before the Redemption Date for the 2016 Series J-1 Bonds (other than a Redemption Date that is also a mandatory tender date), the Trustee is to mail a copy of such notice to the registered owners of any 2016 Series J-1 Bonds, or portions thereof, which are to be redeemed, at their last addresses appearing upon the registry books. The foregoing provisions of this paragraph do not apply in the case of a redemption described above under “Mandatory Redemption upon Declaration of Acceleration Following a 2016 Series J-1 Event of Default” and “Mandatory Redemption Following an Event of Termination.” Interest will not be payable on any 2016 Series J-1 Bonds or portions thereof after the Redemption Date if notice has been given, or is not required to be given, and if sufficient monies have been deposited with the Trustee to pay the principal or applicable Redemption Price of and interest on such 2016 Series J-1 Bonds on such date and all conditions precedent, if any, to such redemption shall have been satisfied.

### **SUMMARY OF CERTAIN PROVISIONS OF THE CONSTRUCTION PHASE FINANCING AGREEMENT**

The following statements are a brief summary of certain provisions of the Construction Phase Financing Agreement. This summary does not purport to be complete, and reference is made to the Construction Phase Financing Agreement for a full and complete statement of the provisions thereof, including for a complete list of the conditions to Conversion. A copy of the Construction Phase Financing Agreement is on file with the Trustee.

The Construction Phase Financing Agreement to be delivered at the initial issuance of the 2016 Series J-1 Bonds (the “Construction Phase Financing Agreement”) among Freddie Mac, Goldman Sachs Bank USA, RICHMAC Funding LLC, and acknowledged and accepted by the Mortgagor, requires that certain conditions be satisfied on or prior to [December 1, 2019] (as such date may be extended by Freddie Mac subject to the satisfaction of certain conditions as set forth therein but without Bondholder consent) in order for Conversion to occur, including, but not limited to, completion of the 2016 Series J Development, the achievement of certain occupancy levels, the meeting of certain debt coverage ratio requirements, and that the Federal Home Loan Bank of New York (or another financial institution acceptable to Freddie Mac) must be the sole holder of the 2016 Series J-1 Bonds and must not have exercised any optional tender or put right available thereto with respect to the 2016 Series J-1 Bonds prior to Conversion. The outstanding principal amount of the 2016 Series J Mortgage Loan upon Conversion cannot exceed \$158,000,000, and if the debt coverage ratio requirements are not met in accordance with the Construction Phase Financing Agreement, the Mortgagor may be required to prepay the 2016 Series J Mortgage Loan in an amount sufficient to meet such debt coverage ratio requirement as a condition to Conversion.

### **SUMMARY OF CERTAIN PROVISIONS OF THE REIMBURSEMENT AGREEMENT**

The following statements are a brief summary of certain provisions of the form of the Reimbursement Agreement attached to the Construction Phase Financing Agreement and to be delivered upon Conversion of the 2016 Series J Mortgage Loan. The summary does not purport to be complete, and reference is made to the Construction Phase Financing Agreement (to which is attached the form of Reimbursement Agreement) for a full and complete statement of the provisions of such form of

Reimbursement Agreement. Capitalized terms used in this section and not otherwise defined will have the meanings given them in the form of Reimbursement Agreement attached to the Construction Phase Financing Agreement. A copy of the Construction Phase Financing Agreement is on file with the Trustee.

The obligations of the Mortgagor to Freddie Mac will be evidenced by a Reimbursement and Security Agreement (the "Reimbursement Agreement") between the Mortgagor and Freddie Mac. The Reimbursement Agreement will govern obligations of the Mortgagor to Freddie Mac on account of Freddie Mac providing its credit enhancement pursuant to the Credit Enhancement Agreement.

Under the Reimbursement Agreement, the Mortgagor will promise to repay Freddie Mac all sums of money Freddie Mac has advanced to the Trustee for the principal payments of or the interest on the Mortgage Loan, any payments made for Purchased Bonds upon a failed remarketing and any payment made of the Corporation's regularly scheduled fee. The Reimbursement Agreement will also provide that the Mortgagor will pay the Freddie Mac Credit Facility Fee (as set forth in the Reimbursement Agreement), the Servicing Fee and other fees and expenses as provided therein.

Under the provisions of the Reimbursement Agreement, Freddie Mac may declare an Event of Default if:

(a) the Mortgagor shall fail to pay when due any amount payable by the Mortgagor under the Reimbursement Agreement, including, without limitation, any fees, costs or expenses;

(b) the Mortgagor shall fail to perform its obligations under the Reimbursement Agreement with respect to certain negative covenants or the requirement to maintain certain interest rate hedges when required under the Reimbursement Agreement;

(c) the Mortgagor shall fail to observe or perform any other term, covenant, condition or agreement set forth in the Reimbursement Agreement, which failure continues for a period of 30 days after notice of such failure by Freddie Mac to Mortgagor (unless such default cannot with due diligence be cured within 30 days but can be cured within a reasonable period and will not, in Freddie Mac's sole discretion, adversely affect Freddie Mac or result in impairment of the Reimbursement Agreement, the Mortgage, any hedge, the Reimbursement Mortgage or any other Reimbursement Security Document (as defined in the Reimbursement Agreement), in which case no Event of Default shall be deemed to exist so long as Mortgagor shall have commenced to cure the default or Event of Default within 30 days after receipt of notice, and thereafter diligently and continuously prosecutes such cure to completion). However, no such notice or grace periods shall apply in the case of any such failure which could, in Freddie Mac's judgment, absent immediate exercise by Freddie Mac of a right or remedy under the Reimbursement Agreement, result in harm to Freddie Mac, impairment of the Reimbursement Agreement, the Mortgage, any hedge, the Reimbursement Mortgage, any other Reimbursement Security Document or any other security given under any other Owner Document (as defined in the Reimbursement Agreement);

(d) the Mortgagor shall fail to observe or perform any other term, covenant, condition or agreement set forth in any of the other Owner Documents or there shall otherwise occur an "Event of Default" under the Reimbursement Mortgage or an event of default under any of the other Owner Documents (taking into account any applicable cure period);

(e) any representation or warranty made by or on behalf of the Mortgagor in the Reimbursement Agreement, in any other Owner Document or in any certificate delivered by the

Mortgagor to Freddie Mac or to the Servicer pursuant to the Reimbursement Agreement or any other Owner Document shall be inaccurate or incorrect in any material respect when made or deemed made; or

(f) a default or an event of default occurs under the terms of any other indebtedness permitted to be incurred by the Mortgagor (after taking into account any applicable cure period).

Upon an Event of Default, Freddie Mac may declare all the obligations of the Mortgagor under the Reimbursement Agreement to be immediately due and payable, in which case all such obligations shall become due and payable, without presentment, demand, protest or notice of any kind, including notice of default, notice of intent to accelerate or notice of acceleration. In addition to the foregoing, Freddie Mac may take any other action at law or equity without notice or demand, as it deems advisable, to protect and enforce its rights against the Mortgagor in and to the 2016 Series J Development, if any. Upon the occurrence of an Event of Default under the Reimbursement Agreement, Freddie Mac has the option to keep the 2016 Series J-1 Bonds outstanding or cause a mandatory tender or redemption of the 2016 Series J-1 Bonds.

Freddie Mac shall have the right, to be exercised in its discretion, to waive any Event of Default under the Reimbursement Agreement. Unless such waiver expressly provides to the contrary, any waiver so granted shall extend only to the specific event or occurrence and not to any other similar event or occurrence which occurs subsequent to the date of such waiver.

The obligations of the Mortgagor under the Reimbursement Agreement will be secured by the Reimbursement Mortgage. The Reimbursement Mortgage will be subordinate to the Mortgage, subject to the terms of the Assignment. Bondholders will have no rights under and are not third-party beneficiaries under the Reimbursement Mortgage.

The Reimbursement Agreement may be amended by Freddie Mac and the Mortgagor without the consent of, or notice to, the Corporation, the Trustee or the holders of the 2016 Series J-1 Bonds.

#### Delivery of Initial Credit Facility

If the Conversion Notice is issued on or before the Forward Commitment Maturity Date (as such terms are defined in the Construction Phase Financing Agreement) and the Corporation delivers to the Trustee a Certificate of an Authorized Officer of the Corporation confirming that the Initial Credit Facility shall be delivered on the date specified in the Conversion Notice (which shall be a Business Day), the Initial Credit Facility shall be delivered to the Trustee and shall take effect on such date (the “Conversion Date”). The Conversion Date shall constitute a Facility Change Date; provided, however, that the 2016 Series J-1 Bonds shall not be subject to mandatory tender on such Facility Change Date.

#### Separately Secured Period

In connection with the Conversion Date, the Corporation shall designate that a Separately Secured Period shall be in effect commencing on such Facility Change Date, as provided in a Certificate of an Authorized Officer of the Corporation delivered to the Trustee at least fifteen (15) days prior to such Facility Change Date. On such Facility Change Date, the 2016 Series J Mortgage Loan shall be released from the pledge and lien of the General Resolution.

During any Separately Secured Period, Pledged Receipts and Recoveries of Principal with respect to the 2016 Series J Mortgage Loan, the 2016 Series J-1 Bonds and the 2016 Series J Accounts shall not constitute Pledged Receipts or Recoveries of Principal under the General Resolution.

During a Separately Secured Period, the 2016 Series J-1 Bonds shall constitute a series of bonds that is separately secured from all other Bonds issued and to be issued under the General Resolution. Accordingly, during a Separately Secured Period the 2016 Series J Supplemental Resolution creates, in the manner and to the extent provided therein, for the benefit of the Trustee and the holders from time to time of the 2016 Series J-1 Bonds, a continuing pledge and lien on the 2016 Series J Revenues and assets pledged under the 2016 Series J Supplemental Resolution to secure the full and timely payment when due of the principal and Redemption Price of and interest on the 2016 Series J-1 Bonds. During a Separately Secured Period, the 2016 Series J-1 Bonds shall be special revenue obligations of the Corporation payable only from the 2016 Series J Revenues and other assets (including funds and accounts) pledged and established under the 2016 Series J Supplemental Resolution.

Notwithstanding anything to the contrary contained in the General Resolution, during a Separately Secured Period, no revenues or assets pledged under the General Resolution shall be available

for the payment of the principal or Redemption Price of or interest on the 2016 Series J-1 Bonds and no 2016 Series J Revenues or assets pledged under the 2016 Series J Supplemental Resolution shall under any circumstances (including, but not limited to, the occurrence of an Event of Default under the General Resolution), be available for the payment of the principal or Redemption Price or Sinking Fund Payments or interest on any Bonds (other than the 2016 Series J-1 Bonds) issued or to be issued under the General Resolution.

Notwithstanding the foregoing, nothing in the 2016 Series J Supplemental Resolution shall preclude the Corporation from contributing or pledging other funds or other assets to the funds and accounts established under the 2016 Series J Supplemental Resolution so long as such funds or assets are not subject to the lien of the General Resolution and not otherwise encumbered. During a Separately Secured Period, for all purposes of the General Resolution, the 2016 Series J-1 Bonds shall not be considered Outstanding under the General Resolution and nothing in the 2016 Series J Supplemental Resolution shall limit or restrict the Corporation's rights under the General Resolution. In particular, all covenants, agreements and restrictions set forth in the 2016 Series J Supplemental Resolution shall be applicable solely to the 2016 Series J-1 Bonds and shall not be applicable, in any manner, to any other Bonds issued or to be issued under the General Resolution or to the provisions of the General Resolution.

In connection with any Facility Change Date with respect to all of the 2016 Series J-1 Bonds (excluding the Facility Change Date that is the Conversion Date), the Corporation may designate that a Separately Secured Period shall no longer be in effect on and after such Facility Change Date, as provided in a Certificate of an Authorized Officer of the Corporation delivered to the Trustee at least fifteen (15) days prior to such Facility Change Date.

#### Interpretation

Certain provisions of the General Resolution specified in the 2016 Series J Supplemental Resolution, including those summarized in Appendix B to Part I of the Official Statement—"Summary of Certain Provisions of the General Resolution" under the headings "Contract With Bond Owners—Security for Bonds—Limited Obligation" (in the first two sentences thereunder), "Payment of Bonds", "Issuance of Additional Obligations" and "Sale of Mortgage Loans" (except for the final proviso thereunder) and "Powers of Amendment", shall be applicable during a Separately Secured Period to the 2016 Series J-1 Bonds and the 2016 Series J Mortgage Loan as if such provisions were set forth in the 2016 Series J Supplemental Resolution, except as otherwise provided in the 2016 Series J Supplemental Resolution; provided that, for purposes of the 2016 Series J Supplemental Resolution during a Separately Secured Period, such provisions relating to Bonds shall be deemed to refer only to 2016 Series J-1 Bonds and to no other Series of Bonds Outstanding under the General Resolution and such provisions relating to Mortgage Loans shall be deemed to refer to only to the 2016 Series J Mortgage Loan and to no other Mortgage Loans held under the General Resolution. The preceding sentence is subject, in all respects, to the provisions of the 2016 Series J Supplemental Resolution summarized under the headings "Separately Secured Period" above and "Pledge of the 2016 Series J Supplemental Resolution" and "Assignment of the 2016 Series J Mortgage Loan" below. In the event of a conflict between the provisions of the General Resolution and the provisions of the 2016 Series J Supplemental Resolution, the provisions of the 2016 Series J Supplemental Resolution shall govern.

To the fullest extent provided by the Act and other applicable laws, the money and property so pledged shall immediately be subject to the lien of such pledge, during a Separately Secured Period, without any physical delivery thereof or further act, and such lien shall be valid and binding against all parties having claims of any kind in tort, contract or otherwise, irrespective of whether such parties have notice thereof.

Notwithstanding any provision to the contrary which may be contained in the 2016 Series J Supplemental Resolution, (i) in computing the amount to be obtained under a Credit Facility on account of the payment of the principal of or interest on the 2016 Series J-1 Bonds, the Trustee shall exclude any such amounts in respect of any 2016 Series J-1 Bonds which are Purchased Bonds on the date such payment is due, and (ii) amounts obtained by the Trustee under such Credit Facility shall not be applied to the payment of the principal of or interest on any 2016 Series J-1 Bonds which are Purchased Bonds on the date such payment is due.

The Trustee shall deposit into the 2016 Series J Credit Facility Principal Reimbursement Sub-Account, promptly upon receipt thereof, all amounts received from the Servicer designated for deposit into such account, including, but not limited to, scheduled monthly principal deposits pursuant to the Credit Agreement. In the event that the amounts on deposit in the respective accounts in the 2016 Series J Credit Facility Reimbursement Sub-Account are insufficient to reimburse the Credit Facility Provider (as described above) the full amount to be drawn under the Credit Facility to pay interest or principal on the 2016 Series J-1 Bonds, as applicable, the Trustee shall promptly give notice to the Credit Facility Provider, the Servicer and the Mortgagor of such deficiency and of the amount of such deficiency.

The provisions of the General Resolution described in Appendix B to Part I of the Official Statement—"Summary of Certain Provisions of the General Resolution" under the headings "Events of Default," "Remedies" and "Priority of Payments after Default" shall be inapplicable to the 2016 Series J-1 Bonds. Notwithstanding anything to the contrary contained in the 2016 Series J Supplemental Resolution, a 2016 Series J Event of Default shall not constitute an Event of Default under the General Resolution and an Event of Default under the General Resolution shall not constitute a 2016 Series J Event of Default

Each of the following events set forth in numbers (1) through (3) below shall constitute a "2016 Series J Event of Default" with respect to the 2016 Series J-1 Bonds, and the following event set forth in number (4) below shall constitute an "Event of Termination" with respect to the 2016 Series J-1 Bonds: (1) payment of the principal or Redemption Price, if any, of or interest on any 2016 Series J-1 Bond (other than Purchased Bonds) when and as the same shall become due, whether at maturity or upon call for redemption or otherwise, shall not be made when and as the same shall become due; or (2) payment of the Purchase Price of any 2016 Series J-1 Bond (other than Purchased Bonds) tendered in accordance with the 2016 Series J Supplemental Resolution shall not be made when and as the same shall become due; or (3) the Corporation shall fail or refuse to comply with the provisions of the 2016 Series J

Each of the following is declared to be a remedy with respect to the 2016 Series J-1 Bonds: (1) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the 2016 Series J-1 Bond owners, including the right to require the Corporation to receive and collect 2016 Series J Revenues adequate to carry out the covenants and agreements as to the 2016 Series J Mortgage Loan (subject to the provisions of the Assignment, if any) and to require the Corporation to carry out any other covenants or agreements with such 2016 Series J-1 Bond owners, including the assignment of the 2016 Series J Mortgage Loan, and to perform its duties under the Act; (2) by bringing suit upon the 2016 Series J-1 Bonds; (3) by action or suit in equity, to require the Corporation to account as if it were the trustee of an express trust for the owners of the 2016 Series J-1 Bonds; (4) by action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the 2016 Series J-1 Bonds; (5) so long as no Credit Facility is in effect with respect to the 2016 Series J-1 Bonds, by declaring all Outstanding 2016 Series J-1 Bonds due and payable (provided that with respect to a 2016 Series J Event of Default specified in clause (3) of the preceding paragraph, no such declaration shall be made without the consent of the owners of one hundred percent (100%) in principal amount of the Outstanding 2016 Series J-1 Bonds), and if all defaults shall be cured, then, with the written consent of the owners of not less than twenty-five percent (25%) in principal amount of the Outstanding 2016 Series J-1 Bonds, by annulling such declaration and its consequences; (6) with the written consent of the Credit Facility Provider in the case of a 2016 Series J Event of Default or upon the direction described in clause (4) of the preceding paragraph in the case of an Event of Termination, by immediately declaring all 2016 Series J-1 Bonds or, with respect to an Event of Termination, a portion of the 2016 Series J-1 Bonds in the principal amount specified by the Credit Facility Provider, due and payable whereupon, with respect to any affected 2016 Series J-1 Bonds, such 2016 Series J-1 Bonds shall be immediately redeemed pursuant to the 2016 Series J Supplemental Resolution, provided that upon the happening and

continuance of an Event of Default specified in clauses (1) or (2) of the preceding paragraph, the Trustee shall declare all 2016 Series J-1 Bonds due and payable; (7) in the event that all Outstanding 2016 Series J-1 Bonds are declared due and payable, by selling the 2016 Series J Mortgage Loan (subject to the provisions of the Assignment) and any Investment Securities securing such 2016 Series J-1 Bonds; (8) by taking such action with respect to or in connection with the Credit Facility as the Trustee deems necessary to protect the interests of the owners of the 2016 Series J-1 Bonds; or (9) upon the happening and continuance of an Event of Termination, and upon receipt of direction from the Credit Facility Provider, by carrying out a purchase of all, or if so designated by the Credit Facility Provider, a portion of the 2016 Series J-1 Bonds, pursuant to the 2016 Series J Supplemental Resolution, on a date specified by the Credit Facility Provider, which date shall not be later than eight (8) days following receipt by the Trustee of such direction.

In the enforcement of any rights and remedies under the 2016 Series J Supplemental Resolution, the Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due and unpaid from the Corporation for principal or Redemption Price, if any, of and interest on any 2016 Series J-1 Bonds on any Interest Payment Date, or otherwise, under any provisions of the 2016 Series J Supplemental Resolution or of the 2016 Series J-1 Bonds with interest on overdue payments at the rate of interest specified in such 2016 Series J-1 Bonds, together with any and all fees and expenses of the Trustee and costs and expenses of collection and of all proceedings thereunder and under such 2016 Series J-1 Bonds, without prejudice to any other right or remedy of the Trustee or of the 2016 Series J-1 Bond owners, and to recover and enforce a judgment or decree against the Corporation for any portion of such amounts remaining unpaid, with interest, costs and expenses (including without limitation pre-trial, trial and appellate attorneys' fees), and to collect from any moneys available for such purpose, in any manner provided by law, the moneys adjudged or decreed to be payable.

#### Priority of Payments after a 2016 Series J Event of Default or an Event of Termination.

In the event that upon the happening and continuance of any 2016 Series J Event of Default or an Event of Termination the funds held by the Trustee shall be insufficient for the payment of the principal or Redemption Price, if any, of and interest then due on the 2016 Series J-1 Bonds affected, such funds (other than funds held for the payment or redemption of particular 2016 Series J-1 Bonds which have theretofore become due at maturity or by call for redemption) and any other amounts received or collected by the Trustee acting pursuant to the Act and the 2016 Series J Supplemental Resolution, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interest of the owners of such 2016 Series J-1 Bonds and for the payment of the charges and expenses and liabilities incurred and advances made by the Trustee in the performance of its duties under the 2016 Series J Supplemental Resolution, shall be applied in the order of priority with respect to 2016 Series J-1 Bonds as set forth in the following paragraph and as follows: (1) Unless the principal of all of such 2016 Series J-1 Bonds shall have become or have been declared due and payable: **FIRST:** To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference; **SECOND:** To the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any such 2016 Series J-1 Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the 2016 Series J-1 Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference; and **THIRD:** To the payment of amounts owed to the Credit Facility Provider under the Credit Agreement or under any other agreement or document securing obligations owed by the Mortgagor to the Credit Facility Provider or otherwise

relating to the provision of the Credit Facility, including amounts to reimburse the Credit Facility Provider to the extent it has made payments under the Credit Facility. (2) If the principal of all such 2016 Series J-1 Bonds shall have become or have been declared due and payable, first, to the payment of the principal and interest then due and unpaid upon such 2016 Series J-1 Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any such 2016 Series J-1 Bond over any other such 2016 Series J-1 Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in such 2016 Series J-1 Bonds, and second, to pay the Credit Facility Provider amounts owed to it under the Credit Agreement, including reimbursement to the extent it has made payments under the Credit Facility.

If, at the time the Trustee is to apply amounts in accordance with the provisions of the preceding paragraph, any of the 2016 Series J-1 Bonds Outstanding are Purchased Bonds, the Trustee shall make the payments with respect to the 2016 Series J-1 Bonds prescribed by the preceding paragraph, first, to the owners of all 2016 Series J-1 Bonds Outstanding other than Purchased Bonds and second, to the owner of Purchased Bonds.

#### Direction of Proceedings

Anything in the 2016 Series J Supplemental Resolution to the contrary notwithstanding, except as otherwise provided in clauses (6) and (9) of the first paragraph under the heading "Remedies" above, the owners of the majority in principal amount of the 2016 Series J-1 Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee under the 2016 Series J Supplemental Resolution, provided that such direction shall not be otherwise than in accordance with law or the provisions of the 2016 Series J Supplemental Resolution, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to 2016 Series J-1 Bond owners not parties to such direction; and provided, further, that notwithstanding the foregoing or any other provision of the 2016 Series J Supplemental Resolution, the Credit Facility Provider shall be entitled to direct the method of conducting all remedial proceedings to be taken by the Trustee under the 2016 Series J Supplemental Resolution so long as the Credit Facility is in full force and effect and no Wrongful Dishonor shall have occurred and be continuing.

#### Limitation on Rights of 2016 Series J-1 Bond Owners.

No owner of any 2016 Series J-1 Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or at law under the 2016 Series J Supplemental Resolution, or for the protection or enforcement of any right under the 2016 Series J Supplemental Resolution unless such owner shall have given to the Trustee written notice of the 2016 Series J Event of Default or an Event of Termination or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than twenty-five percent (25%) in principal amount of the 2016 Series J-1 Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have occurred, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in the 2016 Series J Supplemental Resolution or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the costs, expenses (including legal fees and expenses) and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers under the 2016 Series J Supplemental

Resolution or for any other remedy provided under the 2016 Series J Supplemental Resolution or by law. It is understood and intended that no one or more owners of the 2016 Series J-1 Bonds hereby secured shall have any right in any manner whatsoever by action of such owner or owners to affect, disturb or prejudice the security of the 2016 Series J Supplemental Resolution, or to enforce any right under the 2016 Series J Supplemental Resolution or under law with respect to the 2016 Series J-1 Bonds or the 2016 Series J Supplemental Resolution, except in the manner provided in the 2016 Series J Supplemental Resolution, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner provided in the 2016 Series J Supplemental Resolution and for the benefit of all owners of the Outstanding 2016 Series J-1 Bonds. Nothing contained in the 2016 Series J Supplemental Resolution, however, shall affect or impair the right of any 2016 Series J-1 Bond owner to enforce the payment of the principal of and interest on such owner's 2016 Series J-1 Bonds, or the obligation of the Corporation to pay the principal of and interest on each 2016 Series J-1 Bond to the owner thereof at the time and place in said 2016 Series J-1 Bond expressed.

Unless remedied or cured, the Trustee shall give to the 2016 Series J-1 Bond owners notice of each 2016 Series J Event of Default under the 2016 Series J Supplemental Resolution known to the Trustee within ninety (90) days after actual knowledge by the Trustee of the occurrence thereof. However, except in the case of default in the payment of the principal or Redemption Price, if any, of or interest on any of the 2016 Series J-1 Bonds, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a corporate trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the 2016 Series J-1 Bond owners.

#### Rights of the Credit Facility Provider

Notwithstanding anything contained in the 2016 Series J Supplemental Resolution to the contrary, all rights of the Credit Facility Provider under the 2016 Series J Supplemental Resolution, including, but not limited to, the right to consent to, approve, initiate or direct extensions, remedies, waivers, actions and amendments hereunder shall cease, terminate and become null and void (a) if, and for so long as, there is a Wrongful Dishonor of the Credit Facility by the Credit Facility Provider or of the Liquidity Facility by the Liquidity Provider, or (b) if the Credit Facility is no longer in effect; provided, however, that notwithstanding any such Wrongful Dishonor, the Credit Facility Provider shall be entitled to receive notices pursuant to the 2016 Series J Supplemental Resolution in accordance with the terms of the 2016 Series J Supplemental Resolution.

#### No Disposition of Initial Credit Facility.

So long as the Initial Credit Facility is in effect with respect to the 2016 Series J-1 Bonds, the Trustee shall not, without the prior written consent of the owners of all of the 2016 Series J-1 Bonds then Outstanding, transfer, assign or release the Initial Credit Facility except (1) to a successor Trustee, or (2) to the Initial Credit Facility Provider upon either (a) receipt of an Alternate Security or Liquidity Facility or Mortgage Purchase Agreement, (b) expiration or other termination of the Initial Credit Facility in accordance with its terms, including termination on its stated expiration date or upon payment thereunder of the full amount payable thereunder, or (c) the election of the Corporation to provide no Credit Facility or Liquidity Facility or Mortgage Purchase Agreement in accordance with the 2016 Series J Supplemental Resolution. Except as aforesaid, the Trustee shall not transfer, assign or release the Initial Credit Facility until the principal of and interest on the 2016 Series J-1 Bonds shall have been paid or duly provided for in accordance with the terms of the 2016 Series J Supplemental Resolution.

### Supplemental Resolutions

In addition to the purposes set forth in Section 8.1 of the General Resolution, a Supplemental Resolution of the Corporation may be adopted for any one or more of the following purposes, among others, and at any time or from time to time, which, upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Corporation, shall be fully effective in accordance with its terms: (1) to provide for such changes as are deemed necessary or desirable by the Corporation upon the delivery to the Trustee of a Credit Facility; or (2) to provide for such changes as are deemed necessary or desirable by the Corporation to take effect on the Conversion Date.

In addition to the purposes set forth in Section 8.2 of the General Resolution, a Supplemental Resolution of the Corporation may be adopted, at any time or from time to time, to change any of the time periods for provision of notice relating to the Mandatory Purchase Provision, Demand Purchase Option or interest rate determination, or the time periods for interest rate determination or the procedure for tendering 2016 Series J-1 Bonds in connection with the Mandatory Purchase Provision or Demand Purchase Option, which, (i) upon the filing with the Trustee of a copy thereof certified by an Authorized Officer of the Corporation, (ii) upon the filing with the Trustee and the Corporation of an instrument in writing made by the Trustee consenting thereto, and (iii) after such period of time as the Trustee and the Corporation deem appropriate following notice to the owners of the 2016 Series J-1 Bonds (but not less than thirty (30) days), shall be fully effective in accordance with its terms.

### Amendments, Changes and Modifications to the Credit Facility

Subject to the provisions of the following sentence, the Trustee may, without the consent of the owners of the 2016 Series J-1 Bonds, consent to any amendment of the Credit Facility which does not prejudice in any material respect the interests of the 2016 Series J-1 Bondholders. Except for such amendments, the Credit Facility may be amended only with the consent of the Trustee and the owners of a majority in aggregate principal amount of Outstanding 2016 Series J-1 Bonds, except that, without the written consent of the owners of all Outstanding 2016 Series J-1 Bonds, no amendment may be made to the Credit Facility which would reduce the amounts required to be paid thereunder or change the time for payment of such amounts; provided that any such amounts may be reduced without such consent solely to the extent that such reduction represents a reduction in any fees payable from such amounts.

The Annual Report shall be submitted to the Repository’s EMMA system either through a web-based electronic submission interface or through electronic computer-to-computer data connections with EMMA in accordance with the submission process, document format and configuration requirements established by the MSRB. The Annual Report shall also include all related information required by MSRB to accurately identify: (i) the category of information being provided; (ii) the time period covered by the Annual Report; (iii) the issues or specific securities to which the Annual Report is related (including CUSIP number, issuer name, state, issue description/securities name, dated date, maturity date, and/or coupon rate); (iv) the name of any obligated person other than the issuer; (v) the name and date of the document; and (vi) contact information for the Mortgagor’s submitter of Dissemination Agent, if any, and may cross-reference other information as provided in Section 4 of this Disclosure Agreement; provided that the audited consolidated financial statements of the Mortgagor may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date. (c) If the Bond Trustee is unable to verify that an Annual Report has been provided to the Repository by the date required in subsection (a), the Bond Trustee shall send a notice to the Repository in substantially the form attached as Exhibit A.

SECTION 4. Content of Annual Reports. The Mortgagor’s Annual Report shall contain or include by reference the following:

(a) The audited consolidated financial statements of the Mortgagor for the prior fiscal year, prepared in accordance with generally accepted accounting principles as promulgated from time to time by the Financial Accounting Standards Board. If such audited financial statements are not available by the time the Annual Report is required to be filed pursuant to Section 3(a), the Annual Report shall contain unaudited financial statements and the audited financial statements shall be filed in the same manner as the Annual Report when they become available.

(b) To the extent not otherwise included in the audited consolidated financial statements provided pursuant to paragraph (a) above, the financial information and operating data of the type contained under the heading “THE 2016 SERIES J DEVELOPMENT AND THE MORTGAGOR” in the Supplement.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues with respect to which the Mortgagor is an “obligated person” (as defined by the Rule), which have been filed with the Repository or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the MSRB. The Mortgagor shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, the Mortgagor shall give, or cause to be given, notice, in a timely manner (not in excess of ten business days after the occurrence of such event), of the occurrence of any of the following events with respect to the Bonds (such obligation of the Mortgagor to give, or cause to be given, any notice pursuant to this Section 5, to commence upon the Conversion):

(c) The Mortgagor may from time to time choose to provide notice of the occurrence of certain other events, in addition to those listed above, but the Mortgagor does not undertake any commitment to provide such notice of any event except those events listed above.

SECTION 6. Termination of Reporting Obligation. The Mortgagor's obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds and at such time that the Mortgagor ceases to be an "obligated person" (as defined by the Rule). If the Mortgagor's obligations under the Agreement are assumed in full by some other entity, such person shall be responsible for compliance with this Disclosure Agreement in the same manner as if it were the Mortgagor and the Mortgagor shall have no further responsibility hereunder. If such termination or substitution occurs prior to the final maturity of the Bonds, the Mortgagor shall give notice of such termination, or shall cause notice of such termination to be given, in the same manner as for a Listed Event under Section 5(b).

SECTION 7. Dissemination Agent. The Mortgagor may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the Mortgagor pursuant to this Disclosure Agreement, including but not limited to determining whether the contents of any Annual Report satisfy the requirements of Section 4 of the Agreement.

SECTION 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Mortgagor may amend this Disclosure Agreement (and the Bond Trustee shall agree to any amendment so requested by the Mortgagor), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of Holders, or (ii) does not, in the opinion of the Bond Trustee or nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Mortgagor shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Mortgagor. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(b), and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Mortgagor from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Mortgagor chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Mortgagor shall have no obligation under this Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Mortgagor or the Bond Trustee to comply with any provision of this Disclosure Agreement, the Bond Trustee may (and, at the request of any Participating Underwriters or the Holders of at least 51% aggregate principal amount of Outstanding Bonds, subject to its right to be indemnified to its satisfaction, shall), or any Holder or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Mortgagor or Bond Trustee, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Resolution or the Lease, and the sole remedy under this Disclosure Agreement in the event of any failure of the Mortgagor or the Bond Trustee to comply with this Disclosure Agreement shall be an action to compel performance.

SECTION 11. Duties, Immunities and Liabilities of Bond Trustee. For the purposes of defining the standards of care and performance and the protections and indemnities applicable to the Bond Trustee in the performance of its obligations under this Disclosure Agreement, Article IX of the Resolution is hereby made applicable to this Disclosure Agreement as if this Disclosure Agreement were (solely for this purpose) contained in the Resolution. Anything herein to the contrary notwithstanding, other than as explicitly set forth herein, the Bond Trustee shall have no duty to investigate or monitor compliance by the Mortgagor with the terms of this Disclosure Agreement, including without limitation, reviewing the accuracy or completeness of any notices or filings filed by the Mortgagor hereunder.
